# **DPP Quality Framework and Reporting Update**

CHIRP, TIPPS, DPP BHS & RAPPS

---

Jennifer Quereau & Noelle Gaughen  
MCS Delivery System Quality & Innovation  
November 7, 2022

# Background

TEXAS  
Health and Human  
Services

- In state fiscal year (SFY) 2022, HHSC received approval for four new Medicaid directed payment programs (DPPs.)
  - Comprehensive Hospital Increase Reimbursement Program (CHIRP)
  - Texas Incentive for Physicians and Professional Services (TIPPS)
  - Directed Payment Program for Behavioral Health Services (DPP BHS)
  - Rural Access to Primary and Preventive Services (RAPPS)
- The hospitals, physician groups, rural health clinics, and behavioral health centers that participate in these four programs recently completed their first year of quality reporting and second year activities are underway.

# Medicaid Managed Care

- Texas serves 94% of Medicaid members through the Managed Care Service Delivery Model.
- Managed care organizations (MCOs) contract with providers, coordinate care for members, and negotiate alternative payment models with some providers.

## Key Attributes of the Managed Care Service Delivery Model

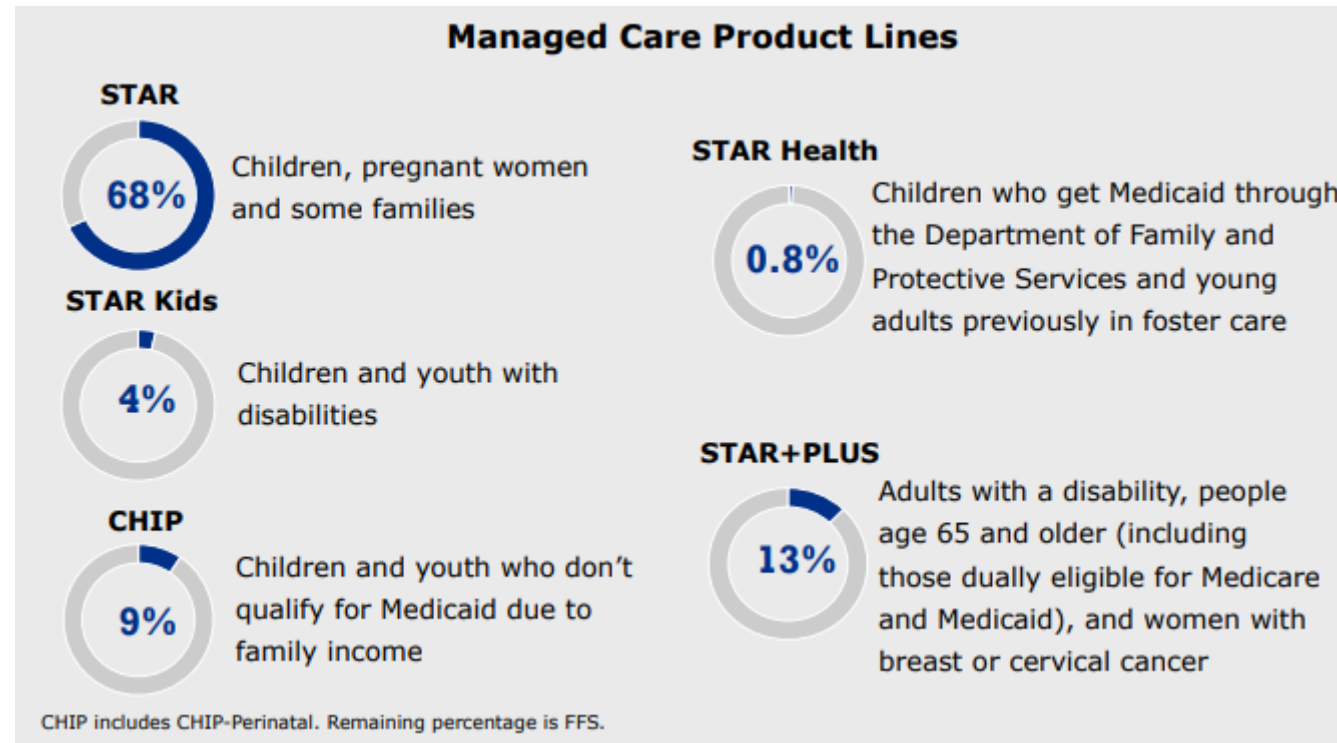

- ✓ Delivers services through MCOs that are paid a fixed amount per member enrolled per month
- ✓ Achieves value by incentivizing MCO improvements in quality of care and cost-effectiveness
- ✓ Serves as the member's "medical home" by providing comprehensive preventive and primary care

# Medicaid Managed Care Programs

Texas has four Medicaid Managed Care programs and the Children's Health Insurance Program (CHIP). The remaining Medicaid members have fee-for-service Medicaid.

# Quality Incentive Structure: Managed Care vs Medicaid DPPs

# Texas Medicaid DPPs SFY 2023

TEXAS  
Health and Human  
Services

## CHIRP

Comprehensive  
Hospital Increased  
Reimbursement  
Program

**\$5.2** Billion

**406** Hospitals

Program Year 2

STAR  
STAR+PLUS

## QIPP

Quality Incentive  
Payment Program

**\$1.1** Billion

**951** Nursing  
Facilities

Program Year 6

STAR+PLUS

## TIPPS

Texas Incentive for  
Physicians and  
Professional  
Services

**\$738** Million

**61** Physician  
Groups

Program Year 2

STAR  
STAR+PLUS  
STAR Kids

## DPP BHS

Directed Payment  
Program for  
Behavioral Health  
Services

**\$253** Million

**40** Behavioral  
Health Centers

Program Year 2

STAR  
STAR+PLUS  
STAR Kids

## RAPPS

Rural Access to  
Primary and  
Preventive Services

**\$31** Million

**160** Rural  
Health Clinics

Program Year 2

STAR  
STAR+PLUS  
STAR Kids

# DPPs and the Medicaid Quality Strategy

Texas must demonstrate to CMS that each DPP advances one or more goals and objectives of the [Texas Managed Care Quality Strategy](#).

