"N/A" - no clients defined in the Local Agency under race/ethnicity category

* At certification is defined as the day the infant was certified. Certification dates can range
 from 1 day – 11 months so the rates in this column should not be used to report breastfeeding rates
 or trends to administrators, the public, or outside entities. At certification data can be used internally
 to indicate a rough estimation of duration and for planning purposes.

Note: Includes clients enrolled at any time during February 2018

Source: DSHS, BNS, Texas EBT, Certification History, Client History, Nutritional Risk, and Infant Tables

Note: The attached report DOES NOT include statistics from the following LAs which migrated to TXIN according to the below table.
