Agenda 3:10 p.m. – 3:30 p.m.	<ul style="list-style-type: none"> • Rates Comments – not final at this time, there will be public rate hearings • Current rate no incentive against rate of mental health rehabilitation

Revisit grandfathering: Amy Chandler	
	<ul style="list-style-type: none"> • Grandfathering – Recovery Coaches certified and in good standing would be grandfathered • MH peer certified and in good standing would need 250 hours of work experience, so they would be grandfathered under the initial certification • We need additional training and technical assistance to educate peers beyond mental health rehabilitation. • MH must pass KSAs for core training, if they pass they can be grandfathered, if not, they must take the full certification process. • Discussion about what MH peers are actually trained to do • Recovery Coach certification – they could not bill unless certified. If a Certified Peer recovery Specialist is in good standing, they could be grandfathered. • Discussion about peers not being able to pass core curriculum because they are not doing true peer work out in the field • Training and technical assistance must happen in the field with organizations, provider types •
Documents Presented	Agenda, draft rules
Motion	To keep the grandfathering rule as is, with the exception

Supervision/CEUs: **Robert Dole**

<p>Agenda 3:30 p.m. – 5:00p.m.</p>	<ul style="list-style-type: none"> • Supervisors must have training and certification, supervisors should get CEU’s, rules do not say that supervisors must have lived experience. • Supervisors need to be re-certified every two years: • Ethics, Cultural Competency, advocacy, supervising peers, leadership, confidentiality • Question is revisited as to whether supervisors need to have lived experience, without lived experience peer is more vulnerable to co-opting. Cannot put this into rule as mental health would oppose it. • Grandfathering of Peer Supervisors, 2 years supervising peers, certified for one year and then get training.
<p>Motions</p>	<ul style="list-style-type: none"> • Peer supervisors have 6 hrs of CEUs every two years. Motion is passed. • Supervisors must take KSA if they pass, they are certified, if not they take the training with one year certification. Friendly amendment – must have two years supervisory experience in the last 5 years.