Promoting optimal health for Texans

Keeping Texans free from harm

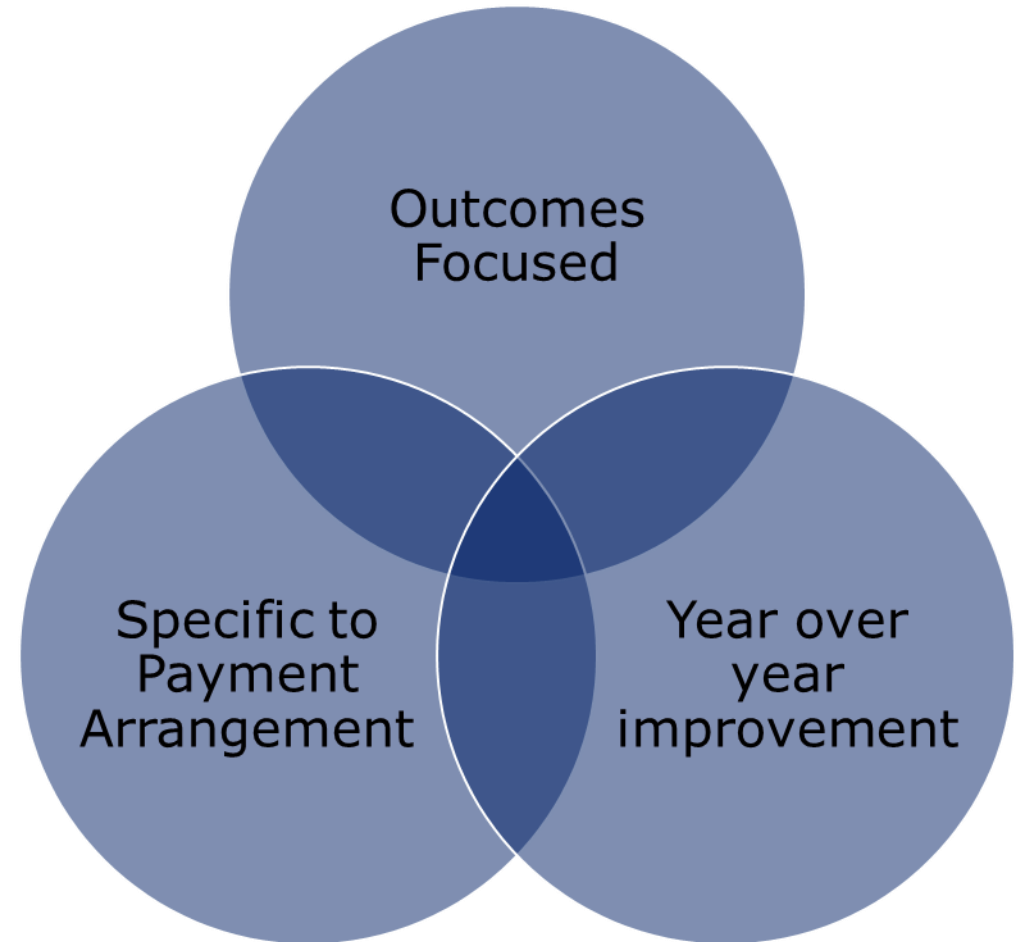

Promoting effective practices for people with chronic, complex, and serious conditions

Attracting and retaining high-performing Medicaid providers to participate in team-based, collaborative, and coordinated care.

# CMS Quality Requirements

- HHSC submits an application (preprint) to CMS for approval of a directed payment program.
- The application shows how the program aligns with the Medicaid Managed Care Quality Strategy AND CMS quality priorities.

