WHEREAS, CMS is an agency of the United States, Department of Health and Human Services, responsible for the administration of the Medicare, Medicaid, and State Children’s Health Insurance Programs under Title XVIII, Title XIX, Title XI, and Title XXI of the Social Security Act;

WHEREAS, HHSC is an agency responsible for operating a program of medical assistance under 42 U.S.C. § 1396 et seq. designed to pay for medical, behavioral health, and long-term services and supports (LTSS) for eligible beneficiaries. WHEREAS, the STAR+PLUS MMP is in the business of providing or arranged for health-related services, and CMS and HHSC desire to purchase such services from the STAR+PLUS MMP;

WHEREAS, the STAR+PLUS MMP agrees to furnish these services in accordance with the terms and conditions of this Contract and in compliance with all federal and State laws and regulations;

WHEREAS, the Parties originally executed this Contract on November 14, 2014 and subsequently amended the Contract on December 15, 2015, August 1, 2017, November 1, 2020 December 1, 2021, December 1, 2022, and December 1, 2023 respectively.

WHEREAS, the Parties now want to re-execute and restate the Contract, as amended, in its entirety.

The Parties therefore agree as follows:

Definition of Terms

As used in this Contract, the following terms and conditions have the meanings assigned below:

- 1.1. **Abuse** – Provider practices that are inconsistent with sound fiscal, business, or medical practices and result in an unnecessary cost to the Medicaid or Medicare Program, or in reimbursement for services that are not Medically Necessary or that fail to meet professionally recognized standards for health care. It also includes Enrollee practices that result in an unnecessary cost to the Medicaid or Medicare Program.
- 1.2. **Abuse, Neglect, or Exploitation (ANE)** – As each of these terms are defined in 40 Tex. Admin. Code Chapter 711 (for Adult Protective Services provider investigations).
- 1.3. **Adjusted Revenue** – All Revenue received by the STAR+PLUS MMP pursuant to this Contract, minus the Part D Component. See “Revenue: for more information.
- 1.4. **Administrative Expense Cap (Admin Cap)** – A calculated maximum amount of administrative expense dollars that can be deducted from Revenues for purposes of determining income subject to the Experience Rebate. While administrative expenses may be limited by the Admin Cap to determine Experience Rebates, all valid Allowable Expenses will continue to be reported on the Financial Statistical Reports (FSRs). Thus, the Admin Cap does not impact FSR reporting, but may impact any associated Experience Rebate calculation. Note that the Admin Cap under this Contract will be separate and apart from the Admin Cap calculated for contracts under other programs with HHSC. It will not be part of the “consolidated basis” of reporting utilized in other HHSC contracts.
- 1.5. **Adult Foster Care (AFC)** – Personal care services, homemaker, chore, and companion services, and medication oversight provided in a licensed (where applicable) private home by an adult foster care provider who lives in the home. Adult Foster Care services are furnished to adults who receive these services in conjunction with residing in the home.
- 1.6. **Advance Directive** – An individual’s written directive or instruction, such as a power of attorney for health care or a living will, for the provision of that individual’s health care if the individual is unable to make their health care wishes known.
- 1.7. **Adverse Benefit Determination** – (i) The denial or limited authorization of an Enrollee or Provider-requested service, including the type or level of service, requirements for medical necessity, appropriateness, setting, or effectiveness of a covered benefit; (ii) the reduction, suspension, or termination of a previously authorized service; (iii) the denial, in whole or in part, of payment for a service unless the payment is denied solely because the Claim does not meet the definition of a Clean Claim; (iv) the failure to provide services in a timely manner, as defined by the State; (v) the failure of the STAR+PLUS MMP to act within the required timeframes in the Contract; (vi) for a resident of a rural area with only one STAR+PLUS MMP, the denial of an Enrollee’s request to obtain services outside of the Network; or (vii) the denial of an Enrollee’s request to dispute a

financial liability, including cost sharing, copayments, premiums, deductibles, coinsurance, and other Enrollee financial liabilities.

1.8. Affiliate – Any individual or entity that meets any of the following criteria:

- 1.8.1. Any entity in which the STAR+PLUS MMP owns or holds more than a 5% interest (either directly, or through one or more intermediaries);

1.9. Allowable Expenses – All expenses related to the provision of Covered Services for Enrollees that are incurred during the State Fiscal year, are not reimbursable or recovered from another source, and that conform to requirements of HHSC's Cost Principles, as referenced in this Contract. However, specifically for the purposes of the Demonstration, certain HHSC-specified Flexible Benefits will also be allowable as expenses under this Contract. The determination of the allowability of expenses reported on the Financial Statistical Report (FSR) is subject to routine audit by HHSC or its agents.

1.10. Examples of Alternative Formats include Braille, large font, audio, video, and information read aloud to an Enrollee.

1.11. Appeal – An Enrollee's request for review of an Adverse Benefit Determination taken by a STAR+PLUS MMP related to items or services. In accordance with 42 C.F.R. § 438.400, a Medicaid-based Appeal is defined as a request for review of an Adverse Benefit Determination, as defined in this Section. An Appeal is an Enrollee's challenge to the Adverse Benefit Determination regarding services, benefits, and reimbursement provided by the STAR+PLUS MMP or its Providers.

1.12. Assisted Living Facility (ALF) – The meaning assigned under Section 247.002, Health and Safety Code.

1.13. Batch Processing – A billing technique that uses a single program loading to process many individual jobs, tasks, or requests for service. Specifically, in managed care, batch

- 1.19. **Capitation Payment** – The aggregate payment CMS and the State make periodically to a STAR+PLUS MMP on behalf of all of the Enrollees enrolled under this Contract for the provision of services within this Demonstration, regardless of whether specific Enrollees receive services during the period covered by the payment. Except as provided in this Contract, any and all costs incurred by the STAR+PLUS MMP in excess of a Capitation Payment shall be born in full by the STAR+PLUS MMP.
- 1.20. **Capitation Rate** – The amount per person per month (reflecting coverage of Medicare Parts A & B services, Medicare Part D services, and Medicaid services, pursuant to Appendix A of this Contract) including: i) the application of risk adjustment methodologies as described in Section 4.2.5; and ii) any payment adjustments as a result of the reconciliation described in Section 4.7.
- 1.21. **Care Management** – A collaborative process that assesses, plans, implements, coordinates, monitors, and evaluates the options and services (both Medicare and Medicaid) required to meet an Enrollee’s needs across the continuum of care. 2.2.2.4.4. In addition, key personnel are those with management responsibility or principal technical responsibility for the following functional areas for the STAR+PLUS MMP:

- 2.2.2.4.4.1. Member Services
- 2.2.2.4.4.2. Management Information Systems (also referred to as “System Contact”);
- 2.2.2.4.4.3. Claims Processing (also referred to as “MA Claims Processing Contact for Public Website”);
- 2.2.2.4.4.4. Provider Network Development and Management;
- 2.2.2.4.4.5. Benefit Administration and Utilization and Care Management (also referred to as “Utilization Management Contact”);

- 2.2.2.4.4.8. Financial Functions (also referred to as “Financial Reporting Contact”);
- 2.2.2.4.4.9. Reporting (also referred to as “MMP Reporting Requirements Contact”); and
- 2.2.2.4.4.10. Management positions for STAR+PLUS MMP Service Coordinators for STAR+PLUS MMP.

2.2.2.4.5. If the CMT is concerned that any of the key personnel are not performing the responsibilities, including but not limited to, those provided for in the person’s position, the CMT shall inform the STAR+PLUS MMP of this concern. The STAR+PLUS MMP shall investigate said concerns promptly, take any actions the STAR+PLUS MMP reasonably determines necessary to ensure full compliance with the terms of this Contract, and notify the CMT of such actions. If the STAR+PLUS MMP’s actions fail to ensure full compliance with the terms of this Contract, as determined by the CMT, the provisions in Sections 5.3.13, 5.3.14, 5.3.15, 5.3.16, and 5.3.17 may be invoked by the CMT.

2.3. Eligibility and Enrollment Responsibilities

2.3.1. Eligibility Determinations

2.3.1.1. CMS and HHSC shall have sole responsibility for determining the eligibility of an Enrollee for Medicare- and Medicaid- funded services. CMS

and HHSC or their designees shall have sole responsibility for determining Enrollment in the STAR+PLUS MMP's plan.

2.3.1.2. CMS and the State will utilize an independent third-party entity to facilitate all Enrollment into the STAR+PLUS MMPs.

2.3.1.3. All Enrollment and disenrollment transactions, including Enrollments from one STAR+PLUS MMP to a different STAR+PLUS MMP, will be processed through the Administrative Services Contractor except those transactions related to non-Demonstration plan participating in Medicare Advantage.

2.3.1.4. STAR+PLUS MMP Enrollments, including Enrollment from one STAR+PLUS MMP to a different STAR+PLUS MMP, and Opt-Outs shall become effective on the same day for both Medicare and Medicaid.

2.3.1.5. For those who lose Medicaid eligibility during the month, coverage and federal financial participation (FFP) will continue through the end of that month.

2.3.1.6. In addition to the groups listed in the MOU between Texas and CMS signed May 23, 2014, individuals with Third Party Health Insurance will be ineligible for Enrollment in a STAR+PLUS MMP.

2.3.2. General Enrollment

2.3.2.1. Subject to 42 C.F.R. §§ 423.100 and 423.153(f), beneficiary-initiated elections or opt-in Enrollments are effective the first day of the month following the month in which the beneficiary is eligible, or the first day of the month following the initial receipt of a beneficiary's request to enroll, as long as the request to enroll is received before the cutoff date, the 12th of the month.

2.3.2.2. Requests to opt-in, which includes Enrollment into a STAR+PLUS MMP or transfer from one STAR+PLUS MMP and into a different STAR+PLUS MMP, will be accepted through the 12th of the month for an effective date of coverage the first calendar day of the next month. Enrollment requests received after the 12th of the month will be effective the first calendar day of the second month following initial receipt of the request.

2.3.3. Passive Enrollment

2.3.3.1. HHSC may conduct Passive Enrollment during the term of the Contract to assign Eligible Beneficiaries who do not select a STAR+PLUS MMP, Opt-Out, or disenroll from the Demonstration.

2.3.3.2. Eligible Beneficiaries who have Third Party Health Insurance will not be passively enrolled in the Demonstration.

- 2.3.3.3. Eligible Beneficiaries identified as at risk or potentially at risk for abuse or overuse of specified prescription drugs per 42 C.F.R. §§ 423.100 and 423.153(f) will not be passively enrolled in the Demonstration.
- 2.3.3.4. Passive Enrollment is effective no sooner than sixty (60) calendar days after the beneficiary receives the Passive Enrollment notice informing them of assigned plan, the right to select a different STAR+PLUS MMP, and instructions how to Opt-Out of the Passive Enrollment until the last day of the month prior to the Enrollment effective date.
- 2.3.3.5. Dependent on each STAR+PLUS MMP's capacity, as determined by its ability to manage the opt-in Enrollments and prior month's Passive Enrollments, or HHSC's award of STAR+PLUS contracts in 2023, the State will passively enroll a number of beneficiaries into the STAR+PLUS MMP that takes into consideration the number of opt-in Enrollments and the Opt-Out rate for each STAR+PLUS MMP.
- 2.3.3.6. HHSC will apply an intelligent methodology to assign Eligible Beneficiaries to a STAR+PLUS MMP, which will include at a minimum:
 - 2.3.3.6.1. Previous managed care Enrollment, including current STAR+PLUS MCO or Medicare Advantage. Enrollees may be passively enrolled from their current STAR+PLUS MCO or Medicare Advantage plan to the same organization's STAR+PLUS MMP;
 - 2.3.3.6.2. Existing and historic Provider relationships;
 - 2.3.3.6.3. CMS and HHSC may stop Passive Enrollment to a STAR+PLUS MMP if the STAR+PLUS MMP does not meet reporting requirements necessary to maintain Passive Enrollment as set forth by CMS and HHSC.
- 2.3.3.7. Enrollment Transactions
 - 2.3.3.7.1. Enrollments and disenrollments will be processed through HHSC or its Administrative Services Contractor consistent with the Enrollment effective date requirements set forth in the Medicare-Medicaid Plan Enrollment and Disenrollment Guidance. HHSC or its Administrative Services Contractor will then submit Passive Enrollment transactions sixty (60) calendar days in advance of the effective date, to the CMS Medicare Advantage Prescription Drug (MARx) Enrollment system directly or via a third-party CMS designates to receive such transactions, and HHSC or its Administrative Services Contractor will receive notification on the next Daily Transaction Reply Report. The STAR+PLUS MMP will then receive Enrollment transactions from HHSC or its Administrative Services Contractor. The STAR+PLUS MMP will also use the third-party CMS designates to submit additional

Enrollment-related information to MARx, and receive files from CMS on a daily basis.

2.3.3.7.2. The STAR+PLUS MMP must have a mechanism for receiving timely information about all Enrollments in the STAR+PLUS MMP, including the effective Enrollment date, from CMS and HHSC systems on a daily basis.

2.3.3.7.3. The STAR+PLUS MMP shall accept for Enrollment all Eligible Beneficiaries, as described in Section 3.2.1.2. The STAR+PLUS MMP shall accept for Enrollment all Eligible Beneficiaries identified by CMS and HHSC at any time without regard to income status, physical or mental condition, age, gender, sexual orientation, religion, creed, race, color, physical or mental disability, national origin, ancestry, pre-existing conditions, expected health status, or need for health care services.

2.3.3.7.4. Upon instruction by HHSC and CMS, the Administrative Services Contractor may not enroll new Enrollees:

2.3.3.7.4.1. Within six (6) months before the end date of the Demonstration, unless the Demonstration is renewed or extended; or

2.3.3.7.4.2. Within the timeframe specified by HHSC and CMS when a STAR+PLUS MMP ends due to the STAR+PLUS procurement.

2.3.3.7.5. HHSC and CMS will monitor Enrollments, including Passive Enrollments, and disenrollments to and from all STAR+PLUS MMPs and may make adjustments to the volume and spacing of Passive Enrollment phases based on the capacity of the STAR+PLUS MMP, and of STAR+PLUS MMPs in aggregate, to accept projected Passive Enrollments. Adjustments to the volume of Passive Enrollment based on the capacity of the STAR+PLUS MMP will be subject to any capacity determinations, including but not limited to, those documented in the CMS and HHSC final Readiness Review report and ongoing monitoring by CMS and HHSC.

2.3.3.7.6. The STAR+PLUS MMP must cover continuation of services to Enrollees for the duration of period for which payment has been made, as well as for inpatient admissions up until Discharge.

