The attached materials include the following: (1) COPA Baseline Performance Report; (2) COPA Baseline Performance Report Attachments; and (3) COPA Baseline Performance Report Excel Data.

We submit duplicate versions of the attached baseline reporting materials pursuant to Section 314A.052(b) of Chapter 314A, Title 4 of the Official Code of Texas: (1) nonpublic versions that contain complete information for the Agency's review (which clearly identify proprietary information through bold bracketed red font at the beginning of each relevant response in the report or through shading and a legend in the excel data) and (2) redacted versions for public release. Please note that the nonpublic versions contain proprietary and competitively sensitive information that is required to remain confidential and is protected from public release. Therefore, we request confidential treatment of the nonpublic baseline reporting materials in accordance with all applicable statutes, rules, and regulations.

Very truly yours,
