

Kidney Health Care

Application Checklist

People in Texas interested in Kidney Health Care benefits must partner with their social worker where they get care and treatment for their end-stage renal disease (ERSD). The social worker must submit the application on behalf of the person. For any questions regarding eligibility or program benefits, call 1-800-222-3986.

Complete the Application Form.

This is a fillable PDF form that can be completed or printed in dark ink. Please ensure that all sections are complete and accurate to avoid processing delays.

Complete the Medical Evidence Report (CMS 2728).

This form is part of the KHC application to be completed by applicant's physician.

Gather required documentation.

Proof of Residency

The proof must (1) show the applicant's name, (2) match the home address listed on the application, (3) be unexpired, (4) dated within the last three months, (5) be one of the following: utility bill, voter registration card, mortgage payment receipt, valid Texas driver license or ID card. Applicants can also submit a letter establishing residency written by a family member they live with.

Proofs of income

Send copies of all proofs of every source of income for every member of the applicant's household who is legally obligated to support the applicant. Proofs must (1) be dated from the last 90 days, (2) be one of the following: paycheck stubs, signed letter from employers, SSI check or award letter or unemployment benefit award letter. Note: If the applicant is self-employed, submit the most recent tax return showing gross income.

Proof of insurance

Submit a copy of an ID card (front and back) or official letter for each and every type of health insurance coverage.

Proof of Social Security Number

Submit the application files.

Send the two forms and required proofs by mail to:
