

### **Instructions for the WIC Wellness Breaks “Call to Action” template**

You have the opportunity to complete 12 wellness tasks to answer the call to a healthier life. Use the template to track your weekly wellness activities. Either choose to perform the activities provided (version #1) or create your own in each category (version #2). Get creative with coworkers – see who can check off all twelve on a weekly basis. Hang the templates up at your clinic to proudly display your accomplishments.
