ALERT: Download Your APL on February 1

Recent changes to contract brand infant formula will become effective on the **WIC/EBT Authorized Product List (APL) on Monday, February 1, 2021**. Therefore, all WIC authorized vendor outlets must have a current APL downloaded and imported **prior to the store opening on Monday, February 1, 2021** for accurate contract brand infant formula redemptions.

See the [Contract Brand Infant Formula Vendor News Flash](#) for a summary of product and WIC EBT system changes.

Please forward this Vendor News Flash to staff who update the APL.