2.3.4. Enrollment Notices

2.3.4.1. The State will provide Eligible Beneficiaries with notice of the option to select a STAR+PLUS MMP at least sixty (60) days prior to the effective date of Passive Enrollment and will accept Opt-Out requests through the last day of the month prior to the effective date of Enrollment and at any time during the Demonstration period on a monthly basis. The notice will:

- 2.3.4.1.1. Explain the Enrollee's options, including the option to Opt-Out of or disenroll from the Demonstration;
- 2.3.4.1.2. Include the name of the STAR+PLUS MMP in which the Eligible Beneficiary will be enrolled unless they select another STAR+PLUS MMP or choose to Opt-Out of the Demonstration; and
- 2.3.4.1.3. Include a list of Flexible Benefits and Rewards and Incentives offered by each STAR+PLUS MMP.
- 2.3.4.2. No later than thirty (30) days prior to the Enrollment effective dates, the State will provide a second notice to Eligible Beneficiaries who have not made an active choice to either select a STAR+PLUS MMP or Opt-Out of the Demonstration. In addition to the requirements in Section 2.3.4.1, the notice will:
 - 2.3.4.2.1. Include the name of the STAR+PLUS MMP in which the Eligible Beneficiary will be enrolled unless they select another STAR+PLUS MMP or choose to Opt-Out of the Demonstration.
 - 2.3.4.3. The State will proceed with Passive Enrollment into the identified STAR+PLUS MMP for Eligible Beneficiaries who do not make a different choice, with an effective date of the first day of the referenced month.
- 2.3.5. Disenrollment
 - 2.3.5.1. **Voluntary Disenrollment:** The STAR+PLUS MMP shall have a mechanism for receiving timely information about all disenrollments from the STAR+PLUS MMP, including the effective date of disenrollment, from CMS and HHSC or its Administrative Services Contractor. All disenrollment-related transactions will be performed by HHSC or the Administrative Services Contractor consistent with the Enrollment effective date requirements set forth in the Medicare-Medicaid Enrollment and Disenrollment Guidance. Subject to 42 C.F.R. §§ 423.100 and 423.153(f), Enrollees can elect to disenroll from the STAR+PLUS MMP or the Demonstration at any time and enroll in another STAR+PLUS MMP, a STAR+PLUS MCO, a Medicare Advantage plan, PACE; or may elect to receive services through Medicare fee-for-service (FFS) and a prescription drug plan and to receive Medicaid services in accordance with the Texas State Plan and any waiver programs (if eligible). CMS will alert HHSC and the STAR+PLUS MMP of individuals identified as at risk or potentially at risk for abuse or overuse of specified prescription drugs that may not be disenrolled. Disenrollments received by HHSC or its Administrative Services Contractor, or by CMS or its contractor, either orally or in writing, by the last calendar day of the month will be effective on the first calendar day of the following month.

- 2.3.5.1.1. The STAR+PLUS MMP may not request disenrollment on behalf of an Enrollee, except as outlined in Section 40.3 of the Medicare-Medicaid Plan Enrollment and Disenrollment Guidance.
- 2.3.5.1.2. The STAR+PLUS MMP shall be responsible for ceasing the provision Covered Services to an Enrollee upon the effective date of disenrollment.
- 2.3.5.2. Requests to disenroll from a STAR+PLUS MMP or Opt-Out of the Demonstration will be accepted at any point after an individual's initial Enrollment occurs and are effective on the first day of the month following receipt of request.
- 2.3.5.3. Any time an individual request to Opt-Out of Passive Enrollment or disenroll from the Demonstration, the State or the Administrative Services Contractor will send a letter confirming the Opt-Out and disenrollment effective date in addition to providing information on the Medicaid benefits available to the beneficiary once they have opted out or disenrolled, and contact information to receive more information about Medicare benefits.
- 2.3.5.4. The STAR+PLUS MMP shall not interfere with the Enrollee's right to disenroll through threat, intimidation, pressure, or otherwise.
- 2.3.5.5. The STAR+PLUS MMP shall not request the disenrollment of any Enrollee due to an adverse change in the Enrollee's health status or because of the Enrollee's utilization of treatment plan, medical services, diminished mental capacity, or uncooperative or disruptive behavior resulting from their special needs. The STAR+PLUS MMP, however, may submit a written request, accompanied by supporting documentation to the Contract Management Team (CMT) for their review to disenroll an Enrollee, for cause, for the following reason:
 - 2.3.5.5.1. The Enrollee's continued Enrollment seriously impairs the STAR+PLUS MMP's ability to furnish services to either this Enrollee or other Enrollees, provided the Enrollee's behavior is determined to be unrelated to an adverse change in the Enrollee's health status, or because of the Enrollee's utilization of medical services, diminished mental capacity, or uncooperative or disruptive behavior resulting from their special needs.
- 2.3.5.6. **Required Involuntary Disenrollments.** Texas and CMS shall terminate an Enrollee's Enrollment in the STAR+PLUS MMP upon the occurrence of any of the conditions enumerated in Section 40.2 of the most current Medicare-Medicaid Plan Enrollment and Disenrollment Guidance or upon the occurrence of any of the conditions described in this Section. Except for the CMT's role in reviewing documentation related to an Enrollee's residence outside the Service

Area or alleged material misrepresentation of information regarding third-party reimbursement coverage, as described in this Section, the CMT shall not be responsible for processing disenrollments under this Section. Further, nothing in this Section alters the obligations of the Parties for administering disenrollment transactions described elsewhere in this Contract.

- 2.3.5.6.1. If the STAR+PLUS MMP becomes aware of any conditions enumerated in Section 40.2 of the most current Medicare-Medicaid Plan Enrollment and Disenrollment Guidance or upon the occurrence of any of the conditions described in this Section that would prompt termination of coverage, the STAR+PLUS MMP shall notify the HHSC Administrative Services Contractor of any individual who is no longer eligible to remain enrolled in the Demonstration per CMS Medicare-Medicaid Plan Enrollment and Disenrollment Guidance, in order for them to disenroll the Enrollee.
- 2.3.5.6.2. The STAR+PLUS MMP shall notify HHSC when an Enrollee has private or Third Party Health Insurance coverage with the STAR+PLUS MMP or any other carrier:
 - 2.3.5.6.2.1. Within fifteen (15) Business Days when an Enrollee is verified as having Third Party Health Insurance with the STAR+PLUS MMP, as defined herein.
 - 2.3.5.6.2.2. Within fifteen (15) Business Days of the date when the STAR+PLUS MMP becomes aware that an Enrollee has any health care insurance coverage with any other insurance carrier. The STAR+PLUS MMP is not responsible for the determination of Third-Party Health Insurance.
- 2.3.5.6.3. Any Enrollee with Third Party Health Insurance will be disenrolled from the STAR+PLUS MMP.
- 2.3.5.6.4. The Enrollment of any Enrollee under this Contract shall be terminated if the Enrollee becomes ineligible for Enrollment due to a change in eligibility status. When an Enrollee's Enrollment is terminated for eligibility, the termination shall be effective:
 - 2.3.5.6.4.1. The first day of the month following the month in which the eligibility is lost or person determined to be out of the Service Area.
- 2.3.5.6.5. Upon the Enrollee's death. Termination of coverage shall take effect at 11:59 p.m. on the last day of the month in which the Enrollee dies. Termination may be retroactive to this date.

- 2.3.5.6.6. When an Enrollee remains out of the Service Area or for whom residence in the Service Area cannot be confirmed for more than six (6) consecutive months.
- 2.3.5.6.7. When CMS or HHSC is made aware that an Enrollee is incarcerated in a county jail, Texas Department of Corrections facility, or Federal penal institution. Termination of coverage shall take effect at 11:59 p.m. on the last day of the month during which the Enrollee was incarcerated.
- 2.3.5.6.8. The termination or expiration of this Contract terminates coverage for all Enrollees with the STAR+PLUS MMPs. Termination will take effect at 11:59 p.m. on the last day of the month in which this Contract terminates or expires, unless otherwise agreed to, in writing, by the Parties.
- 2.3.5.6.9. When the CMT approves a request based on information sent from any Party to the Demonstration showing that an Enrollee has materially misrepresented information regarding third-party reimbursement coverage according to Section 40.2.6 of the Medicare-Medicaid Plan Enrollment and Disenrollment Guidance.
- 2.3.5.6.10. If an Enrollee is to be disenrolled at the request of the STAR+PLUS MMP under the provisions of this Section, the STAR+PLUS MMP must first provide documentation satisfactory to the CMT that the Enrollee meets one of the disenrollment criteria outlined in the MOU or Section 2.3.5.7. Termination of coverage shall take effect at 11:59 p.m. on the last day of the month prior to the month in which the CMT determines that the Enrollee no longer resides in the Service Area. Termination may be retroactive if requested by the Enrollee and if HHSC and CMS are able to determine the month in which the Enrollee moved from the Service Area.
- 2.3.5.7. **Discretionary Involuntary Disenrollment:** 42 C.F.R. § 422.74 and Sections 40.3 and 40.4 of the Medicare-Medicaid Plan Enrollment and Disenrollment Guidance provide instructions to STAR+PLUS MMPs on discretionary involuntary disenrollment. This Contract and other guidance provide procedural and substantive requirements the STAR+PLUS MMP, HHSC, and CMS must follow prior to involuntarily disenrolling an Enrollee. If all of the procedural requirements are met, HHSC and CMS will decide whether to approve or deny each request for involuntary disenrollment based on an assessment of whether the particular facts associated with each request satisfy the substantive evidentiary requirements.
- 2.3.5.7.1. Bases for Discretionary Involuntary Disenrollment

- 2.3.5.7.1.1. Disruptive Conduct: When the Enrollee engages in conduct or behavior that seriously impairs the STAR+PLUS MMP's ability to furnish Covered Items and Services to either this Enrollee or other Enrollees and provided the STAR+PLUS MMP made and documented reasonable efforts to resolve the problems presented by the Enrollee.
- 2.3.5.7.1.2. Procedural requirements:
- 2.3.5.7.1.2.1. The STAR+PLUS MMP's request must be in writing and include all of the supporting documentation outlined in the evidentiary requirements.
- 2.3.5.7.1.2.2. The process requires three (3) written notices. The STAR+PLUS MMP must include in the request submitted to HHSC and CMS evidence that the first two (2) have already been sent to the Enrollee. The notices are:
- 2.3.5.7.1.2.2.1. Advance notice to inform the Enrollee that the consequences of continued disruptive behavior will be disenrollment. The advance notice must include a clear and thorough explanation of the disruptive conduct and its impact on the STAR+PLUS MMP's ability to provide services, examples of the types of reasonable accommodations the STAR+PLUS MMP has already offered, the STAR+PLUS MMP Grievance procedures, and an explanation of the availability of other accommodations. If the disruptive behavior ceases after the Enrollee receives notice and then later resumes, the STAR+PLUS MMP must begin the process again. This includes sending another advance notice.
- 2.3.5.7.1.2.2.2. Notice of intent to request the State and CMS' permission to disenroll the Enrollee; and
- 2.3.5.7.1.2.2.3. A planned action notice advising that CMS and the State have approved the STAR+PLUS MMP's request. This notice is not a procedural prerequisite for approval and should not be sent under any circumstances prior to the receipt of express written approval and a disenrollment transaction from CMS and HHSC.
- 2.3.5.7.1.2.3. The STAR+PLUS MMP must provide information about the Enrollee, including age, diagnosis, mental status, functional status, a description of their social support systems, and any other relevant information;

- 2.3.5.7.1.2.4. The submission must include statements from Providers describing their experiences with the Enrollee (or refusal in writing, to provide such statements); and
- 2.3.5.7.1.2.5. Any information provided by the Enrollee. The Enrollee can provide any information they wish.
- 2.3.5.7.1.2.6. If the STAR+PLUS MMP is requesting the ability to decline future Enrollments for this individual, the STAR+PLUS MMP must include this request explicitly in the submission.
- 2.3.5.7.1.2.7. Prior to approval, the complete request must be reviewed by HHSC and CMS including representatives from the Center for Medicare and must include staff with appropriate clinical or medical expertise.
- 2.3.5.7.2. Evidentiary standards: At a minimum, the supporting documentation must demonstrate the following to the satisfaction of both HHSC and CMS staff with appropriate clinical or medical expertise:
 - 2.3.5.7.2.1. The Enrollee is presently engaging in a pattern of disruptive conduct that is seriously impairing the STAR+PLUS MMP's ability to furnish Covered Items and Services to the Enrollee and/or other Enrollees.
 - 2.3.5.7.2.2. The STAR+PLUS MMP took reasonable efforts to address the disruptive conduct including at a minimum:
 - 2.3.5.7.2.2.1. A documented effort to understand and address the Enrollee's underlying interests and needs reflected in their disruptive conduct and provide reasonable accommodations as defined by the Americans with Disabilities Act including those for individuals with mental and/or cognitive conditions. An accommodation is reasonable if it is efficacious in providing equal access to services and proportional to costs. HHSC and CMS will determine whether the reasonable accommodations offered are sufficient.
 - 2.3.5.7.2.2.2. A documented provision of information to the Enrollee of their right to use the STAR+PLUS MMP Grievance procedures.
 - 2.3.5.7.2.3. The STAR+PLUS MMP provided the Enrollee with a reasonable opportunity to cure their disruptive conduct.

- 2.3.5.7.2.4. The STAR+PLUS MMP must provide evidence that the Enrollee's behavior is not related to the use, or lack of use, of medical services.
- 2.3.5.7.2.5. The STAR+PLUS MMP may also provide evidence of other extenuating circumstances that demonstrate the Enrollee's disruptive conduct.
- 2.3.5.7.3. Limitations: The STAR+PLUS MMP shall not seek to terminate Enrollment because of any of the following:
 - 2.3.5.7.3.1. The Enrollee's uncooperative or disruptive behavior resulting from such Enrollee's special needs unless treating Providers explicitly document their belief that there are no reasonable accommodations the STAR+PLUS MMP could provide that would address the disruptive conduct.
 - 2.3.5.7.3.2. The Enrollee exercises the option to make treatment decisions with which the STAR+PLUS MMP or any health care professionals associated with the STAR+PLUS MMP disagree, including the option of declining treatment and/or diagnostic testing.
 - 2.3.5.7.3.3. An adverse change in an Enrollee's health status or because of the Enrollee's utilization of Covered Items and Services.
 - 2.3.5.7.3.4. The Enrollee's mental capacity is, has, or may become diminished.
- 2.3.5.7.4. Fraud or Abuse: When the Enrollee provides fraudulent information on an Enrollment form or the Enrollee willfully misuses or permits another person to misuse the Enrollee's ID card.
 - 2.3.5.7.4.1. The STAR+PLUS MMP may submit a request that an Enrollee be involuntarily disenrolled if an Enrollee knowingly provides, on the election form, fraudulent information that materially affects the individual's eligibility to enroll in the STAR+PLUS MMP's plan; or if the Enrollee intentionally permits others to use their Enrollment card to obtain services under the STAR+PLUS MMP's plan.
 - 2.3.5.7.4.2. Prior to submission, the STAR+PLUS MMP must have and provide to CMS/HHSC credible evidence substantiating the allegation that the Enrollee knowingly provided fraudulent information or intentionally permitted others to use their card.
 - 2.3.5.7.4.3. The STAR+PLUS MMP must immediately notify the CMT so that the Enrollment broker and the HHS Office of the Inspector

General may initiate an investigation of the alleged Fraud and/or Abuse.

2.3.5.7.4.4. The STAR+PLUS MMP must provide notice to the Enrollee prior to submission of the request outlining the intent to request disenrollment with an explanation of the basis of the STAR+PLUS MMP's decision and information on the Enrollee's access to Grievance procedures and a Fair Hearing.

2.3.6. Initial Enrollee Contact

2.3.6.1. Within thirty (30) days of Enrollment, the STAR+PLUS MMP shall assist the Enrollee in choosing a Network PCP when the Enrollee's current PCP is not in Network and refuses to become a Network Provider or enter into a single-case Out-of-Network agreement where applicable (see Section 2.6.5.4.4).

