## **Vendor News Flash**

### **Courtesy Reminder: Download Your EBT System APL Daily**

This is a courtesy reminder to our vendor community to download the Authorized Product List (APL) daily to ensure your EBT systems will have most updated APL.

A number of changes to WIC authorized foods have recently been made. These changes are effective immediately and more APL changes may occur in the near future. Therefore, we encourage you to keep your EBT system's APL updated daily. If necessary for your system, complete any additional point-of-sale flagging or processes required to allow these items for sale by WIC tender in your stores.

If you experience an issue, please email the label with brand name, size, and UPC bar code to [WICUPC@hhsc.state.tx.us](mailto:WICUPC@hhsc.state.tx.us) for addition to the APL.

VMO is ready to assist our vendor partners. Should you have any questions regarding this Vendor News Flash, please contact VMO's Vendor Outreach Branch at [WICVendorRelations@hhsc.state.tx.us](mailto:WICVendorRelations@hhsc.state.tx.us) or 1-800-252-9629.
