

Know Your Neighbor

Template Introduction Note

Use this as a guide for writing your own note to your neighbor.

Hello neighbor!

I am enter name here and I live at enter details here. I want to get to know my neighbors better, and I think making connections during this challenging time is more important than ever. I am reaching out to you to see if you are interested in getting to know each other. *Know Your Neighbor, a Texas Health and Human Services Commission* campaign, has resources we can use to get us started. If you are interested in talking or emailing periodically, please call or text me at enter phone number here.

I look forward to connecting with you soon!