2.3.6.1.1. The Enrollee must choose a new PCP by the end of the ninety (90)-day Continuity of Care period or after the Integrated Plan of Care is developed. If the Enrollee has not chosen an in-Network PCP by that time, the STAR+PLUS MMP shall choose one for the Enrollee.

2.3.6.2. The STAR+PLUS MMP shall make available to the family of Enrollees, caregivers, and LARs, as appropriate, any Enrollment materials upon request and with consent of the Enrollee.

2.3.6.3. The STAR+PLUS MMP shall provide non-written information in a format such as telephone calls, home visits, video screenings, or group presentations to Enrollees for whom written materials are not appropriate.

2.3.6.4. The STAR+PLUS MMP must notify its Enrollees:

2.3.6.4.1. That translations of written information are available in Prevalent Languages free of charge, as provided for in the Marketing Guidance for Texas Medicare-Medicaid Plans;

2.3.6.4.2. That oral interpretation services are available free of charge for any language spoken by Enrollees and Eligible Beneficiaries;

2.3.6.4.3. How Enrollees can access oral interpretation services;

2.3.6.4.4. How Enrollees can access non-written materials described in Section 2.3.6.3; and

2.3.6.5. The STAR+PLUS MMP shall ensure that all Member Materials, such as the member handbook, are comprehensive yet written to comply with readability requirements. For the purposes of this Contract, no program information document shall be used unless it is at or below an average 6th grade reading level. The document set forth the Flesch score and certify

compliance with this standard. These requirements shall not apply to language that is mandated by federal or State laws, regulations or agencies. Additionally, the STAR+PLUS MMP shall ensure that written Member Materials are available in Alternative Formats and in an appropriate manner that takes into consideration the special needs of those who, for example, are visually limited, consistent with 42 C.F.R. § 438.10(d).

- 2.3.6.6. The STAR+PLUS MMP must make available handbooks in languages other than English when five (5) percent of the STAR+PLUS MMP's enrolled population is non-English speaking and speaks a common language. The populations will be assessed by Demonstration Service Areas and will only affect handbooks distributed in the affected Service Area.

2.4. Covered Services

2.4.1. General

- 2.4.1.1. The STAR+PLUS MMP must authorize, approve, arrange, and coordinate the provision of all Covered Services for its Enrollees. (See Covered Services in Appendix A and J.2.) Covered Services must be available to all Enrollees, as authorized by the STAR+PLUS MMP and as determined medically necessary pursuant to Appendix A, A.1. Covered Services will be managed and coordinated by the STAR+PLUS MMP through the Service Coordination Team (see Section 2.5.2). STAR+PLUS MMP must also provide functionally necessary Covered Services to all Enrollees beginning on the Enrollee's date of Enrollment. The STAR+PLUS MMP must not impose any pre-existing condition limitations or exclusions or require evidence of insurability to provide coverage to any Enrollee.

- 2.4.1.1.1. The STAR+PLUS MMP must provide full coverage for Medically Necessary Covered Services to all Enrollees and, for STAR+PLUS Enrollees, functionally necessary Covered Services, without regard to the Enrollee's:

- 2.4.1.1.1.1. Previous coverage, if any, or the reason for termination of such coverage;

- 2.4.1.1.1.2. Health status;

- 2.4.1.1.1.3. Confinement in a health care facility, except for NEMT Services which may not be provided to an Enrollee confined in a health care facility; and

- 2.4.1.1.1.4. Any other reason.

- 2.4.1.1.2. The STAR+PLUS MMP must not practice discriminatory selection, or encourage segregation among the total group of eligible

Enrollees by excluding, seeking to exclude, or otherwise discriminating against any group or class of individuals.

- 2.4.1.1.3. The STAR+PLUS MMP must have a process in place to monitor an Enrollee's Claims history for acute and long-term care services that receive a prior authorization to ensure that these services are being delivered. On an ongoing basis, the STAR+PLUS MMP must monitor Claims data for all approved prior authorizations for delivery of the services. The STAR+PLUS MMP must research and resolve any services not received as evidenced by lack of Claims data.
- 2.4.1.2. Flexible Benefits – The STAR+PLUS MMP will have discretion to use the capitated payment to offer Flexible Benefits, as specified in the Enrollee's Integrated Plan of Care, as appropriate to address the Enrollee's needs. The STAR+PLUS MMP must offer Flexible Benefits to all Enrollees in a Service Area as appropriate. Flexible Benefits are health-related services as approved by CMS and HHSC on an annual basis and shall be listed on the HHSC and on the STAR+PLUS MMP's websites. Any Flexible Benefit that a STAR+PLUS MMP elects to provide must be provided at no additional cost to CMS or HHSC or the Enrollee. In addition, the STAR+PLUS MMP must not pass on the cost of the Flexible Benefit to Enrollees or Providers. The STAR+PLUS MMP may offer discounts on on-covered benefits to Enrollees, provided that the STAR+PLUS MMP complies with Texas Insurance Code § 1451.155 and § 1451.2065. The STAR+PLUS MMP must ensure that Providers do not charge Enrollees for any other Cost Sharing for Flexible Benefits (including copayments or deductibles).
- 2.4.1.3. Under the Demonstration, skilled nursing level of care may be provided in a long-term care facility without a preceding Acute Care inpatient stay for Enrollees, when the provision of this level of care is clinically appropriate and can avert the need for an inpatient stay.
- 2.4.1.4. The STAR+PLUS MMP must provide the full range of Covered Services. STAR+PLUS MMPs are responsible for providing all services and benefits available to beneficiaries of the Medicaid or Medicare fee-for-service programs to the STAR+PLUS MMP's Enrollees, with the exception of Non-Capitated Services (Section 2.4.2). If either Medicare or Texas Medicaid provides more expansive services than the other program does for a particular condition, type of illness, or diagnosis, the STAR+PLUS MMP must provide the most expansive set of services required by either program. The STAR+PLUS MMP may not limit or deny services to Enrollees based on Medicare or Texas Medicaid providing a more limited range of services than the other program. In addition to all Medicare Parts A, B, and D, and Medicaid State Plan services, the STAR+PLUS MMPs will be required to provide services as defined in the approved THTQIP section 1115(a)

demonstration. STAR+PLUS MMPs must also provide services and benefits that would otherwise be covered by Texas Medicaid, or when the Texas Medicaid benefit is more expansive than the Medicare benefit, according to the limits described in the most recent Texas Medicaid Provider Procedures Manual and any updates to the Manual. Covered Services are subject to change due to changes in federal and State law; changes in Medicare or Medicaid program policy; and changes in medical practice, clinical protocols, or technology.

2.4.1.5. The STAR+PLUS MMP must also provide Medically Necessary Services that are available to those in the HCBS STAR+PLUS Waiver.

2.4.1.5.1. The Enrollee must meet the MN/LOC criteria and the cost of the services in the ISP cannot exceed 202% of cost of providing the same services in a Nursing Facility.

2.4.1.5.2. The STAR+PLUS MMP must be able to demonstrate that the Enrollee has a minimum of one unmet need for at least one STAR+PLUS HCBS waiver service before the services in the ISP may be authorized by the State.

2.4.1.6. On a case-by-case basis, a STAR+PLUS MMP may offer additional benefits that are outside the scope of services to individual Enrollees in accordance with 42 C.F.R. § 438.3(e)(1). Case-by-case services may be based on medical necessity, functional necessity, cost-effectiveness, the preferences and goals of the Enrollee or the Enrollee's family, and the potential for improving the Enrollee's health status. The STAR+PLUS MMP must maintain documentation of each authorized case-by-case service provided to each Enrollee. At a minimum, this documentation must include the reason for providing the service. These services and benefits cannot increase the cost borne or Capitation Rates paid during any current Contract term or in any subsequent Contract term and cannot violate any other State or federal rule or regulation.

2.4.2. Excluded Services

2.4.2.1. Although the STAR+PLUS MMP is not responsible for paying or reimbursing for Non-Capitated Services, the STAR+PLUS MMP is responsible for educating Enrollees about the availability of Non-Capitated Services, and for providing appropriate referrals for Enrollees to obtain or access these services. The STAR+PLUS MMP may offer discounts on non-covered benefits to Enrollees, provided that the STAR+PLUS MMP complies with Texas Insurance Code § 1451.155 and § 1451.2065.

- 2.4.2.2. The STAR+PLUS MMP is responsible for informing Providers that bills for all Non-Capitated Services must be submitted to HHSC's Claims administrator or other appropriate entity for reimbursement.
- 2.4.2.3. Consistent with Appendix A, A.5, the following services have been excluded from STAR+PLUS MMP Covered Services. Enrollees are eligible to receive these Non-Capitated Services as described below:

 - 2.4.3.1. Mental Health Rehabilitative Services and Mental Health Targeted Case Management Services.
 - 2.4.3.1.1. For Enrollees with Severe and Persistent Mental Illness (SPMI) and severe emotional disturbance (SED), Mental Health Rehabilitative Services and Mental Health Targeted Case Management must be available to eligible Enrollees. The STAR+PLUS MMP must maintain a qualified Network of entities, such as Local Mental Health Authorities (LMHAs) and multi-specialty groups, that employ providers of these services.
 - 2.4.3.1.2. Mental Health Rehabilitative Services include training and services that help the Enrollee maintain independence in the home and community, such as the following:
 - 2.4.3.1.2.1. Medication training and support – Curriculum-based training and guidance that serves as an initial orientation for the Enrollee in understanding the nature of their mental illnesses or emotional disturbances and the role of medications in ensuring symptom reduction and the increased tenure in the community.
 - 2.4.3.1.2.2. Psychosocial rehabilitative services – social, educational, vocational, behavioral, or cognitive interventions to improve the Enrollee's potential for social relationships, occupational or educational achievement, and living skills development.

Skills training and development – skills training or supportive interventions that focus on the improvement of communication skills, appropriate interpersonal behaviors, and other skills necessary for independent living or, when age appropriate, functioning effectively with family, peers, and teachers.

2.4.3.1.2.4. Crisis intervention – intensive community-based one-to-one service provided to Enrollees who require services in order to control acute symptoms that place the Enrollee at immediate risk of hospitalization, incarceration, or placement in a more restrictive treatment setting.

2.4.3.1.2.5. Day program for acute needs – short-term, intensive, site-based treatment in a group modality to an individual who requires multidisciplinary treatment in order to stabilize acute psychiatric symptoms or prevent admission to a more restrictive setting or reduce the amount of time spent in the more restrictive setting.

2.4.3.1.3. The STAR+PLUS MMP must provide Mental Health Rehabilitative Services and Mental Health Targeted Case Management in accordance with UCM Chapter 15, including the use of the DSHS Resiliency and Recovery Utilization Management Guidelines (RRUMG). The STAR+PLUS MMP must also ensure that a Provider review an Enrollee's Integrated Plan of Care for Mental Health Rehabilitative Services in accordance with the RRUMG to determine whether a change in the Enrollee's condition or needs warrants a reassessment or change in service. If the Enrollee's condition warrants a change in service, the Provider must submit a new Integrated Plan of Care to the STAR+PLUS MMP for authorization. Additionally, the STAR+PLUS MMP must ensure that Providers of Mental Health Rehabilitative Services and Mental Health Targeted Case Management use, and are trained and certified to use, the Adult Needs and Strengths Assessment (ANSA) tools for assessing an Enrollee's needs.

2.4.3.1.4. The STAR+PLUS MMP must contact the Enrollee no later than four weeks following the ISP start date, either face-to-face or telephonically, to determine whether medically and functionally necessary services identified are in place and maintain documentation of the contact and result.

2.4.3.2. Community First Choice (CFC)

2.4.3.2.1. CFC provides Community-based LTSS to eligible Enrollees who are elderly and to individuals with physical or cognitive disabilities as an alternative to living in an institution. To be eligible for CFC services, an Enrollee must meet income and resource requirements for Medicaid under the State plan and receive a determination from HHSC that the Enrollee meets LOC requirements for Nursing Facility care, an intermediate care facility, or an institution for mental diseases. The STAR+PLUS MMP Enrollees who meet these eligibility requirements the array of services allowable under CFC.

2.4.3.2.2. Community First Choice Eligibility

2.4.3.2.2.1. Recipients of CFC services must meet level of care criteria for participation and must have an Integrated Plan of Care at initial determination of eligibility. Enrollees needing services provided through CFC must be tested for eligibility before those services are provided through other STAR+PLUS MMP Community-based LTSS.

2.4.3.2.3. For Enrollees Who Are Elderly or have Physical Disabilities

2.4.3.2.3.1. To be eligible for the CFC services, the Enrollee must be eligible for Medicaid, with the exception of Enrollees who receive Medicaid as a result of being a HCBS STAR+PLUS waiver recipient under the 217-Like Group provision, and meet MN/LOC.

2.4.3.2.3.2. The STAR+PLUS MMP must complete the Community Medical Necessity and Level of Care Assessment Instrument for MN/LOC determination, and submit the form to HHSC's Administrative Services Contractor. The STAR+PLUS MMP is also responsible for completing the assessment documentation, and preparing a service plan identifying the needed CFC services, as well as any additional services the Enrollee may benefit from, including the HCBS STAR+PLUS waiver. The STAR+PLUS MMP must complete these activities within the timeframe specified by HHSC in the STAR+PLUS Handbook.

The STAR+PLUS MMP is also responsible for preparing a functional assessment and a service plan identifying the needed CFC services, as well as any additional services the Enrollee may benefit from, including the HCBS STAR+PLUS waiver. The STAR+PLUS MMP must complete these activities within the timeframe specified by HHSC in the STAR+PLUS Handbook.

2.4.3.2.6. CFC Eligibility

2.4.3.2.6.1. The STAR+PLUS MMP will notify the Enrollee of the eligibility determination, which will be based on results of the assessments. If the Enrollee is eligible for CFC services, the STAR+PLUS MMP will notify the Enrollee of the effective date of eligibility. If the Enrollee is not eligible for CFC services, the STAR+PLUS MMP or the Department of Aging and Disability Services (DADS) will provide the Enrollee information on the right to Appeal the determination, including access to HHSC's Fair Hearing process. The STAR+PLUS MMP and DADS is responsible for preparing any requested documentation regarding its assessments and service plans and attending the Fair Hearing, if applicable.

2.4.3.2.6.1.1. The STAR+PLUS MMP is responsible for tracking the renewal dates to ensure all Enrollee reassessment activities are completed. Before the end date of the annual Community Medical Necessary and Level of Care Assessment; before the end of the 12th month after the previous assessment was completed for Enrollees with intellectual or developmental disabilities; or Enrollees with SPMI or severe emotional disturbance, the STAR+PLUS MMP must imitate an annual reassessment to determine and validate continued eligibility for CFC serviced for each Enrollee receiving these services. As part of the assessment, the STAR+PLUS MMP must inform the Enrollee about Consumer Directed Services options. The STAR+PLUS MMP will be expected to complete the same activities for each annual reassessment as required for the initial eligibility determination.

2.6. Enrollee Stratification, Assessments, and Integrated Plans of Care

2.6.1. Risk Stratification

- 2.6.1.1. The STAR+PLUS MMP will develop and implement a risk stratification process that uses a combination of predictive-modeling software, assessment tools, referrals, administrative Claims data, and other sources of information as appropriate that will consider Enrollees' physical and behavioral health, substance use, and LTSS needs and specifically, any Special Health Care Needs of the Enrollees.

- 2.6.1.2. The STAR+PLUS MMP will stratify Enrollees in two (2) risk levels, with level 1 the highest risk and level 2 moderate and lower risk Enrollees.

