- V. Applicants shall be physically present at each WIC certification or qualify for an exception as defined in **Policies: CS:4.0, CR:07.0**.
- VI. If the applicant meets all the above-referenced criteria for eligibility, she/he may be certified and enrolled in the Program, regardless of citizenship status, as long as there is a caseload opening. Citizenship is not required for program eligibility.
- VII. Local agencies (LAs) shall not limit WIC participation nor deny WIC participants because a WIC applicant or participant does not wish to partake of available health services. For example, LA cannot require a child to be screened in the LA's well child clinic in order to get WIC benefits.
