Authority

7 CFR Part 246.7, 246.8

Policy

- C. Clients may choose to bring a friend or family member, age 16 or older, to interpret for them; however, under no circumstances shall a client be required to do so.
- III. The LA must ensure that all applicable rights and responsibilities are read to non-English/non-Spanish speaking and limited-English/limited-Spanish speaking WIC participants or parents/caretakers of applicants/participants in the appropriate language.
- IV. LA-developed program materials must be written in Spanish when LAs serve a significant proportion of the population that is Spanish speaking.

Guidelines

- I. In some cases, the LA may serve a number of persons possessing little or no ability to speak either English or Spanish. Upon request by the LA, the SA must attempt either to assist the LA in developing program materials suitable to such a population or refer the LA to other sources of assistance such as Language Line Services, local translator and interpreter associations, local churches and refugee resettlement organizations.
- II. Language Line Services may be accessed through the toll-free number 1-800-367-9559, enter client ID: 504020, access code: includes three digits for the LA and two digits for the clinic site, e.g., 00102.
- III. If staff experience problems accessing an interpreting session, contact: InSight Technical Support **844.373.1951**.
