Vendor News Flash

Voluntary Recall Reminder

The Texas WIC Program wants to remind our vendor community of a voluntary recall concerning packaged vegetables and the potential contamination with Listeria.

If a participant returns one of the recalled items to your store, please remember our vendor policies do not allow for a full refund, gift card or rain check. WIC authorized vendors are only allowed to exchange the item for a like food item.

Mann Packing Company issued the recall out of caution and to date, there are no reports of illness related to these products.

Please click on the link below for a full list of recalled items:
