FY20 PROGRAM REPORT CARD

Texas Veterans + Family Alliance

Program Overview

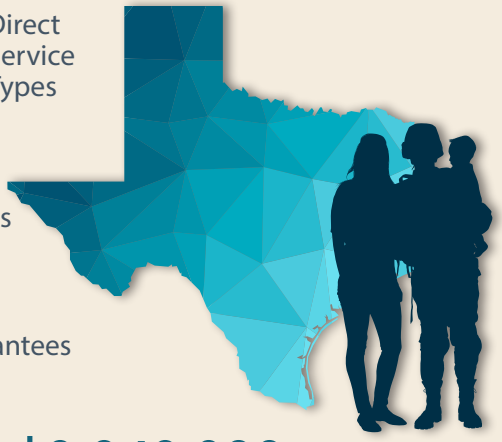
The Texas Veterans + Family Alliance Grant program helps local communities across the state expand availability and access to mental health treatment and services to improve the quality of life of veterans and their families. Funds are intended to enhance the work of the U.S. Veterans Affairs and encourage communities to develop and support collaborative relationships and coordinated service delivery systems which can continue after the grant ends.

Over **5,400** Texans Served

Over **30** Direct Service Types

All **254** Counties

16 Grantees



$9,949,380 HHSC Awarded Funds

TEXAS-SIZED ACHIEVEMENTS

Over **11,000** **Service Units —** Grantees provided more than 11,000 service units including service navigation, referrals, case management, and/or outreach and engagement.

75% **Grantees provided key services —** Programming that filled critical service gaps and strengthened access to care for special populations.
