Inspector General

INSPECTOR GENERAL

Texas Health and Human Services Commission

IG Integrity Initiative

- The IG Integrity Initiative (IGII) began in 2016
- Develop an “Integrity Network” across Texas linking providers and communities committed to transparency and accountability
- Key features—participants must:
 - Publically affirm *integrity* in their mission statement
 - Promise to report any/all fraud, waste, and abuse whenever and wherever they might find it
 - Provide integrity training to their employees
 - Prominently post IG’s Integrity Line poster in numerous locations and link to the IG’s website on their website

IG Integrity Initiative

- *Voluntary* collaboration between the IG, Managed Care Organizations, and Medicaid providers
- Strengthen and increase our joint efforts to develop the best Medicaid system Texas can achieve
- Any provider or MCO is eligible to join this voluntary partnership to help improve the integrity of Texas' Medicaid program.
- To become a member, please visit our website at:
<https://oig.hhsc.texas.gov/ig-integrity-initiative>

IG Integrity Initiative

In return for those that participate the IG commits to:

- Establishing regular IGII meetings to enhance communication and understanding among all members.
- Working in conjunction with the Health and Human Services Commission's Medicaid and CHIP Division to develop and disseminate training videos for members that provide guidance on best practices.

IG Integrity Initiative

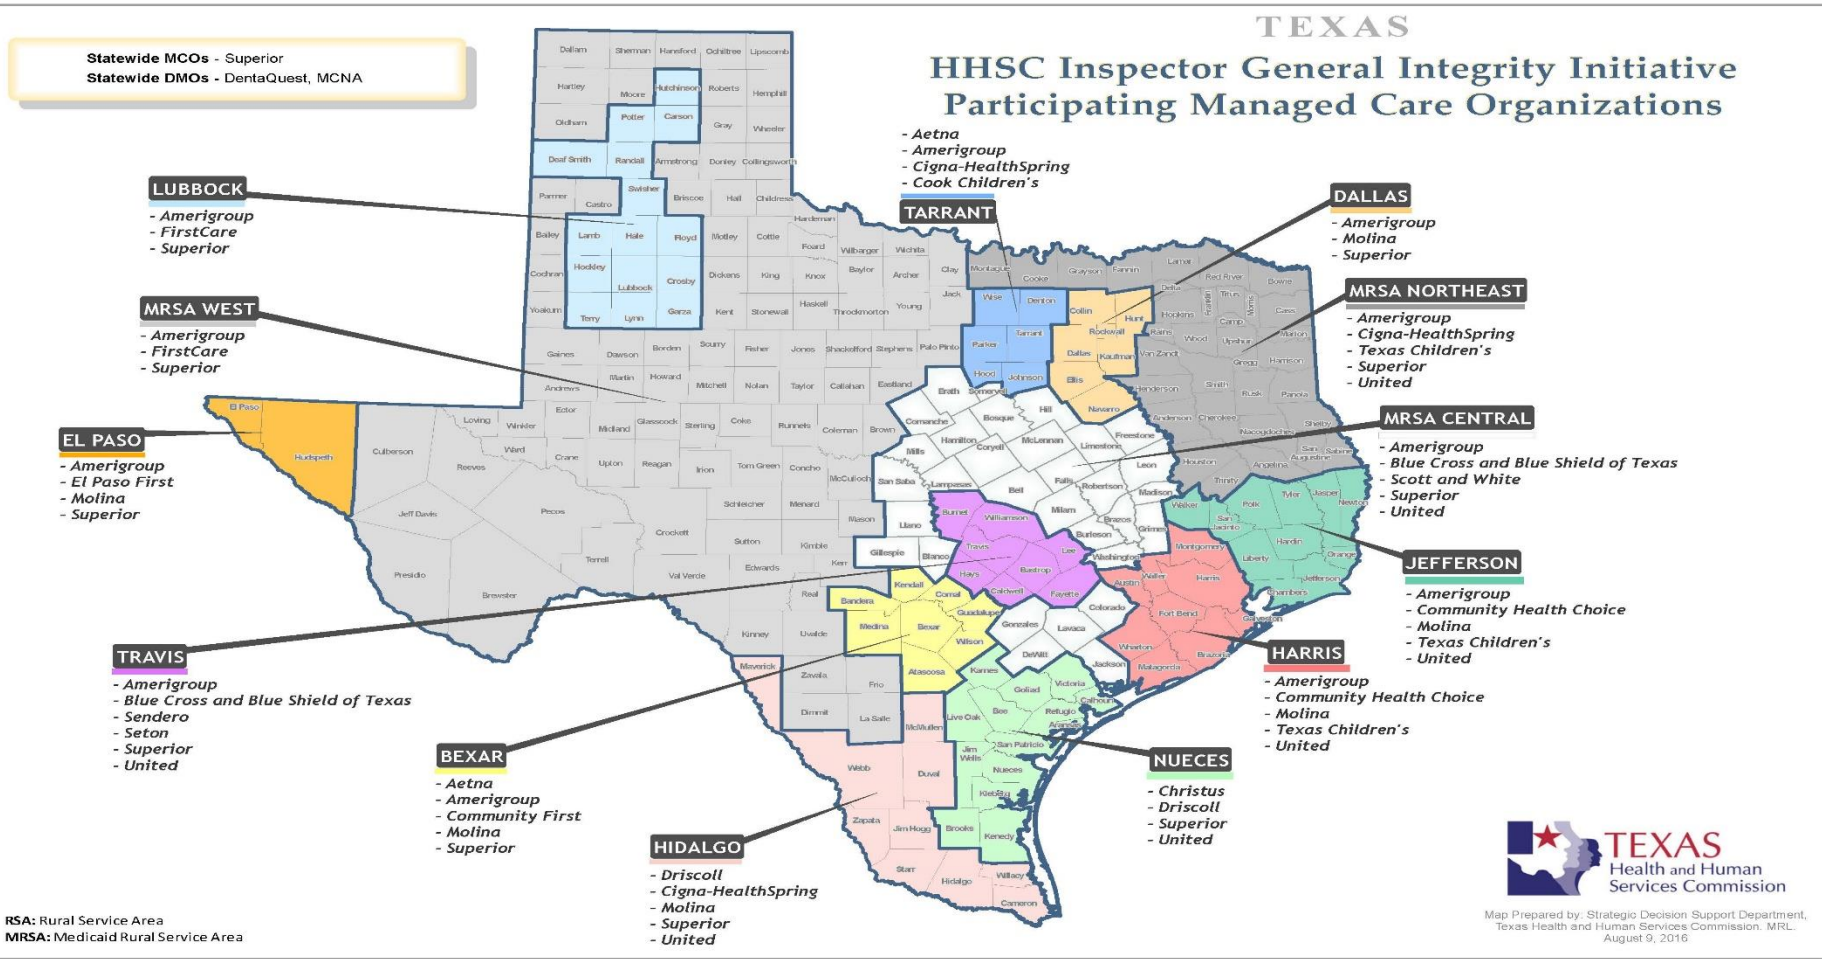

As of July 2016, there are a total of 42 participating members in the IG Integrity Initiative:

- 12 total Managed Care Organizations
- 1 Dental Maintenance Organization
- 29 total Medicaid providers

All participating members will be published in the IG Quarterly Reports.
