Vendor News Flash

Monthly Peer Group Assignments

Texas WIC vendors will begin receiving a monthly email notification containing peer group assignments for vendor account outlet(s). Only vendor outlets with WIC sales during the sales month will receive monthly notifications. The monthly notifications will serve as a competitive pricing and cost containment tool for vendors. There have been no changes to policy and no action is required for vendors.

Retroactively, and for your information only, vendors may receive emails for prior months containing peer group assignments.

Texas WIC is ready to assist our vendor partners.