- 2.6.1.2.1. These levels of stratification should be based on:

- 2.6.1.2.1.1. Level 1 Enrollees: Highest level of risk/utilization includes HCBS STAR+PLUS Waiver, Nursing Facility, individuals with SPMI, and other Enrollees with complex medical needs.

- 2.6.1.2.1.2. Level 2 Enrollees: Lower level of risk/utilization includes Enrollees receiving LTSS for PAS or day activity and health services (DAHS and Enrollees with non-SPMI behavioral health issues).

2.6.2. Comprehensive Health Risk Assessments

- 2.6.2.1. The STAR+PLUS MMP must make its best efforts to conduct and encourage each Enrollee to be an active participant in, a timely Comprehensive Health Risk Assessment of medical, behavioral health, community-based or facility-based LTSS, and social needs.

- 2.6.2.1.1. An Enrollee may choose to decline an assessment. Should that occur, the STAR+PLUS MMP will not continue to contact the Enrollee for an assessment unless a new assessment is needed as indicated in Section 2.6.2.8.

- 2.6.2.1.2. In some instances, Enrollees are not reachable through the contact information provided by HHSC or CMS. To comply with Sections 2.6.2.1, 2.6.3, and 2.6.2.8, the STAR+PLUS MMP must:

- 2.6.2.1.2.1. Document its attempts to reach Enrollees and the modes of communication attempted.
- 2.6.2.1.2.2. Attempt to reach the Enrollee at least five (5) times within the first ninety (90) days of Enrollment. Attempts must be on different days of the week and at different times during the day, including times outside of standard work hours.
- 2.6.2.1.3. The STAR+PLUS MMP shall use community resources where possible to identify and engage Enrollees.
- 2.6.2.2. Comprehensive Health Risk Assessment domains will include, but not be limited to, the following: physical and behavioral health, social needs, functional status, wellness and prevention domains, caregiver status and capabilities, health and safety, as well as the Enrollees' preferences, strengths, and goals.
- 2.6.2.3. Assessment Instrument – The STAR+PLUS MMP must have and use functional assessment instruments to identify Enrollees with significant health problems, Enrollees requiring immediate attention, and Enrollees who need or are at risk of needing LTSS. The STAR+PLUS MMP, a First Tier, Downstream, or Related Entity, including a Provider, may complete assessment instruments, but the STAR+PLUS MMP remains responsible for the data recorded. The Comprehensive Health Risk Assessment is performed using State-approved assessment tools. Specifically:
 - 2.6.2.3.1. The STAR+PLUS MMP must use the State-required assessment instrument, to assess an Enrollee's need for Functionally Necessary PAS. The STAR+PLUS MMP may adapt the form to reflect the STAR+PLUS MMP's name or distribution instructions, but the elements must be the same and instructions for completion must be followed without amendment.
 - 2.6.2.3.2. The State-required assessment instrument must be completed if a need for or a change in PASA is warranted at the initial contact, at the annual reassessment, and anytime an Enrollee requests the services or requests a change in services. The State-required assessment instrument must also be completed at any time the STAR+PLUS MMP determines the Enrollee requires the series or requires a change in the PAS that are authorized.
 - 2.6.2.3.3. For Enrollees and potential Enrollees seeking or needing HCBS STAR+PLUS Waiver services, the STAR+PLUS MMP must use the MN/LOC assessment instrument, as amended or modified, to assess Enrollees and to supply current medical information for medical necessity determinations.

- 2.6.2.3.4. The STAR+PLUS MMP must also complete the ISP form, including all addendums, for each Enrollee receiving HCBS STAR+PLUS Waiver services. The ISP is established for a one (1)-year period, after which it expires. After the initial ISP is established, the ISP must be completed on an annual basis and the expiration date does not change regardless of any mid-year updates.
- 2.6.2.3.5. These State-required assessment instruments and forms (MN/LOC assessment instrument, Functionally Necessary PAS instrument, and ISP form and addendums) must be completed annually at reassessment. The STAR+PLUS MMP is responsible for tracking the expiration dates of the ISP to ensure all Enrollee reassessment activities have been completed and posted on the Long-Term Care (LTC) online portal prior to the expiration date.
- 2.6.2.3.6. The STAR+PLUS MMP cannot submit its MN/LOC assessment instrument earlier than one hundred twenty (120) days prior to the expiration date of the ISP. An MN/LOC assessment determination will expire one hundred twenty (120) days after it is approved by the HHSC Claims administrator if HCBS STAR+PLUS Waiver services have not begun. The STAR+PLUS MMP cannot submit a renewal of the MN/LOC assessment earlier than ninety (90) days prior to the expiration date of the ISP. The renewal will expire ninety (90) days after it is approved by the HHSC Claims Administrator.
- 2.6.2.4. Relevant and comprehensive data sources, including the Enrollee, Providers, and family/caregivers, as appropriate, shall be used by the STAR+PLUS MMP. Results of the assessment will be used to confirm the appropriate risk stratification level for the Enrollee and as the basis for developing the Integrated Plan of Care.
- 2.6.2.5. Initial Comprehensive Health Risk Assessments and annual reassessments will be completed in person for Enrollees stratified to level 1. Initial Comprehensive Risk Assessments and annual reassessments may be completed telephonically for Enrollees assigned to level 2 unless an in-person assessment is requested by the Enrollee, caregiver, or Provider.
- 2.6.2.6. Assessments will be completed by qualified, trained health professionals who possess a professional scope of practice, licensure, and/or credentials appropriate for responding to and managing the Enrollee's needs.
- 2.6.2.7. The STAR+PLUS MMP will use the results of the Comprehensive Health Risk Assessment to confirm the appropriate acuity or risk stratification level for the Enrollee and as the basis for developing the person-centered Integrated Plan of Care.

2.6.2.8. Timing of Comprehensive Health Risk Assessments and Reassessments

2.6.2.8.1. All Enrollees will receive a Comprehensive Health Risk Assessment to be completed no later than ninety (90) days after the individual's Enrollment in the STAR+PLUS MMP.

2.6.2.8.2. The STAR+PLUS MMP must ensure that a reassessment and/or an Integrated Plan of Care update are performed:

2.6.2.8.2.1. As warranted by the Enrollee's condition but at least every twelve (12) months after the initial Comprehensive Health Risk Assessment completion date;

2.6.2.8.2.2. When there is a change in the Enrollee's health status or needs;

2.6.2.8.2.3. When there is a significant health care event;

2.6.2.8.2.4. When the Enrollee's health and safety are deemed to be at risk;

2.6.2.8.2.5. As requested by the Enrollee, their caregiver, and/or their Provider; and

2.6.2.8.2.6. As requested by a member of the Service Coordination Team who observes a change that requires further investigation.

2.6.2.8.3. The STAR+PLUS MMP shall notify PCPs of Enrollment of any new Enrollee who has not completed a Comprehensive Health Risk Assessment within the time period set forth above and whom the STAR+PLUS MMP has been unable to contact. The STAR+PLUS MMP shall encourage PCPs to conduct outreach to these Enrollees and to schedule visits.

2.6.2.9. Eligibility for HCBS STAR+PLUS Waiver Services

2.6.2.9.1. As part of the Comprehensive Health Risk Assessment, the STAR+PLUS MMP will also conduct an assessment to determine eligibility for HCBS STAR+PLUS waiver services if the Enrollee has an unmet need for at least one waiver service or if requested by the Enrollee.

2.6.2.9.2. The STAR+PLUS MMP must also provide Medically Necessary Services that are available to those in the HCBS STAR+PLUS waiver to those enrollees who meet the additional Medicaid Waiver eligibility requirements criteria, as described in the THTQIP section 1115(a) demonstration. The State provides an enhanced array of services to beneficiaries who would otherwise qualify for Nursing Facility care through a HCBS waiver. The Enrollee must meet MN/LOC criteria and the cost of the services in the ISP cannot exceed 202% of cost of

providing the same services in a Nursing Facility. The STAR+PLUS MMP must be able to demonstrate that the Enrollee has a minimum of one unmet need for at least one HCBS STAR+PLUS Waiver service before the services in the ISP may be authorized by the State.

2.6.2.9.3. Enrollees can request to be tested for eligibility into the HCBS STAR+PLUS Waiver. The STAR+PLUS MMP can also initiate HCBS STAR+PLUS Waiver eligibility testing on an Enrollee if the STAR+PLUS MMP determines that the Enrollee would benefit from the HCBS STAR+PLUS Waiver services.

2.6.2.9.4. The STAR+PLUS MMP is responsible for completing the assessment documentation, and preparing a HCBS STAR+PLUS ISP for identifying the needed HCBS STAR+PLUS Waiver services. The ISP is submitted to the State to ensure that the total cost does not exceed the 202% limit. The STAR+PLUS MMP must complete these activities within forty-five (45) days of receiving the State's authorization form for eligibility testing.

2.6.2.9.5. The STAR+PLUS MMP must complete the Community MN/LOC assessment instrument for MN/LOC determination, and submit the form to HHSC's Administrative Services Contractor.

2.6.2.9.6. If the STAR+PLUS MMP determines the Enrollee's cost of care will exceed the 202% limit, the STAR+PLUS MMP will submit the individual service planning documents to HHSC utilization management review (UMR). The UMR may request a clinical review of the case to consider the use of State general Revenue funds to cover costs over the 202% allowance, as per HHSC's policy and procedures related to use of general Revenue for HCBS STAR+PLUS Waiver participants.

2.6.2.9.7. If HHSC approves the use of State general Revenue funds, the STAR+PLUS MMP will be allowed to provide waiver services as per the ISP, and non-waiver services (services in excess of the 202% allowance) utilizing State general Revenue funds. Non-waiver services are not Medicaid Allowable Expense, and may not be reported as such on the FSRs. The STAR+PLUS MMP will submit reports documenting expenses for non-waiver services in an HHSC-approved format. HHSC will reimburse the STAR+PLUS MMP for such expenses in excess of the 202% allowance.

2.6.3. Integrated Plan of Care

2.6.3.1. Following the Comprehensive Health Risk Assessment (as described in Section 2.6.2), the STAR+PLUS MMP shall assign a Service Coordinator who works with the Enrollee, their family supports, Providers, and other Service

Coordination Team members to develop a comprehensive, person-centered, written Integrated Plan of Care for each Enrollee.

- 2.6.3.2. Every Enrollee must have an Integrated Plan of Care, unless the STAR+PLUS MMP is unable to reach the Enrollee or the Enrollee refuses to have an Integrated Plan of Care and the attempts to reach the Enrollee or the Enrollee's refusal is documented.
- 2.6.3.3. For all Enrollees, the STAR+PLUS MMP must ensure that the Integrated Plan of Care is in place within ninety (90) days of Enrollment, or upon receipt of all necessary eligibility information from the State, whichever is later.
- 2.6.3.4. The STAR+PLUS MMP shall utilize information gathered during the risk stratification process in order to update the Integrated Plan of Care.
- 2.6.3.5. The Integrated Plan of Care must:
 - 2.6.3.5.1. Contain the Enrollee's health history; a summary of current, short-term, and long-term health and social needs, concerns and goals; and a list of required services, their frequency, and a description of who or what entity will provide such services.
 - 2.6.3.5.2. Include, as applicable and consistent with Enrollee preferences, coordination with the Enrollee's family and community support systems, including independent living centers, area agencies on aging, and local authorities, as applicable.
 - 2.6.3.5.3. Be agreed to and signed by the Enrollee or the Enrollee's LAR to indicate agreement with the Integrated Plan of Care. The Enrollee maintains all Appeal rights if the Integrated Plan of Care is not signed.
 - 2.6.3.5.4. Allow for financial management services and promote self-determination and may include information about accessing services outside of Covered Services, such as affordable, integrated housing.
 - 2.6.3.5.5. Include opportunities for input from the Enrollee, their LAR, and the Service Coordination Team during the development, implementation, and ongoing assessment of ISP; and
 - 2.6.3.5.6. Include a risk assessment that identifies and evaluates risks associated with the Enrollee's care.
- 2.6.3.6. Integrated Plan of Care Expiration date
 - 2.6.3.6.1. The STAR+PLUS MMP is required to conduct an annual reassessment for each Enrollee and update the Integrated Plan of Care prior to the expiration date or when there is a significant change in the Enrollee's health status. All services under the current Integrated Plan of Care would continue in the event of expiration.

2.6.3.7. Integrated Plan of Care Monitoring

- 2.6.3.7.1. Continuous monitoring of the Integrated Plan of Care will occur, and any gaps in services will be addressed in an integrated manner by the STAR+PLUS MMP, including any necessary revisions to the Integrated Plan of Care.

2.6.3.8. Individual Service Plan (ISP)

- 2.6.3.8.1. If an Enrollee is found to be eligible for HCBS STAR+PLUS Waiver services as a result of the HCBS assessment described in Section 2.6.2.3.3 above, the Service Coordinator will work with the Enrollee to develop an ISP.
- 2.6.3.8.2. The ISP will be incorporated into the Enrollee's overall Integrated Plan of Care.
- 2.6.3.8.3. After the initial ISP is established, the ISP must be completed on an annual basis and the end date or expiration date does not change.
- 2.6.3.8.4. Prior to the expiration date of the ISP, the STAR+PLUS MMP must initiate an annual reassessment to determine and validate continued eligibility for HCBS STAR+PLUS Waiver services for each Enrollee receiving these services and update the ISP. All services under the current ISP would continue in the event of expiration.
- 2.6.3.8.5. As part of the assessment, the STAR+PLUS MMP must inform the Enrollee about Consumer Directed Service Options.
- 2.6.3.8.6. The STAR+PLUS MMP will be expected to complete the same activities for each annual reassessment as required for the initial eligibility determination.

2.6.4. Consumer Directed Services

- 2.6.4.1. STAR+PLUS MMPs will support Enrollees in directing their own care services and Plan of Care development.
- 2.6.4.2. Enrollees may have the opportunity to direct their own services, including both employer and budget authority. Enrollees will choose a financial management service agency (FMSA) to assist with these activities.
- 2.6.4.3. There are three options available to Enrollees desiring to self-direct the delivery of Primary Home Care (PHC) (which is available to all Enrollees); PAS or acquisition, maintenance and enhancement of skills in CFC; in-home or out-of-home respite; nursing; physical therapy (PT); occupational therapy (OT); and/or speech/language therapy (SLT) for (which are available to Enrollees in the HCBS STAR+PLUS Waivers). These three options are: 1) Consumer Directed; 2) Service Related; and 3) Agency, described in more

detail below in Section 2.6.4.8. The STAR+PLUS MMP must provide information concerning the three options to all Enrollees who:

- 2.6.4.3.1. Meet the functional requirements for PHC services and the requirements for PAS (the functional criteria for these services are described in the Community MN/LOC assessment instrument);
- 2.6.4.3.2. Are eligible for in-home or out-of-home respite services in the HCBS STAR+PLUS Waiver;
- 2.6.4.3.3. Are eligible for nursing, PT, OT, and/or SLT in the HCBS STAR+PLUS Waiver; and
- 2.6.4.3.4. Are eligible for PAS or acquisition, maintenance and enhancement of skills under CFC.
- 2.6.4.4. In addition to providing information concerning the three options, the STAR+PLUS MMP must provide Enrollee orientation in the option selected by the Enrollee at any time when an Enrollee receiving PHC, PAS, respite, nursing, PT; OT; and/or SLT, or CFC services requests the information; and
- 2.6.4.5. The STAR+PLUS MMP must contract with Providers who are able to offer PHC/PAS in-home or out-of-home respite, nursing, PT, OT, and/or SLT, or CFC services, and must also educate/train the Network Providers regarding the three options for self-directed care. Network Providers must meet licensure/certification requirements.
- 2.6.4.6. In all three options, the Service Coordinator and the Enrollee work together in developing the ISP.
- 2.6.4.7. A more comprehensive description of Consumer Directed Services is found in Section 8000 of the STAR+PLUS Handbook (available at <https://www.hhs.texas.gov/handbooks/starplus-handbook/8000-service-delivery-options>).
- 2.6.4.8. Service Delivery Options
 - 2.6.4.8.1. Consumer Directed Services Option
 - 2.6.4.8.1.1. In the Consumer Directed Services (CDS) Option, the Enrollee or the Enrollee's LAR is the employer of record and retains control over the hiring, management, and termination of service provider(s). The Enrollee or Enrollee's LAR is responsible for ensuring that the employee or contracted service provider meets all applicable eligibility qualifications and requirements for the services provided.
 - 2.6.4.8.1.2. The Enrollee is required to receive financial management services provided by a Financial Management Services Agency

(FMSA). The FMSA performs functions including processing payroll, withholding taxes, and filing tax-related reports to the Internal Revenue Service and the Texas Workforce Commission for services delivered through the CDS option. The FMSA is also responsible for providing training on being an employer, verifying provider qualifications, including criminal history and registry checks, and approving the CDS budget.

