This is the list of DBMD program providers who serve the region in which I currently reside. It has been explained to me and I understand that I may transfer to a different program provider at any time. If I am interested in transferring to a new program provider or if I am moving to another region of the state, I can request the list of DBMD program providers in that area from my case manager or call (512) 438-5359 at any time.
