Randy Rowley

Surrogate Decision-Making Training for Volunteers

Randy Rowley, Office of Guardianship Services

This session will cover the fundamental components of the Surrogate Decision-making Program (SDMP). Participants will learn how to conduct Surrogate Consent Committee (SCC) hearings and submit an application packet for a treatment decision, using SDMP forms. Session topics will include Capacity Assessments, the SCC Chairperson’s Checklist and Health Insurance Portability and Accountability Act (HIPAA) information.

Candace Jennings

Insight from the Ombudsman

Candace Jennings, Independent Ombudsman

In this session, the independent ombudsman for state supported living centers (SSLC) will explain the role of the office that was created by state legislature in 2009. Using data and anecdotes, Candace Jennings will explain the unique purpose of the office and how residents of the SSLCs are impacted. Participants will gain insight into the ombudsmen’s work and learn the skills necessary to navigate this nuanced role.

Nursing and social work continuing education credits may be available for some sessions. These will be announced separately upon complete review of all presentations.
