To Texans interested in Texas HIV Medication issues:

The Texas Health and Human Services Commission is accepting applications for membership on the Texas HIV Medication Advisory Committee. The committee was formed to advise DSHS in the development of procedures and guidelines for the Texas HIV Medication Program. It also reviews the program's goals and aims, evaluates ongoing efforts, and recommends short-range and long-range goals and objectives for the Texas HIV Medication Program.

The HHS executive commissioner will appoint members to the committee to serve a term expiring Dec. 31, 2028 (unless otherwise indicated). Currently, HHSC is seeking representatives to be selected from the following categories:

- Consumers who are living with HIV
- Physicians who are actively engaged in the treatment of individuals who are living with HIV
- Pharmacists from a pharmacy that participates in the Texas HIV Medication program
- Public Health Administrator

A committee member must regularly take part in committee meetings and may also have to take part in subcommittee meetings, projects and presentations.

Committee meetings will be held in Austin about once every three months or at the call of the presiding officer. *To the extent permitted by the current state budget, a committee member who receives services from HHSC or is a family member of a client may be repaid for their travel expenses to and from meetings if money is available and in accordance with the HHSC Travel Policy. Other committee members aren't paid to attend or travel to and from committee meetings.*

If you would like to apply to serve on the committee, please complete and return the attached application by **Nov. 3**. HHSC prefers that you submit your application electronically, but you may submit the application by email, mail or fax at these addresses:

HHSC will notify applicants if they have been selected to serve as a member of the Texas HIV Medication Advisory Committee.

In selecting members to serve on the committee, HHSC considers the applicants' qualifications, background and interest in serving on the committee. HHSC tries to choose committee members who represent the diversity of all Texans. For that reason, HHSC considers applicants' ethnicity, gender and geographic location.