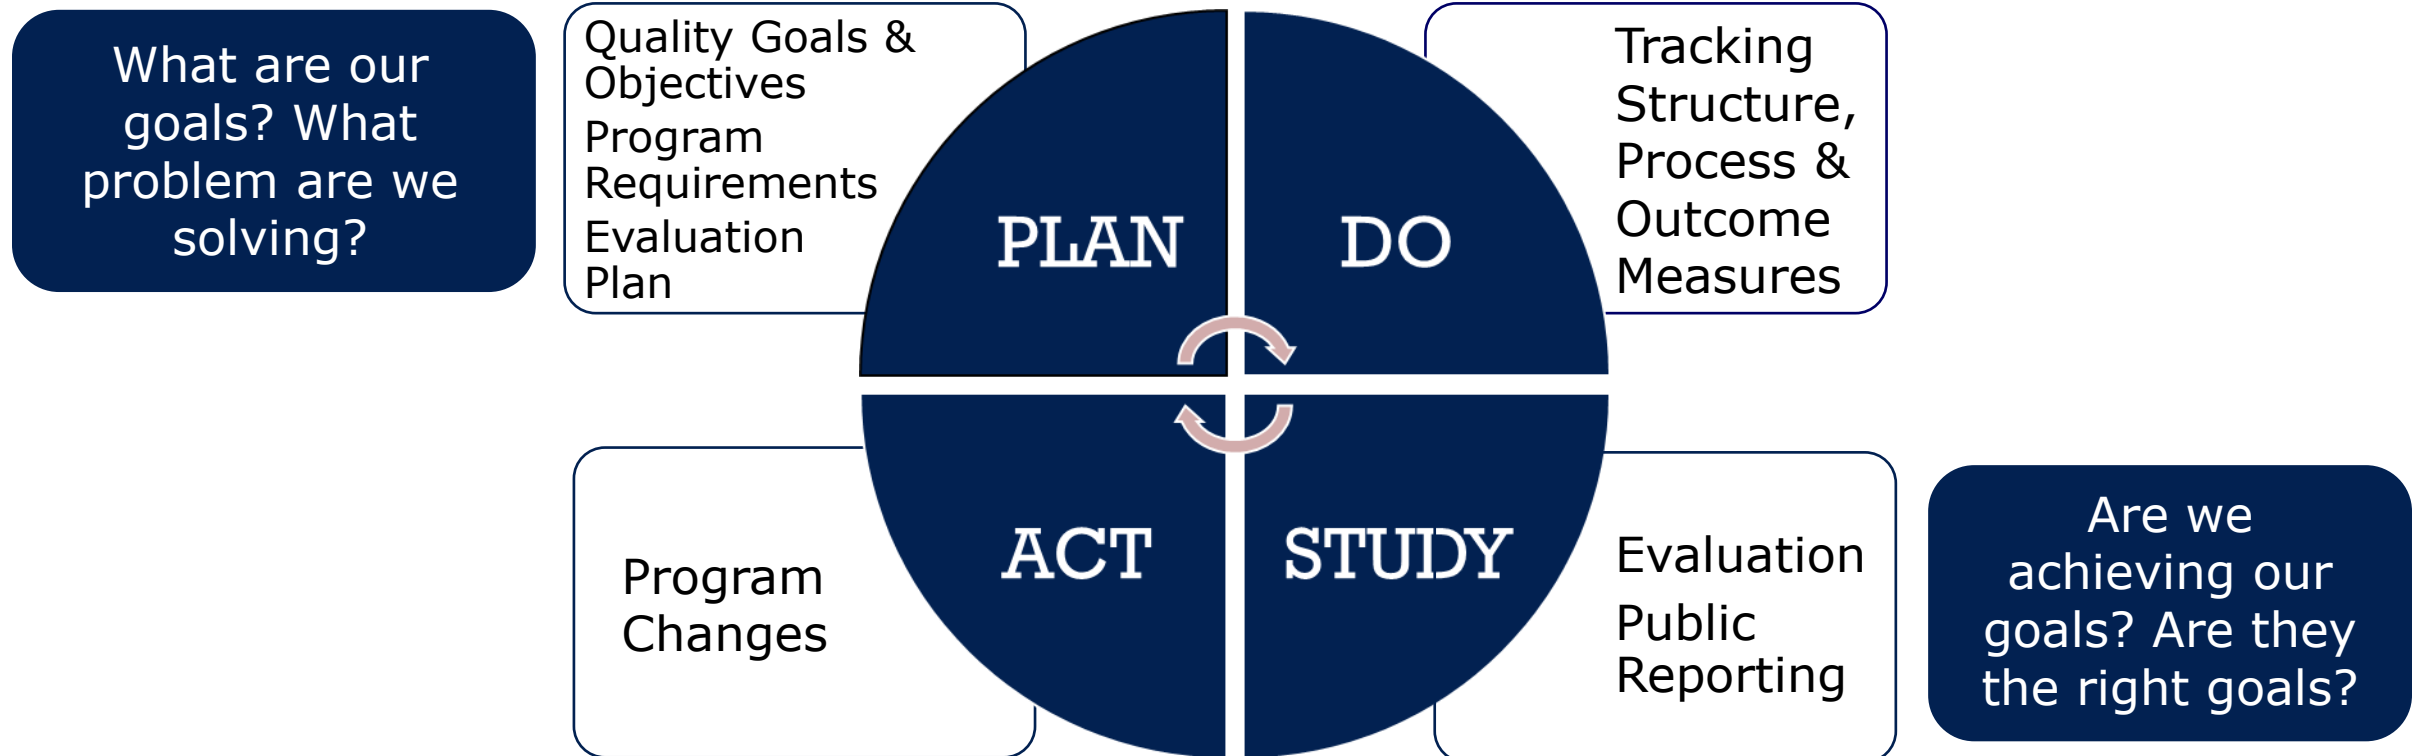

*Source: Section 438.6(c) Preprint January 2021*

# Evaluation and Program Planning Feedback Cycle

TEXAS  
Health and Human  
Services

# PLAN

TEXAS  
Health and Human  
Services

## Quality Objectives

- Defines the specific goals and objectives from the Quality Strategy that each DPP is intended to advance.

