

Health Facility Compliance Guidance Letter

Number: GL 20-2022-A
Title: Facility Visitor Screening & Access in Response to COVID-19 [Amended]
Provider Types: Private Psychiatric Hospitals and Crisis Stabilization Units
Date Issued: January 22, 2021

1.0 Subject and Purpose

This amended guidance letter replaces the previous GL 20-2022, issued on September 25, 2020, to notify providers that effective January 23, 2021, emergency rule §510.48, Visitor Screening and Access During the COVID-19 Pandemic, in Texas Administrative Code Title 26 (26 TAC), Part 1, Chapter 510, Subchapter C, is extended for an additional 60 days. The emergency rule extension is effective until March 23, 2021 and can be viewed in the Texas Register under docket number **202004011**.

The Health and Human Services Commission (HHSC) adopted an emergency rule in response to the state of disaster declared in Texas and the United States of America relating to COVID-19. Under the new emergency rule, effective September 25, 2020, currently licensed private psychiatric hospitals and crisis stabilization units (CSUs) are required to screen visitors and restrict access as necessary to limit the spread of COVID-19 in response to the COVID-19 pandemic.

2.0 Emergency Rule Details

Emergency rule §510.48, Visitor Screening and Access During the COVID-19 Pandemic, is adopted under 26 TAC, Part 1, Chapter 510, Subchapter C. Under this emergency rule, private psychiatric hospitals and CSUs must adopt, implement, and enforce written policies and procedures to screen each person entering the facility and restrict visitor access as the facility determines necessary to limit the spread of COVID-19.

2.1 Emergency Rule §510.48 Visitor Screening and Access During the COVID-19 Pandemic

Under emergency rule §510.48, Visitor Screening and Access During the COVID-19 Pandemic, a private psychiatric hospital or CSU licensed under Health and Safety Code Chapter 577 shall limit visitors allowed in the facility to the extent the facility determines such limitation is necessary to prevent or control a COVID-19-related health and safety risk.

Facilities shall adopt, implement, and enforce written policies and procedures to screen each person entering the hospital, using criteria based on state, local, and federal guidance, and prohibit entry of any person who does not meet the screening criteria.

A facility may not prohibit government personnel performing their official duties from entering the facility, unless person fails to meet the facility's screening criteria.

3.0 Background/History

HHSC originally adopted a previous emergency rule at §510.48, Emergency Rule for Facility Response to COVID-19 on April 3, 2020 and extended it on July 31, 2020. This emergency rule was repealed and replaced by the new emergency rule, Visitor Screening and Access During the COVID-19 Pandemic, on September 25, 2020.

In accordance with Texas Government Code §2001.034, HHSC adopted emergency rule §510.48, related to Visitor Screening and Access During the COVID-19 Pandemic in 26 TAC, Part 1, Chapter 510, Subchapter C, Operational Requirements, on September 25, 2020, due to imminent peril to the public health, safety, or welfare. The emergency rule may not be effective for longer than 120 days and may not be renewed for longer than 60 days.
