# Getting Ready for Quality Reporting

DPP BHS

State Fiscal Year (SFY) 2024

---

Fiona Gilmore-Khan, Senior Policy Analyst

Noelle Gaughen, Director

TEXAS  
Health and Human  
Services

# Webinar Objectives

- ✓ Changes in program requirements, specifications, and resources
- ✓ Your role in meeting the quality goals and objectives of the program
- ✓ How to stay up to date and get help

## What's the same in SFY2024?

Reporting is required. No pay-for-performance

Two reporting rounds and a corrections round

HHSC reviews each reporting round

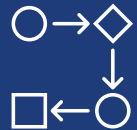

Program must advance quality goals

# What's new in SFY2024?

Measure changes

Some specifications changes

Evaluation targets

Measure Spotlight Series

# SFY2024 Expected Timeline

# DPP BHS Quality Goals in SFY2024

TEXAS  
Health and Human  
Services

Optimal health for Texans at every stage of life

Right care in the right place at the right time

Effective practices for people with chronic, complex,  
and serious conditions

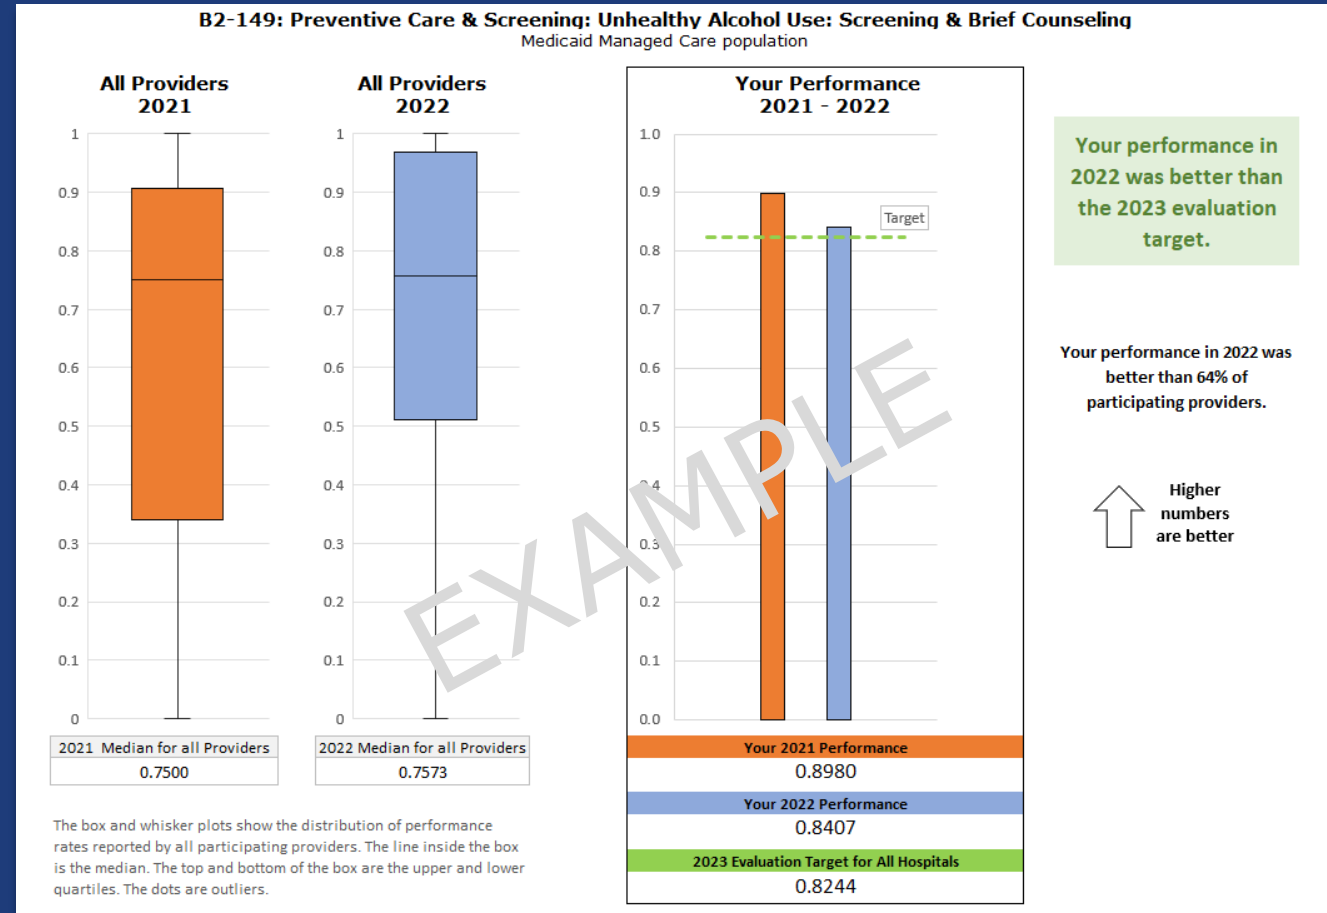

High-performing Medicaid providers to participate in  
team based, collaborative, and coordinated care

# Data Visualization File

- A tool to help you communicate about the DPP quality goals
- Shows your 2022 performance compared to other providers and the 2023 evaluation targets
- Includes measures that have an evaluation target
- Available now on the bulletin board

# Measure Comparison Component 1

		B2-149: Unhealthy Alcohol Use: Screening & Brief Counseling	Y	Y	No specs changes
		B2-150: Child and Adolescent Major Depressive Disorder (MDD): Suicide Risk Assessment	Y	Y	No specs changes
		B2-151: Adult Major Depressive Disorder (MDD): Suicide Risk Assessment	Y	Y	No specs changes
		B2-152: Follow-Up After Hospitalization for Mental Illness 7-Day (state hospital)	Y	Y	No specs changes
		B2-153: Follow-Up After Hospitalization for Mental Illness 30-Day (state hospital)	Y	Y	No specs changes
		B2-167: Depression Remission at Six Months	N	Y	New outcome measure
		B2-154: Preventive Care and Screening: Body Mass Index (BMI) Screening and Follow-Up	Y	N	Removed

# Depression Remission at Six Months

TEXAS  
Health and Human  
Services

- 1 New CCBHC measure replaces Depression Remission at 12 Months
- 2 Updated CCBHC specifications are not yet released
- 3 DPP BHS is using the Depression Remission at 12 months measure from SAMHSA with modified dates

→ HHSC will consider changes for SFY2024 after the SAMHSA specifications are available

# External Quality Review Organization Population Measures

TEXAS  
Health and Human  
Services

Quality  
Goal

Measure

Potentially Preventable Admissions

Potentially Preventable Emergency Department  
Visits
