## **Vendor News Flash**

### **EBT Capability is Available for Self-Checkout Terminals**

Texas WIC is excited to announce our new *Texas WIC Self-Checkout Terminal [instructional video](#)* for vendors (*best viewed on Internet Explorer*). Self-checkout is another method which allows WIC participants to conveniently shop like other customers.

Vendors must ensure a self-checkout attendant is present in the self-checkout area. As a reminder, all WIC point-of-sale systems must be state agency-certified *WIC-EBT capable*, including self-checkout terminals.

To request a WIC-EBT system certification for self-checkout terminals, contact the EBT Operations Branch at [WICEBTSupport@hhsc.state.tx.us](mailto:WICEBTSupport@hhsc.state.tx.us) or call 1-800-252-9629.

Vendor Management and Operations (VMO) is ready to assist our vendor partners. Should you have any questions regarding this Vendor News Flash, please contact VMO's EBT Operations Branch at [WICEBTSupport@hhsc.state.tx.us](mailto:WICEBTSupport@hhsc.state.tx.us) or 1-800-252-9629.
