"N/A" - no clients defined in the Local Agency under race/ethnicity category

* At certification is defined as the day the infant was certified. Certification dates can range from 1 day – 11 months so the rates in this column should not be used to report breastfeeding rates or trends to administrators, the public, or outside entities. At certification data can be used internally to indicate a rough estimation of duration and for planning purposes.

Note: Includes clients enrolled at any time during January 2017