2.6.4.8.1.3. The STAR+PLUS MMP must ensure the FMSA meets necessary qualifications to provide financial management services, including completing the mandatory FMSA enrollment training provided by HHSC and meeting eligibility requirements for an HHSC FMSA contract.

2.6.4.8.1.4. The STAR+PLUS MMP must ensure that the CDS budget is calculated using HHSC rates for CDS services.

2.6.4.8.2.2. The Home and Community Support Services agency (HCSSA) in the STAR+PLUS MMP Provider Network is the employer of record for the personal attendant employee and respite Provider.

2.6.4.8.2.3. In this model, the Enrollee selects the personal attendant and/or respite Provider from the HCSSA's personal attendant employees.

2.6.4.8.2.3.1. The personal attendant's/respite Provider's schedule is set up based on the Enrollee input, and the Enrollee manages the PHC/PAC, in-home or out-of-home respite.

2.6.4.8.2.3.2. The Enrollee retains the right to supervise and train the personal attendant.

2.6.4.8.2.3.3. The Enrollee may request a different personal attendant and the HCSSA would be expected to honor the request as long as the new attendant is a Network Provider.

2.6.4.8.2.3.4. The HCSSA establishes the payment rate, benefits, and provides all administrative functions such as payroll, substitute (back-up), and filing tax-related reports of PHC/PAS and/or in-home or out-of-home respite.

2.6.4.8.2.4. In this model, the Enrollee selects the nurse, PT, OT, and/or SLT from the STAR+PLUS MMP's Provider Network.

2.6.4.8.2.4.1. The nurse, PT, OT, and/or SLT's schedule is set up based on the Enrollee's input, and the Enrollee manages the nursing, PT, OT, and/or SLT services.

2.6.4.8.2.4.2. The Enrollee retains the right to supervise and train the nurse, PT, OT, and/or SLT.

2.6.4.8.2.4.3. The Enrollee may request a different nurse, PT, OT, and/or SLT and the STAR+PLUS MMP must honor the request as long as the nurse, PT, OT, and/or SLT is a Network Provider.

2.6.4.8.2.4.4. The STAR+PLUS MMP establishes the payment rate, benefits, and provides all administrative functions such as payroll, substitute (back-up), and filing tax-related reports of nursing, PT, OT, and/or SLT services.

2.6.4.8.3. Agency Model

2.6.4.8.3.1. In the Agency Model, the STAR+PLUS MMP contracts with a Home and Community Support Services agency (HCSSA) or a certified Home and Community-based Services or Texas Home

Living Agency for the delivery of services. The HCSSA is the employer of record for the personal attendant, respite Provider, nurse, PT, OT, and SLT. The HCSSA establishes the payment rate, benefits, and provides all administrative functions such as payroll, substitute (back-up), and filing tax-related reports of PHC/PAS and/or in-home or out-of-home respite, or CFC services.

2.6.5. Continuity of Care

2.6.5.1. Service Transitions

2.6.5.1.1. The STAR+PLUS MMP must ensure that the care of new Enrollees is not disrupted or interrupted.

2.6.5.1.2. Any preexisting Integrated Plan of Care and/or ISP will remain in place until the STAR+PLUS MMP conducts an initial Comprehensive Health Risk Assessment and contacts the Enrollee and/or the Enrollee's LAR and coordinates updates to the Enrollee's Integrated Plan of Care. The STAR+PLUS MMP must perform an initial Comprehensive Health Risk Assessment within ninety (90) days of an individual's Enrollment in the STAR+PLUS MMP.

2.6.5.1.3. The STAR+PLUS MMP must ensure Continuity of Care for new Enrollees whose health or behavioral health condition has been treated by specialty care Providers or whose health could be placed in jeopardy if Medically Necessary Covered Services are disrupted or interrupted.

2.6.5.1.4. The STAR+PLUS MMP allows Enrollees receiving any services at the time of Enrollment to maintain their current Providers, including with Providers who are not part of the STAR+PLUS MMP's Network, and Service Authorizations, including drugs, for at least up to ninety (90) days after the Enrollee's Enrollment effective date or until the Integrated Plan of Care and/or ISP are updated and agreed to by the Enrollee, whichever is earlier, except as otherwise described in this Section. The Integrated Plan of Care and/or ISP should be agreed to and signed by the Enrollee or the Enrollee's LAR to indicate agreement with the plan. The STAR+PLUS MMP must continue to provide Covered Services as indicated in the Enrollee's existing Integrated Plan of Care and/or ISP until the Enrollee signs the new Integrated Plan of Care. Exceptions to the ninety (90) day Continuity of Care period shall be made for the following circumstances:

2.6.5.1.4.1. The STAR+PLUS MMP is required to ensure that all Enrollees who are receiving LTSS, including Nursing Facility services, at the time of Enrollment into the Demonstration receive continued authorization of those services for up to six (6) months

after initial Enrollment into the Demonstration or until the Comprehensive Health Risk Assessment has been completed and the Enrollee has signed the Integrated Plan of Care.

2.6.5.1.4.2. For all Enrollees who, at the time of Enrollment in the STAR+PLUS MMP, have been diagnosed with and are receiving treatment for a terminal illness and remain enrolled in the Demonstration, in which case the STAR+PLUS MMP shall ensure continued access to Covered Services for nine (9) months from the time of Enrollment or until the Comprehensive Health Risk Assessment has been completed and the Enrollee has signed the Integrated Plan of Care.

2.6.5.1.4.3. At any time, an Enrollee may access a 72-hour emergency supply of Medicaid-only covered drugs in accordance with the requirements in Section 2.8.3.10.

2.6.5.1.5. Any reduction, suspension, denial or termination of previously authorized services shall trigger the required notice under 42 C.F.R. §§ 438.404 and 422.568, which articulates the Enrollee's right to file an Appeal (either expedited, if warranted, or standard), the right to have authorized service continue pending the Appeal, and the right to a Fair Hearing if the STAR+PLUS MMP renders an adverse determination (either in whole or in part) on the Appeal.

2.6.5.1.6. Transition Plan – The STAR+PLUS MMP must provide a transition plan for all Enrollees newly enrolled in the STAR+PLUS MMP. HHSC or the previous STAR+PLUS MCO or MMP and/or Medicare Advantage plan operated by the same parent organization as a STAR+PLUS MCO in which the Enrollee was previously enrolled will provide the new STAR+PLUS MMP with information such as detailed Integrated Plans of Care and names of current Providers, for Enrollees already receiving Covered Services at the time of Enrollment in the STAR+PLUS MMP. The STAR+PLUS MMP's transition planning process must include the following:

2.6.5.1.6.1. Review of existing Integrated Plans of Care and/or ISPs;

2.6.5.1.6.2. Preparation of a transition plan that ensures continuous care under the Enrollee's existing Integrated Plan of Care during the transfer into the STAR+PLUS MMP's Network while the STAR+PLUS MMP conducts an appropriate assessment and development of a new Integrated Plan of Care, if needed;

2.6.5.1.6.3. Upon receipt of notification that durable medical equipment or supplies had been ordered prior to Enrollment but

have not been received by the time of Enrollment, coordination and follow-through to ensure that the Enrollee receives the necessary supportive equipment and supplies without undue delay; and

- 2.6.5.1.6.4. Payment to the existing Provider of service under the existing authorization for the Continuity of Care period applicable to the Covered Service authorized, until the STAR+PLUS MMP has completed the assessment and updated the Integrated Plan of Care and issued new authorizations.
- 2.6.5.1.7. Except as provided below, the STAR+PLUS MMP must review any existing Integrated Plan of Care and develop a transition plan within thirty (30) days of receiving notice of the Enrollee's Enrollment. For all existing Integrated Plans of Care received prior to the Operational Start Date, the STAR+PLUS MMP will have additional time to complete this process, not-to-exceed one hundred twenty (120) days after the Enrollee's Enrollment.
- 2.6.5.1.8. The transition plan will remain in place until the STAR+PLUS MMP contacts the Enrollee or the Enrollee's LAR, conducts the Comprehensive Health Risk Assessment, and coordinates modifications to the Enrollee's current Integrated Plan of Care. The STAR+PLUS MMP must ensure that the existing services continue and that there are no breaks in services.
- 2.6.5.1.9. The transition plan itself must include:
 - 2.6.5.1.9.1. The Enrollee's health history;
 - 2.6.5.1.9.2. Summary of current medical, behavioral health, and social needs and concerns;
 - 2.6.5.1.9.3. Short-term and long-term needs, preferences, and goals; and
 - 2.6.5.1.9.4. A list of services required, their frequency, and a description of who or what entity will provide these services.
- 2.6.5.1.10. The transition plan may include information for services outside the scope of Covered Services such as how to access affordable, integrated housing.
- 2.6.5.1.11. The STAR+PLUS MMP must ensure that the Enrollee or the Enrollee's LAR is involved in the assessment process and fully informed about options, is included in the development of the transition plan, and is in agreement with the transition plan when completed.

2.6.5.1.12. During the first six (6) months of the Enrollment phase-in period, HHSC or the STAR+PLUS MCO in which the Enrollee was previously enrolled will provide the STAR+PLUS MMP with files identifying Enrollees receiving Community-based LTSS. The STAR+PLUS MMP is required to work with CMS, HHSC, its Administrative Services Contractor, and DADs to ensure that all necessary authorizations are in place within the STAR+PLUS MMP's system(s) for the continuation of Community-based LTSS and prior authorized Acute Care services.

2.6.5.2. Drug Transitions

2.6.5.2.1. Any non-Part D drugs will follow the service transitions requirements articulated in Section 2.6.5.1.

2.6.5.2.2. The STAR+PLUS MMP must provide an appropriate transition process for Enrollees who are prescribed Medicare Part D that are not on its formulary (including drugs that are on the STAR+PLUS MMP's formulary but require prior authorization or step therapy under the STAR+PLUS MMP's utilization management rules). This transition process must be consistent with the requirements at 42 C.F.R. § 423.120(b)(3).

2.6.5.2.3. The drug transition requirement does not apply to drugs not covered by Medicare Part D or Texas Medicaid, even if the Enrollee has a prior authorization for such drug upon Enrollment into the STAR+PLUS MMP.

2.6.5.3. Out-of-Network Provider Transitions

2.6.5.3.1. The STAR+PLUS MMP must allow pregnant Enrollees past the 24th week of pregnancy to remain under the care of the Enrollee's current OB/GYN through the Enrollee's postpartum checkup, even if the Provider is Out-of-Network. If an Enrollee wants to change their OB/GYN to one who is in Network, they must be allowed to do so if the Provider to whom they wish to transfer agrees to accept them in the last trimester of pregnancy.

2.6.5.3.2. The STAR+PLUS MMP must pay an Enrollee's existing Out-of-Network Providers for Medically Necessary Covered Services until the Enrollee's records, clinical information and care can be transferred to a Network Provider, or until such time as the Enrollee is no longer enrolled in that STAR+PLUS MMP, whichever is shorter. Payment to Out-of-Network Providers must be made within the time period required for Network Providers. The STAR+PLUS MMP must comply with Out-of-Network Provider reimbursement rules as described in Section 2.6.5.4.

2.6.5.3.3. Except as provided in this Contract and for pregnant Enrollees who are past the 24th week of pregnancy, this Contract does not extend the obligation of the STAR+PLUS MMP to reimburse the Enrollee's existing Out-of-Network Providers for ongoing care for:

2.6.5.3.3.1. More than ninety (90) days after an Enrollee enrolls in the STAR+PLUS MMP;

2.6.5.3.3.2. More than six (6) months for Enrollees receiving LTSS at the time of Enrollment; or

2.6.5.3.3.3. For more than nine (9) months in the case of an Enrollee who, at the time of Enrollment in the STAR+PLUS MMP, has been diagnosed with and receiving treatment for a terminal illness and remains enrolled in the STAR+PLUS MMP.

2.6.5.3.4. The STAR+PLUS MMP's obligation to reimburse the Enrollee's existing Out-of-Network Provider for services provided to a pregnant Enrollee past the 24th week of pregnancy extends through delivery of the child, immediate postpartum care, and the follow-up checkup within the first six (6) weeks of delivery.

2.6.5.3.5. If an Enrollee moves out of a Service Area, the STAR+PLUS MMP must provide or pay Out-of-Network Providers in the new Service Area who provide Medically Necessary Covered Services to Enrollees through the end of the period for which the STAR+PLUS MMP received a Capitation Payment for the Enrollee.

2.6.5.3.6. If Covered Services are not available within the STAR+PLUS MMP's Network, the STAR+PLUS MMP must provide Enrollees with timely and adequate access to Out-of-Network services for as long as those services are necessary and not available in the Network, in accordance with 42 C.F.R. § 438.206(b)(4). Unless an exception applies under this Contract, the STAR+PLUS MMP will not be obligated to provide an Enrollee with access to Out-of-Network services if such services become available from a Network Provider.

2.6.5.4. Out-of-Network Payment Rules

2.6.5.4.1. For reimbursement of out-of-network Emergency Services or Urgent Care services, as defined by 42 C.F.R. § 424.101 and 42 C.F.R. § 405.400 respectively, the Provider is required to accept as payment in full by the STAR+PLUS MMP the amounts that the Provider could collect for that service if the beneficiary were enrolled in Original Medicare. However, the STAR+PLUS MMP is not required to reimburse the Provider more than the Provider's charge for that service. The Original Medicare reimbursement amounts for section 1861(u) providers do not

include payments under 42 C.F.R. §§ 412.105(g) and 413.76. A section 1861(u) Provider of services may be paid an amount that is less than the amount it could receive if the beneficiary were enrolled in original Medicare or Medicaid FFS if the Provider expressly notifies the STAR+PLUS MMP in writing that it is billing an amount less than such amount. For services for which Medicaid is the primary payor, the STAR+PLUS MMP must reimburse an Out-of-Network Provider of Emergency Services or Urgent Care consistent with 1 T.A.C. § 353.4. Enrollees/beneficiary maintain balance billing protections under the circumstances in this subsection.

