1. Physicians and Other Practitioners (continued)

- (f) When a procedure code is nationally discontinued, a replacement procedure code is nationally assigned for the discontinued procedure code, and Medicaid implements the replacement procedure code, a state plan amendment will not be submitted since the fee for the service has not changed.
- (g) To ensure access to care and prompt provider reimbursement, when a new national procedure code is assigned to a physician-administered drug or biological product, a preliminary reimbursement rate will be established by the Texas Health and Human Services Commission (HHSC) based on the published Medicare reimbursement rate; or the average wholesale price (AWP) in the absence of a Medicare reimbursement rate for the procedure code or the comparable code. In accordance with 42 CFR §447.205(b)(1), a public notice and state plan amendment will not be submitted for this preliminary reimbursement rate.
