## **Vendor News Flash**

### **Tax Form 1099-K Mailout Update**

Vendor Management and Operations (VMO) discovered that some of the 1099-K Forms may have been distributed to outlet addresses instead of the assigned corporate address. While we have taken steps to remedy this error, we are re-issuing the corrected 1099-K Forms to ensure our vendors receive them.

If your store was affected by this error, you should expect to receive the corrected 1099-K Form within the next couple of weeks. If you believe this correction applies to you, please disregard the previous version. We apologize for any inconvenience this may have caused.

VMO is ready to assist should you have any questions or need further information about this vendor news flash. Please contact our EBT Operations branch at [WICEBTVendorRedemptions@hhsc.state.tx.us](mailto:WICEBTVendorRedemptions@hhsc.state.tx.us) or call 1-800-252-9629.