2.6.5.4.2. For items and services that are part of the traditional Medicare benefit package, the STAR+PLUS MMP will be required to pay Out-of-Network Providers and section 1861(u) Providers of services the amount that the Providers could collect for that service if the beneficiary were enrolled in original Medicare (less any payments under 42 C.F.R. §§ 412.105(g) and 413.76 for section 1861(u) Providers, regardless of the setting and type of care for authorized Out-of-Network services. For services for which Medicaid is the primary payor, the STAR+PLUS MMP must comply with Out-of-Network Provider reimbursement in accordance with 42 C.F.R. § 438.206(b)(5) and 1 T.A.C. § 353.4 for services for which Medicaid is the primary payor. Enrollees maintain balance billing protections.

2.6.5.4.3. If an Enrollee is receiving any item or service that would not otherwise be covered by the STAR+PLUS MMP at an in-Network level after the Continuity of Care period, the STAR+PLUS MMP must notify the Enrollee prior to the end of the Continuity of Care period, according to the requirements at 42 C.F.R. § 438.404 and 42 C.F.R. § 422.568.

2.6.5.4.3.1. The Enrollee shall be entitled to all Appeal rights, including aid pending Appeal, if applicable, as outlined in Section 2.12 of this Contract.

2.6.5.4.3.2. The STAR+PLUS MMP must ensure that each Enrollee has access to a second opinion regarding the use of any Medically Necessary Covered Service. An Enrollee must be allowed access to a second opinion from a Network Provider or Out-of-Network provider if a Network Provider is not available, at no cost to the Enrollee, in accordance with 42 C.F.R. § 438.206(b)(3).

2.6.5.4.4. Out-of-Network Specialty Providers – It is understood that in some instances Enrollees will require specialty care not available from a Network Provider and that the STAR+PLUS MMP will arrange that such services be provided by an Out-of-Network Provider. In such event,

STAR+PLUS MMP will promptly attempt to negotiate a single case agreement with an Out-of-Network Provider to treat the Enrollee until a qualified Network Provider is available. The STAR+PLUS MMP shall make best efforts to have any Out-of-Network Provider billing for services be enrolled in the Medicare Program or Texas Medicaid Program, as appropriate and in the same manner as Network Providers under Section 2.7.4, prior to paying a Claim.

2.6.5.5. Transferring Integrated Plans of Care

2.6.5.5.1. The STAR+PLUS MMP must be able to accept and honor established Integrated Plans of Care provided on paper or electronically transferred from FFS or prior managed care plans when Enrollees transition with Integrated Plans of Care in place as outlined in Section 2.6.5.1.6; and

2.6.5.5.2. The STAR+PLUS MMP must be able to ensure timely transfer of Integrated Plans of Care to other STAR+PLUS MMPs or other plans when an Enrollee is disenrolling from the STAR+PLUS MMP.

2.6.5.6. Out-of-Network Provider Transitions

2.6.5.6.1. If an Enrollee wishes to stay with their current Provider who is Out-of-Network with the STAR+PLUS MMP, the STAR+PLUS MMP must obtain a single-case agreement, Out-of-Network authorization, or similar arrangement with the Provider to ensure the Enrollee's Continuity of Care. The STAR+PLUS MMP may use single-case agreements with Out-of-Network Providers for other reasons, including for obtaining a second opinion. The STAR+PLUS MMP cannot count single-case agreements as a Network Provider for the purposes of meeting network adequacy standards.

Span of Coverage Rules

2.6.5.7. Enrollment Changes During an Inpatient Hospital Stay – Payment for Enrollees in an inpatient Hospital must be made in accordance with the Medicare Managed Care Manual, Chapter 8, Section 120, "Special Rules for Coverage that Begins or Ends During an Inpatient Hospital Stay."

2.6.5.7.1. The following table describes payment responsibility for Medicaid Enrollment changes that occur during a Medicaid Inpatient Stay, as of the Enrollee's effective date of coverage with the receiving (new) STAR+PLUS MMP or STAR+PLUS MCO. The responsibility party will pay the Hospital facility charge until the earlier of: (1) date of Discharge from the Hospital, or (2) date of Transfer, or (3) loss of Medicaid eligibility.

Table 2-1 Payment Responsibility for Inpatient Hospital during Transition

4	Enrollee moves from a STAR+PLUS MMP to a STAR+PLUS MCO	Former STAR+PLUS MMP	New STAR+PLUS MCO

2.6.5.7.2. Disenrollment from a STAR+PLUS MMP During an Inpatient Stay in a Hospital – When an Enrollee moves from a STAR+PLUS MMP to Medicaid FFS during an Inpatient Stay in a Hospital, the former STAR+PLUS MMP remains responsible for the Hospital facility charge, and Medicaid FFS is responsible for all other Covered Services beginning on the effective date of Medicaid FFS coverage. The former STAR+PLUS MMP will pay the Hospital facility charge until the earlier of: (1) date of Discharge from the Hospital, (2) date of Transfer, or (3) loss of Medicaid eligibility.

2.6.5.7.3. Responsibility for Costs Incurred After Loss of Medicaid Eligibility – The STAR+PLUS MMP or the STAR+PLUS MCO is not responsible for services incurred on or after the effective date of loss of Medicaid eligibility.

2.6.5.8. Enrollment Changes During a Chemical Dependency Treatment (CDTF) Stay – The following table describes payment responsibility for Medicaid Enrollment changes that occur during a stay in a residential SUD treatment facility or residential detoxification for SUD treatment facility (collectively, CDTF), beginning on the Enrollee’s Effective Date of coverage with the new STAR+PLUS MMP or STAR+PLUS MCO. The responsible party will pay the CDTF charge until the earlier of: (1) date of Discharge from the CDTF, or (2)

loss of eligibility. The new STAR+PLUS MMP or STAR+PLUS MCO may evaluate for medical necessity of the CDTF stay prior to the end of the authorized services period.

- 2.6.5.8.1. Disenrollment from Medicaid Managed Care During a CDTF Stay – When an Enrollee moves from a STAR+PLUS MMP to Medicaid FFS during a CDTF stay, the former STAR+PLUS MMP remains responsible for the CDTF charge, and Medicaid FFS is responsible for all other Covered Services beginning on the effective date of Medicaid FFS coverage. The former STAR+PLUS MMP will pay the CDTF charge until the earlier of: (1) date of Discharge, or (2) loss of Medicaid eligibility.

- 2.6.5.9. Skilled Nursing Facility Services – Payment for skilled Nursing Facility (SNF) stays for Enrollees who change Enrollment is treated differently than for inpatient Hospital stays. The SNF payment is split by the day, according to the Medicare Claims Processing Manual, Chapter 6, Section 90:

- 2.6.5.9.1. SNFs follow the requirements of the agreement they have with the STAR+PLUS MMP. In cases where the Enrollee may have enrolled or disenrolled from the STAR+PLUS MMP during the billing period, the SNF will split the bill and send the STAR+PLUS MMP's portion to it and the remaining portion to the new Medicare Advantage plan or Medicare Administrative Contractor for Original Medicare.

2.6.5.10. Enrollment Changes During a Nursing Facility Stay – The following table describes payment responsibility for Medicaid Enrollment changes that occur during a Nursing Facility stay, beginning on the Enrollee’s Effective Date of coverage with the new STAR+PLUS MMP.

2.7. Provide Network

2.7.1. Network Adequacy

2.7.1.1. The STAR+PLUS MMP must maintain a Provider Network sufficient to provide all Enrollees with access to the full range of Covered Services, including the appropriate range of preventive, primary, specialty, behavioral health, and all other services required in 42 C.F.R. §§ 422.112, 423.120, and 438.206, and under this Contract (see Covered Services in Appendix A), not including NEMT Services.

2.7.1.2. The STAR+PLUS MMP must demonstrate annually that its Medicare Provider Network meets the standards in Section 2.7.2.2.1 and must demonstrate quarterly that its Medicaid Provider Network for services in which Medicaid is the primary payer meets the standards in Section 2.7.2.2.2. Medicare's time, distance, and minimum number standards for medical Providers and facilities, updated annually on CMS' Medicare-Medicaid Plan (MMP) Application & Annual Requirements website (<https://www.cms.gov/medicare-medicaid-coordination/medicare-and-medicaid-coordination/medicare-medicaid-coordination-office/financialalignmentinitiative/mmpinformationandguidance/informationandguidanceforplans>); and Medicare's time, distance, and minimum number standards for pharmacy Providers, as required in Appendix D, Article II, Section H and 42 C.F.R. § 423.120;

- 2.7.1.2.1. HHSC standards for services for which Medicaid is the traditional primary payor, including behavioral health, substance abuse services, and LTSS. For each Provider type, the STAR+PLUS MMP must provide access to at least ninety (90) percent of Enrollees in each Service Area with the prescribed distance or travel time standard as described in UMCM Chapter 5, Access to Network Providers Performance Standards and Specifications for each State Fiscal Quarter. HHSC uses an Enrollee's residence in the eligibility files to assess the distance and travel times; and
- 2.7.1.2.2. The stricter of the applicable standards in Section 2.7.1.2 for services for which Medicare and Medicaid overlap (including, but not limited to, Home Health, DME and skilled therapies, but excluding Part D).
- 2.7.1.3. STAR+PLUS MMPs are required to develop and maintain Provider Networks adequate to deliver all Covered Services, with an emphasis on the special needs of individuals with chronic conditions and physical and mental disabilities. Each STAR+PLUS MMP Provider Network must provide convenient and timely access to care, and must establish mechanisms to ensure compliance with timely access requirements. In addition to meeting Medicare Advantage minimum network requirements, the STAR+PLUS MMP must meet the following network adequacy standards:
- 2.7.1.3.1. Long-Term Services & Supports (LTSS) Providers: At a minimum, the STAR+PLUS MMP must ensure that all Enrollees have access to the following LTSS Providers for all Covered Services: Assisted Living Facility; Attendant Care; CFC Habilitation Services; Consumer Directed Services (CDS); and In-Home Skilled Nursing;
- 2.7.1.3.2. Assisted Living Facilities (ALF): The STAR+PLUS MMP must ensure that ninety (90%) percent of Enrollees in every county have a choice of at least two ALFs within specified distance or travel time requirements of each Enrollee depending on whether county of residence is classified as metro, micro, or rural, based on population and density parameters.
- 2.7.1.3.3. Attendant Care Services: STAR+PLUS MMPs must ensure that a minimum of ninety (90%) percent of Enrollees who are authorized to receive attendant care services have timely access to such services. For purposes of this paragraph, timely access is within seven (7) days from the authorization. Reference UMCM 10.1.12 for reporting information and templates.
- 2.7.1.3.4. Behavioral Health Providers: STAR+PLUS MMPs must ensure that Enrollees have access to the following types of Behavioral Health

Service Providers within the standards detailed in UCM Chapter 5.28.1, Access to Network Providers Performance Standards and Specifications, Behavioral Health Providers: psychologists and other Behavioral Health Service Providers who are qualified to provide Covered Services as outlined in Appendix A.

- 2.7.1.3.5. Outpatient Mental Health Provider Access: At a minimum, STAR+PLUS MMPs must ensure that Enrollees have access to a choice of outpatient mental health service Providers in the Network. The STAR+PLUS MMP must follow Network requirements for outpatient mental health service Providers at Section 2.7.2.12.1.
- 2.7.1.3.6. Outpatient Substance Use Disorder Treatment Provider Access: At a minimum, the STAR+PLUS MMP must ensure all Enrollees have access to a choice of outpatient SUD service Providers in the Network. The STAR+PLUS MMP must follow Network requirements for outpatient SUD service Providers at Section 2.7.2.12.2.
- 2.7.1.3.7. Mental Health Targeted Case Management and Mental Health Rehabilitative Services (TCM/MHR): The STAR+PLUS MMP must ensure that the Enrollee has access to a Network Provider of Mental Health TCM/MHR services.
- 2.7.1.3.8. Nursing Facility: At a minimum, the STAR+PLUS MMP must ensure that Enrollees have access to a Nursing Facility in the Provider Network.
- 2.7.1.3.9. The STAR+PLUS MMP is not precluded from making arrangements with physicians or Providers outside the STAR+PLUS MMP's Service Area for Enrollees to receive a higher level of skill or specialty than the level available within the Service Area, including but not limited to, treatment of cancer, burns, and cardiac diseases.
- 2.7.1.3.10. Exception Process: HHSC will consider requests for exceptions to the access standards for all Medicaid Provider types under limited circumstances. Each exception request must be supported by information and documentation as specified in the template provided by HHSC. Exceptions may be granted on a case-by-case basis for an area that does not meet the performance standards as outlined in UCM Chapter 5, Access to Network Providers Performance Standards and Specifications. The STAR+PLUS MMP must establish, through applicable supporting documentation, a normal pattern for securing Health Care Services or that the STAR+PLUS MMP is providing care of a higher skill level or specialty than the level available within the Service Area.

- 2.7.1.4. Providers must not be under sanction or exclusion from the Medicaid and Medicare programs and must have a valid National Provider Identifier (NPI) or Atypical Provider Identifier (API).
- 2.7.1.5. The STAR+PLUS MMP may enroll out-of-State Providers in its Medicaid Networks in accordance with 1 T.A.C. § 352.17. For Medicaid covered drugs, pharmacies must be an enrolled Medicaid Provider.
- 2.7.1.6. The STAR+PLUS MMP may enroll out-of-State diagnostic laboratories in its Medicaid Networks under the circumstances described in Texas Government Code §531.066.
- 2.7.1.7. The STAR+PLUS MMP must ensure its Providers and First Tier, Downstream, and Related Entities meet all current and future State and federal eligibility criteria, reporting requirements, and any other applicable rules and/or regulations related to this Contract.
- 2.7.1.8. Each STAR+PLUS MMP's Provider Network must be responsive to the linguistic, cultural, and other unique needs of any minority, older, disabled, or other special needs populations serviced by the STAR+PLUS MMP. This includes the capacity to communicate with Enrollees in languages other than English, when necessary, as well as with those who require sign language interpreting.
- 2.7.1.9. The STAR+PLUS MMP must notify the CMT of any significant Provider Network changes immediately, but no later than five (5) days after becoming aware of an issue, including a change in the STAR+PLUS MMP's Provider Network that renders the STAR+PLUS MMP unable to provide one or more Covered Services within the access to care standards set forth in this Section, with the goal of providing such notice to the CMT at least sixty (60) days prior to the effective date of any such change.
- 2.7.1.10. The STAR+PLUS MMP verifies, by sampling or other methods, on a regular basis, whether services that have been represented to have been delivered by Network Providers were received by Enrollees.
- 2.7.1.11. HHSC and CMS will monitor access to care and the prevalence of needs indicated through Enrollee assessments, and, based on those findings, may take corrective action if the STAR+PLUS MMP or its Providers fail to comply with timely access requirements, such corrective action may include requiring that the STAR+PLUS MMP initiate further Provider Network expansion over the course of the Demonstration.
- 2.7.1.12. The STAR+PLUS MMP ensures that Enrollees have access to the most current and accurate information on Network Providers by updating its online Provider directory and search functionality on a timely basis, as outlined in Section 2.15.5. This information includes Provider compliance with the ADA

in terms of physical and communications accessibility for Enrollees who are blind or deaf as well as other reasonable accommodations. NEMT Service Providers are not included in the Provider directory.