## Quality Requirements & Specifications

- Defines the activities and measures that providers must track, how they should be tracked, and how often they are reported

## Evaluation Plan

- Defines the measures and methods that will be used for tracking progress at the program level

# DO

TEXAS  
Health and Human  
Services

## **Structure Measures**

A provider's capacity, systems, and processes to provide care

## **Process Measures**

What a provider does to maintain or improve health.  
Reflect generally accepted clinical practices.

## **Outcome Measures**

Impact on health status

Source: [AHRQ Talking Quality](#) Types of Healthcare Quality Measures, 2015

# Provider Performance Criteria

TEXAS  
Health and Human  
Services

## QIPP Year 6

Some payments are tied to a participating nursing facility's performance on specific quality measures or metrics.

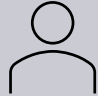

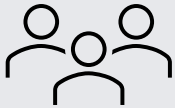

## CHIRP, TIPPS, DPP BHS, and RAPPS Year 2

Payment is not tied to performance on quality metrics. Reporting is required as a condition of participation.

# Evaluation Data Sources

TEXAS  
Health and Human  
Services

Data Source	Pro	Con
<p>Participating Providers EHRs</p> 	<ul style="list-style-type: none"> <li>• Timely</li> <li>• Actionable by providers</li> <li>• Includes clinical detail closest to the member</li> </ul>	<ul style="list-style-type: none"> <li>• Labor-intensive for providers</li> <li>• Not validated</li> <li>• Provider-specific</li> </ul>
<p>External Quality Review Organization (EQRO) Claims</p> 	<ul style="list-style-type: none"> <li>• Based on validated encounter data</li> <li>• Whole picture of a member's experience</li> <li>• Program and provider attribution</li> </ul>	<ul style="list-style-type: none"> <li>• Data lag</li> <li>• Claims-based with limited medical record detail</li> </ul>

# Framework for Assessing Goals

TEXAS  
Health and Human  
Services

## Review Data

- EQRO data from 2020 and 2021
- National Medicaid Scorecard
- DPP Year 1 Reporting
- National Core Indicators Survey

## Prioritize

- Behavioral Health Admissions & Readmissions
- Preventive Care & Disease Management
- Maternal Care
- Hospital-Acquired Acute Injury

## Explore Changes

- Measures
- Program Structure
- Evaluation Design

# Framework for Assessing Measure Value

TEXAS  
Health and Human  
Services

## Program

Focus on quality improvements that benefit populations served by Texas Medicaid

## Member

Demonstrate a connection to improvement in health outcomes or experience of care

## Provider

Alignment with provider priorities and capabilities

## The Public

Accuracy and transparency of reported data

TEXAS  
Health and Human  
Services

# How do DPP Quality requirements compare to DSRIP Quality?

DSRIP	DPPs
One-time approval of a multi-year program	Annual application and approval from CMS. Value-based programs can be submitted as a multi-year proposal.
Customize projects and measures based on a menu of activities.	All providers within a provider class must be held to the same requirements, including measures.
Interim evaluation of whole 1115 waiver, which includes Managed Care and UC. Final evaluation submitted after program conclusion.	Program specific annual evaluation.
One time application for program participants, with occasional updates	Annual application for program participants.
Independent assessor required by CMS, funded by IGT	At this time, no requirement from CMS for an independent assessor or auditing.