- 2.7.1.13. Appointment Wait Times – Through its Provider Network composition and management, the STAR+PLUS MMP must ensure that the following standards for appointment accessibility are met. In all cases below, “day” is defined as a calendar day, and the standards are measured from the date of presentation or request, whichever occurs first except where otherwise specified:
- 2.7.1.13.1. Emergency Services must be provided upon Enrollee presentation at the service delivery site, including at non-Network and out-of-area facilities;
 - 2.7.1.13.2. Urgent Care, including urgent specialty care and behavioral health services, must be provided within twenty-four (24) hours; treatment for behavioral health services may be provided by a licensed behavioral health clinician.
 - 2.7.1.13.3. Routine primary care must be provided within fourteen (14) days;
 - 2.7.1.13.4. Specialty routine care must be provided within twenty-one (21) days;

- 2.8.6.10. An Enrollee who has an Emergency Medical Condition may not be held liable for payment of subsequent screening and treatment needed to diagnose the specific condition or stabilize the patient.
- 2.8.6.11. The attending emergency physician, or the Provider actually treating the Enrollee, is responsible for determining when the Enrollee is sufficiently Stabilized for Transfer or Discharge. That determination is binding on the STAR+PLUS MMP if such Transfer or Discharge order:

The emergency physician must document these services in the Enrollee Medical Record. The STAR+PLUS MMP must reimburse for both the physician's and Hospital's emergency stabilization services including the emergency room and its ancillary services; and

- 2.12.1.12.1.7. Circumstances under which expedited resolution is available and how to request it; and
- 2.12.1.12.1.8. The Enrollee's rights to have benefits continue pending the resolution of the Appeal and the circumstances under which the Enrollee may be required to pay the costs of these services. If the final resolution of the Appeal is adverse to the Enrollee and upholds the Adverse Benefit Determination, then to the extent that the services were furnished to comply with the Contract, the STAR+PLUS MMP must not recover such costs from the Enrollee without written permission from HHSC.
- 2.12.1.12.2. Written material must use easily understood language and format, be available in Alternative Formats and in an appropriate manner that takes into consideration those with special needs. All Enrollees and Eligible Beneficiaries must be informed that information is available in Alternative Formats and how to access those formats.

- 2.12.1.12.3. Written notice must be translated for the individuals who speak Prevalent Languages.
- 2.12.1.12.4. Written notices must include language clarifying that oral interpretation is available for all languages and how to access it.
- 2.12.1.13. Appeal levels
 - 2.12.1.13.1. Initial Appeals must be filed with the STAR+PLUS MMP.
 - 2.12.1.13.1.1. Subsequent Appeals for traditional Medicare A and B services that are not fully in favor of the Enrollee will be automatically forwarded to the Medicare Independent Review Entity (IRE) by the STAR+PLUS MMP.
 - 2.12.1.13.1.2. Subsequent Appeals for services covered by HHSC only (including, but not limited to, LTSS, Texas Medicaid-covered drugs, excluded from Medicare Part D, and some Behavioral Health Care Services) may be appealed to the HHSC Appeals Division for a Fair Hearing.
 - 2.12.1.13.1.3. For services for which Medicare and Medicaid overlap (including, but not limited to, Home Health, DME and skilled therapies, but excluding Part D), decisions made by the STAR+PLUS MMP that are not fully in favor of the Enrollee will be auto-forwarded to the IRE by the STAR+PLUS MMP. An Enrollee may, subsequent to the STAR+PLUS MMP's decision, also file a request for a hearing with the HHSC Appeals Division. If an Appeal is both auto-forwarded to the IRE and filed with the HHSC Appeals Division, any determination in favor of the Enrollee will bind the STAR+PLUS MMP and will require payment by the STAR+PLUS MMP for the service or item in question granted in the Enrollee's favor which is closest to the Enrollee's relief requested on Appeal.
 - 2.12.1.13.2. Prescription Drugs
 - 2.12.1.13.2.1. Part D Appeals may not be filed with the HHSC Appeals Division.
 - 2.12.1.13.2.2. Appeals related to drugs excluded from Part D that are covered by Medicaid must be filed with the HHSC Appeals Division.
 - 2.12.1.13.2.3. The STAR+PLUS MMP must resolve Appeals related to drugs covered by Medicare Part B in accordance with the timelines for such items described in this Section and consistent with 42 C.F.R. §§422.568, 422.572, 422.618, and 422.619.

2.12.1.14. Continuation of Benefits Pending an Appeal and Fair Hearing

2.12.1.14.1. The STAR+PLUS MMP must provide continuing benefits for all prior approved non-Part D benefits that are terminated or modified pending internal STAR+PLUS MMP Appeals, per timeframes and conditions in 42 C.F.R. § 438.420. This means that such benefits will continue to be provided by Providers to Enrollee and that the STAR+PLUS MMPs must continue to pay Providers for providing such services or benefits pending an internal Appeal.

2.12.1.14.2. For all Appeals filed with HHSC Appeals Division, an Enrollee may request continuing services. HHSC will make a determination on continuation of services in accordance with the State's existing Appeals policy, in accordance with 42 C.F.R. § 438.420.

2.12.1.14.3. If the HHSC Appeals Division decides in the Enrollee's favor and reverses the STAR+PLUS MMP's decision, the STAR+PLUS MMP must authorize the service under dispute or expeditiously as the Enrollee's health condition requires but no later than seventy-two (72) hours from the date the STAR+PLUS MMP receives the notice reversing the decision.

2.12.1.14.4. If the STAR+PLUS MMP or the HHSC Appeals Division reverses a decision to deny authorization of Covered Services, and the Enrollee received the disputed services while the Appeal was pending, the STAR+PLUS MMP must pay for those services in accordance with State rules and policy.

2.12.1.14.5. If services were furnished while the internal Appeal or Fair Hearing was pending, payments will not be recouped based on the outcome of the Appeal for services covered during pending Appeal(s) unless explicitly approved by the CMT.

2.12.2. General Requirements

2.12.2.1. Medicare Part D Appeals – All STAR+PLUS MMPs shall utilize and all Enrollees may access the existing Part D appeals Process, as described in Appendix D. Consistent with existing rules, Part D Appeals will be automatically forwarded to the IRE if the STAR+PLUS MMP misses the applicable adjudication timeframe. The CMS IRE is contracted by CMS. The STAR+PLUS MMP must maintain written records of all Appeal activities, and notify CMS and HHSC of all internal Appeals.

2.12.2.2. The STAR+PLUS MMP agrees to be fully compliant with all State and federal laws, regulations, and policies governing the Fair Hearing process, and all statutory and regulatory timelines related thereto. This include the requirements for both standard and expedited requests. The STAR+PLUS

MMP shall be financially liable for all judgments, penalties, costs and fees related to an Appeal in which the STAR+PLUS MMP has failed to comply fully with said requirements. The STAR+PLUS MMP must maintain written records of all Appeal activities, and notify CMS and HHSC of all internal Appeals.

2.12.3. Internal Appeals Filing Timeframes

2.12.3.1. Timelines for filing

2.12.3.1.1. Enrollees and their LARs, including Providers, may file an oral or written Appeal with the STAR+PLUS MMP within sixty (60) calendar days following the date of the notice of Adverse Benefit Determination that generates such Appeal.

2.12.3.1.2. For a reduction or denial of previously authorized services, an Appeal requesting continuation of benefits must be filed on or before the later of:

2.12.3.1.2.1. Ten (10) calendar days following the STAR+PLUS MMP's sending of the notice of Adverse Benefit Determination, or

2.12.3.2. Standard Appeals

2.12.3.2.1. The STAR+PLUS MMP's Appeals process must comply with 42 C.F.R. § 438.406 and include the following requirements:

2.12.3.2.1.1. Acknowledge receipt of each Appeal;

2.12.3.2.1.2. Ensure that the individuals who make decisions on Appeals including those regarding denial based on lack of medical necessity or that involve clinical issues: 1) were neither involved in any previously level of review or decision making nor a subordinate of any such individual; and 2) are health care professionals who have the appropriate clinical and other expertise, as determined by HHSC and CMS, in treating the Enrollee's clinical condition or disease;

2.12.3.2.1.3. Provide that oral inquiries seeking to Appeal an action are treated as Appeals (to establish the earliest possible filing date for the Appeal);

2.12.3.2.1.4. Provide the Enrollee a reasonable opportunity to present evidence and allegations of fact or law in person as well as in writing. The STAR+PLUS MMP must inform the Enrollee of the

limited time available for this, especially in the case of expedited resolution;

- 2.12.3.2.1.5. Provide the Enrollee and their LAR opportunity, before and during the Appeals process, to examine the Enrollee's case file, including any medical records and any other documents and records considered during the Appeals process. The Enrollee's case file must be provided to the Enrollee or their LAR free of charge and sufficiently in advance of the resolution timeframes; and
- 2.12.3.2.1.6. Consider the Enrollee, LAR, or estate representative of a deceased Enrollee as parties to the Appeal.
- 2.12.3.2.2. All STAR+PLUS MMP Appeal decisions must be provided to the Enrollee in writing and shall include, but be limited to, the following information, consistent with 42 C.F.R. § 438.408:
 - 2.12.3.2.2.1. The decision reached by the STAR+PLUS MMP;
 - 2.12.3.2.2.2. The date of the decision; and
 - 2.12.3.2.2.3. For Appeals not resolved wholly in favor of the Enrollee, the right to request a Fair Hearing and how to do so; and the right to request to receive benefits while the hearing is pending and how to make the request.
- 2.12.3.2.3. The STAR+PLUS MMP may seek permission from the CMT to hold the Enrollee liable for the cost of any continued benefit if the STAR+PLUS MMP's action is upheld in the hearing.
- 2.12.3.2.4. The STAR+PLUS MMP shall respond in writing to standard Appeals as expeditiously as the Enrollee's health condition requires and shall not exceed thirty (30) calendar days from the initial date of receipt of the Appeal, except for Appeals regarding Medicare Part B drugs, which shall be resolved within (7) days consistent with the timelines in Section 2.12.1.13.2.3, or sixty (60) days for Appeals involving requests for payment for traditional Medicare A and B services.
 - 2.12.3.2.4.1. The STAR+PLUS MMP may exceed this timeframe by up to an additional fourteen (14) calendar days if the Enrollee requests the extension or if the STAR+PLUS MMP provides evidence satisfactory to HHSC and/or CMS that a delay in rendering the decision is in the Enrollee's interest. If the extension is not at the Enrollee's request, the STAR+PLUS MMP must make reasonable efforts to give the Enrollee prompt oral notice of the delay, and, within two (2) calendar days after the date of the extension, provide the Enrollee with written notice of the reason for the delay as well as

inform the Enrollee of the right to file a Grievance if they disagree with the extension. The STAR+PLUS MMP must issue and carry out its determination as expeditiously as the Enrollee's health condition requires and no later than the date the extension expires. Extensions are not permitted for any Appeals regarding Medicare Part B drugs.

2.12.3.2.4.2. The STAR+PLUS MMP may be subject to remedies, including liquidated damages as specified in Section 5.3.15 of this Contract, if at least ninety-eight (98%) percent of Enrollee Appeals for which an Enrollee has not requested an extension are not resolved within thirty (30) calendar days of receipt of the Appeal by the STAR+PLUS MMP.

2.12.3.3. Expedited Appeals

2.12.3.3.1. The STAR+PLUS MMP shall establish and maintain an expedited review process for Appeals where either the STAR+PLUS MMP or the Enrollee's Provider determines that the time expended in a standard resolution could seriously jeopardize the Enrollee's life or health or ability to attain, maintain, or regain maximum function. The STAR+PLUS MMP shall ensure that punitive action is neither taken against a Provider that requests an expedited resolution nor supports the Enrollee's Appeal. In instances where the Enrollee's request for an Expedited Appeal is denied, the Appeal must be transferred to the timeframe for standard resolution of Appeals, and the Enrollee must be given prompt oral notice of the denial (make reasonable efforts) and a written notice within two (2) calendar days and be informed of their right to file a Grievance in accordance with Section 2.11.4.

2.12.3.3.2. The STAR+PLUS MMP shall issue decisions for Expedited Appeals as expeditiously as the Enrollee's health condition requires, not to exceed seventy-two (72) hours from the initial receipt of the Appeal.

2.12.3.3.2.1. Except for Appeals involving Medicare Part B drugs, the STAR+PLUS MMP may extend this timeframe by up to an additional fourteen (14) calendar days if the Enrollee requests the extension or if the STAR+PLUS MMP provides evidence satisfactory to HHSC that a delay in rendering the decision is in the Enrollee's interest. The STAR+PLUS MMP must issue and carry out its determination as expeditiously as the Enrollee's health condition requires and no later than the date the extension expires.

2.12.3.3.2.2. For any extension made by the STAR+PLUS MMP that was not requested by the Enrollee, the STAR+PLUS MMP must: (1) make reasonable effort to give the Enrollee prompt oral notice of the

delay; and (2) provide written notice of the reason for the delay to the Enrollee within two (2) calendar days after the date of the extension. Written notice shall also inform the Enrollee of the right to file a Grievance if they disagree with the extension.

2.12.3.3.2.3. The STAR+PLUS MMP must make reasonable efforts to provide the Enrollee with prompt verbal notices of any decisions that are not resolved wholly in favor of the Enrollee and shall follow-up within two (2) calendar days with a written notice of action.

2.12.3.3.2.4. If, on an Expedited Appeal, the STAR+PLUS MMP decides fully in the Enrollee's favor, the STAR+PLUS MMP must provide or authorize the requested service as expeditiously as the Enrollee's health condition requires but no later than seventy-two (72) hours after the STAR+PLUS MMP's receipt of the Appeal (or no later than upon expiration of an extension discussed above).

2.12.3.3.3. All STAR+PLUS MMP Appeal decisions must be provided to the Enrollee in writing and shall include, but not be limited to, the following information, consistent with 42 C.F.R. § 438.408:

2.12.3.3.3.3.2. The right to request to receive benefits while the hearing is pending, how to make the request, and the circumstances under which the Enrollee may be required to pay the costs of these services.

2.12.3.3.3.3.3. The STAR+PLUS MMP may seek permission from the CMT to hold the Enrollee liable for the cost of any continued benefits if the STAR+PLUS MMP's action is upheld in the hearing.

2.12.3.4. Withdrawal of an Appeal

2.12.3.4.1. The Enrollee, Enrollee's authorized representative, or physician acting on behalf of an Enrollee who files an Appeal may withdraw it by filing a written request for withdrawal with the STAR+PLUS MMP.

2.12.3.4.2. Effective no sooner than January 1, 2022, such withdrawal requests may also be withdrawn by a verbal request. The STAR+PLUS MMP shall document the date, the name of the individual making the

request, their relationship to the Enrollee, and the reason for withdrawal of any such verbal requests.

2.12.3.5. Dismissal of Internal Medicare and Medicaid Appeals

2.12.3.5.1. The STAR+PLUS MMP may dismiss an Appeal regarding a Medicare service under any of the following circumstances:

2.12.3.5.1.3. The Enrollee fails to request the Appeal within the timeframe in Section 2.12.3.1.

2.12.3.5.1.4.2. No other individual or entity with a financial interest in the case wishes to pursue the Appeal.

2.12.3.5.1.5. The party filing the Appeal request submits a timely request for withdrawal of the Appeal with the STAR+PLUS MMP.

2.12.3.5.2. Notice of dismissal: The STAR+PLUS MMP must mail or otherwise transmit a written notice of the dismissal of the Appeal to the parties. The notice must state all of the following:

2.12.3.5.2.1. The reason for the dismissal.

2.12.3.5.2.2. The right to request that the STAR+PLUS MMP vacate the dismissal action.

2.12.3.5.2.3. For Appeals involving Medicare services and Medicare and Medicaid overlap services, the right to request review of the dismissal by the CMS IRE.

2.12.3.5.2.4. For Appeals involving Medicaid services and services for which Medicare and Medicaid overlap, the right to request a State Fair Hearing to review the dismissal.

2.12.3.5.3. Vacating a dismissal. If good cause is established, the STAR+PLUS MMP may vacate its dismissal of an Appeal within six (6) months from the date of the notice of the dismissal.

- 2.12.3.5.4. Effect of a dismissal: The STAR+PLUS MMP's dismissal is binding unless the Enrollee or another party requests review by the CMS IRE or a State Fair Hearing, or if the decision is vacated under Section 2.12.3.5.3.

2.12.4. External Appeals

2.12.4.1. The CMS Independent Review Entity (IRE)

- 2.12.4.1.1. If, on internal Appeal, the STAR+PLUS MMP does not decide fully in the Enrollee's favor within the relevant time frame, the STAR+PLUS MMP shall automatically forward the case file regarding Medicare services to the CMS IRE for a new and impartial review.
- 2.12.4.1.2. For standard External Appeals, except those regarding Medicare Part B drugs, the CMS IRE will send the Enrollee and the STAR+PLUS MMP a letter with its decision within thirty (30) calendar days after it receives the case from the STAR+PLUS MMP, or at the end of up to a fourteen (14) calendar day extension, and a payment decision within sixty (60) calendar days.
- 2.12.4.1.2.1. The CMS IRE will resolve Appeals regarding Medicare Part B drugs in accordance with the Medicare Advantage timeline for such Appeals as determined by the contract between CMS and the IRE.
- 2.12.4.1.3. For all External Appeals except Expedited External Appeals regarding Medicare Part B drugs, if the CMS IRE decides in the Enrollee's favor and reverses the STAR+PLUS MMP's decision, the STAR+PLUS MMP must authorize the service under dispute as expeditiously as the Enrollee's health condition requires but no later than seventy-two (72) hours from the date the STAR+PLUS MMP receives the notice reversing the decision.
- 2.12.4.1.4. For Expedited External Appeals, the CMS IRE will send the Enrollee and the STAR+PLUS MMP a letter with its decision within seventy-two (72) hours after it receives the case from the STAR+PLUS MMP (or at the end of up to a fourteen (14) calendar day extension). If the STAR+PLUS MMP or the Enrollee disagrees with the CMS IRE's decision, further levels of Appeal are available, including a hearing before an Administrative Law Judge, a review by the Department Appeals Board, and judicial review. The STAR+PLUS MMP must comply with any requests for information or participation from such further Appeal entities.

2.12.4.2. The Medicaid Fair Hearing Process

2.12.4.2.1. If the STAR+PLUS MMP's internal Appeal decision is not fully in the Enrollee's favor, the Enrollee may Appeal to the HHSC Appeals Division for Medicaid-based adverse decisions. Appeals to the external Medicaid Fair Hearing process will not be automatically forwarded to the HHSC Appeals Division by the STAR+PLUS MMP. Parties to the Medicaid Fair Hearing process includes the STAR+PLUS MMP as well as the Enrollee and their representative and the representative of a deceased Enrollee's estate.

2.12.4.2.2. Appeals to the external Medicaid Fair Hearing process must be filed within 120 days of the notice or resolution, unless the time period is extended by HHSC upon a finding of good cause.

2.12.4.2.3. External Appeals to the Medicaid Fair Hearing process that qualify as Expedited Appeals shall be resolved within seventy-two (72) hours or as expeditiously as the Enrollee's condition requires. This timeframe may be extended at the Enrollee's request or otherwise in accordance with 42 C.F.R. § 431.244(f)(4).

2.12.4.2.5. If an Enrollee requests a Fair Hearing, the STAR+PLUS MMP will complete the request for Fair Hearing and submit the request in the Texas Integrated Eligibility Redesign System (TIERS) within five (5) calendar days of the Enrollee's request for a Fair Hearing. Within five (5) calendar days of notification that the Fair Hearing is set, the STAR+PLUS MMP will prepare an evidence packet for submission to the HHSC Fair Hearings staff and send a copy of the packet to the Enrollee. The

evidence packet must comply with HHSC's Fair Hearings requirements. The STAR+PLUS MMP must ensure that the appropriate STAR+PLUS MMP staff who has firsthand knowledge of the Enrollee's Appeal be able to attend all Fair Hearings as scheduled in order to speak and provide relevant information on the case.

- 2.15.4.1.3.1. A comprehensive integrated formulary that includes Medicare and Medicaid outpatient prescription drugs and pharmacy products provided under the STAR+PLUS MMP, or a distinct and separate notice on how to access the information online and how to request a hard copy, as specified in the Marketing Guidance for Texas Medicare-Medicaid Plans;

- 2.15.4.1.3.2. A combined Provider and Pharmacy Directory that includes all Providers of Medicare, Medicaid, and Flexible Benefits and is consistent with the requirements in Section 2.8, or a distinct and

2.15.4.1.3.4. A member handbook, or a distinct and separate notice on how to access the member handbook online and how to request a hard copy, as specified in the Marketing Guidance for Texas Medicare-Medicaid Plans.

NOTE: For opt-in Enrollment requests received late in the month, see § 30.4.2 of the Enrollment guidance (after the effective date of Enrollment) for more information.

2.15.4.1.4. For all Enrollments, regardless of how the Enrollment request is made, the STAR+PLUS MMP must explain:

2.15.4.1.4.1. The charges for which the prospective Enrollee will be liable (e.g., LIS copayments for Part D covered drugs), if this information is available at the time the acknowledgement notice is issued (confirmation notices and combination acknowledgement/confirmation notices must contain this information).

CMS recognizes that in some instances HHSC, or its Administrative Services Contractor, will be unable to provide the materials and required notifications to new Enrollees prior to the effective date, as required in § 30.5.1 of the Enrollment Guidance. These cases will generally occur when a voluntary Enrollment request is received late in a month with an effective date of the first of the next month. In these cases, HHSC still must provide the Enrollee all materials described in § 30.5.1

of the Enrollment Guidance no later than ten (10) calendar days after receipt of the completed Enrollment request.

2.15.4.2.2. The Enrollee's coverage will be active on the effective date regardless of whether or not the Enrollee has received all the information by the effective date. It is expected that all of the items outlined in § 30.4.1 of the Enrollment Guidance will be sent prior to the effective date for Passive Enrollment.

2.16.2.1. The STAR+PLUS MMP must submit a copy to HHSC of its required federal HPMS Fiscal Soundness Module (FSM), as may be required by and submitted to CMS.

2.16.3. Financial Statistical Reports

2.16.3.1. The STAR+PLUS MMP must submit Financial Statistical Reports (FSRs) that include Revenue, cost, and other data broken out for Demonstration Enrollees separate from individuals served by other Texas Medicaid programs. This data will include both Medicaid and Medicare premiums and expenses. The FSR will be designed by HHSC, and will be initially based on, and developed from, STAR+PLUS MMP FSRs, with Medicare added. The FSR will be submitted quarterly, and done on a State Fiscal Year basis, and are generally audited every year. The period measured is not always a full twelve months. For example, for the first and last Demonstration Years under this Contract, the State Fiscal Year measured on the FSR will be the applicable portion of the SFY (i.e., from the Contract commencement date through August 31st; and at the end, from September 1st through the Contract termination date). Not all incurred costs are allowable for inclusion in the FSR; reporting is subject to the HHSC Cost Principles.

2.16.3.2. The STAR+PLUS MMP must file quarterly and SFY FSRs in the format, timeframe and per the instructions specified in the HHSC UCM Chapter 5. The STAR+PLUS MMP must incorporate financial and statistical data of delegated Networks (e.g., IPAs, limited Provider Networks), if any, in its FSRs. Administrative, subcontract, Affiliate, and other expenses reported in the FSRs must be reported in accordance with UCM Chapter 6. Quarterly FSRs are due no later than thirty (30) days after the end of the quarter and must provide information by month for the current quarter and SFY to date information through the end of the current quarter. The first annual FSR (the “90-day FSR”) for a given SFY must reflect expenses incurred through the 90th day after the end of the SFY. This first annual report must be filed on or before the 120th day after the end of each SFY. Subsequent annual reports for

each SFY (the “334-day FSR”) must reflect data completed through the 334th day after the end of each SFY, and must be filed on or before the 365th day following the end of each SFY.

2.16.4. Annual Audit of the FSR

2.16.4.1. The STAR+PLUS MMP agrees to pay for all reasonable costs incurred by HHSC to perform an examination, review or audit of the STAR+PLUS MMP’s books and records relating to this Contract. The audit will cover the Medicaid and Medicare aspects of the FSR. The STAR+PLUS MMP must provide, and cause its subcontractors to provide, at no cost, adequate access to any records that are related to the scope of this Contract. The access required must be provided to HHSC and to any independent verification and validation contractor, audit firm, or quality assurance contractor acting on behalf of HHSC.

2.16.4.2. At the discretion of HHSC, HHSC or its agent may audit the FSRs submitted by the STAR+PLUS MMP to HHSC. Generally, an FSR audit is done once a year, shortly after the submission of the 334-day FSR. Generally, HHSC engages a professional external audit firm to conduct an Agreed-upon Procedures audit. This audit firm bills HHSC for the audit, and HHSC in turn communicates the cost of the audit to the STAR+PLUS MMP. The STAR+PLUS MMP must pay the billed amount to HHSC. Any such amount not paid is subject to interest, at the same rate as established for the Experience Rebate. Any such amount not paid within thirty (30) days of notification, including any corresponding unpaid interest, may be withheld from a future Capitation Payment.

2.16.5.1.3. In each case in Sections 2.16.5.1.1 and 2.16.5.1.2, the financial statements may be based on the fiscal year of the entity being audited. In each case, the full set of audited statements must be submitted, including the auditor’s letter (signed, and on letterhead), audit notes, and any corresponding analysis or commentary. These audited statements are due to HHSC within ten (10) calendar days of being signed by the external

audit firm that was engaged by the entity. If the financial statements are not delivered by the STAR+PLUS MMP to HHSC within 120 calendar days of the end of the entity's fiscal year, the STAR+PLUS MMP must:

2.16.5.1.4. If the legal entity of the STAR+PLUS MMP has not completed its first fiscal year as of the end of the first SFY, then the requirement for the STAR+PLUS MMP financial statements will commence with the conclusion of the STAR+PLUS MMP's first fiscal year.

The complete Form B must be submitted to HHSC even if the initial complete version was filed with TDI prior to the commencement of this Contract.

2.16.5.2.3. TDI Examination Report – As applicable, the STAR+PLUS MMP must furnish a copy of any TDI Examination Report, including the financial, market conduct, target exam, quality of care components, and

corrective action plans and responses, no later than ten (10) days after receipt by the STAR+PLUS MMP of the final report from TDI.

The written plan must include a description of the criteria for established bonus or incentive payments, the methodology to calculate bonus or incentive payments, and the timing of bonus or incentive payments. The Bonus or Incentive Payment Plan and description must be submitted to HHSC no later than thirty (30) days after the Effective Date of the Contract and any Contract renewal. If the STAR+PLUS MMP substantively revises the Employee Bonus or Incentive Payment Plan, the STAR+PLUS MMP must submit the revised plan to HHSC for prior review. HHSC reserves the right to deny or disapprove all or part of the Plan.
- 2.16.5.6. Certain other HHSC Reports – If the STAR+PLUS MMP: a) is Affiliated with an MCO that contracts with HHSC for other Medicaid managed care programs in Texas; and b) if that MCO submits the following reports on a timely and complete basis; and c) if the reports comprehensively include the STAR+PLUS MMP thereunder; then, the STAR+PLUS MMP is not required to submit these reports separately hereunder. - 3.1.2.2.6. As assessment of financial results under this Contract;
- 3.1.2.2.7. Detection of Fraud, Waste and/or Abuse; or
- 3.1.2.2.8. Other purposes CMS and/or HHSC deem necessary to perform its oversight function and/or enforce the provisions of this Contract.
- 3.1.2.3. If, as a result of an audit or review of payments made to the STAR+PLUS MMP, CMS and/or HHSC discovers a payment error or overcharge, CMS and/or HHSC will notify the STAR+PLUS MMP of such error or overcharge. CMS and/or HHSC will be entitled to recover such funds as an offset to future payments to the STAR+PLUS MMP, or to collect such funds directly from the STAR+PLUS MMP. STAR+PLUS MMP must return funds owed to HHSC within thirty (30) days after receiving notice of the error or overcharge, or interest will accrue on the amount due. HHSC will calculate interest at 12% per annum, compounded daily.
- 3.1.2.4. In the event that an audit reveals that errors in reporting by the STAR+PLUS MMP have resulted in errors in payments to the STAR+PLUS MMP or errors in the calculation of the Experience Rebate, the STAR+PLUS MMP will indemnify CMS and/or HHSC for any losses resulting from such errors, including the cost of audit.

3.2. Enrollment and Disenrollment Systems

3.2.1. General

- 3.2.1.1. CMS and HHSC will maintain systems to provide Enrollment and disenrollment information to the STAR+PLUS MMP and continuous verification of eligibility status.
- 3.2.1.2. CMS and HHSC will maintain systems to identify Enrollees determined as at risk or potentially at risk for abuse or overuse of specified prescription drugs per 42 C.F.R. §§ 423.100 and 423.153(f).
- 3.2.1.3. HHSC or its Administrative Services Contractor shall assign a staff person(s) who shall have responsibility to:

- 3.2.1.3.1. Develop generic materials to assist Eligible Enrollees in choosing whether to enroll in the Demonstration. Said materials shall present the STAR+PLUS MMP in an unbiased manner to prospective Enrollees eligible to enroll in the STAR+PLUS MMP. HHSC may collaborate with the STAR+PLUS MMP in developing STAR+PLUS MMP-specific materials;
- 3.2.1.3.2. Present the STAR+PLUS MMP in an unbiased manner to eligible Enrollees or those seeking to transfer from one STAR+PLUS MMP to another. Such presentation(s) shall ensure that Enrollees are informed prior to Enrollment of the following:
 - 3.2.1.3.2.1. The rights and responsibilities of participation in the Demonstration;
 - 3.2.1.3.2.2. The nature of the STAR+PLUS MMP's care delivery system, including, but not limited to, the Provider Network; and the Comprehensive Health Risk Assessment, and the Service Coordination Team; and
 - 3.2.1.3.2.3. Orientation and other Enrollee services made available by the STAR+PLUS MMP.
- 3.2.1.3.3. Enroll, disenroll, and process transfer requests of Enrollees in the STAR+PLUS MMP, including completion of HHSC's Enrollment and disenrollment forms;
- 3.2.1.3.4. Ensure that Enrollees are informed at the time of Enrollment or transfer of their right to terminate their Enrollment voluntarily at any time, unless otherwise provided by federal law or waiver;
- 3.2.1.3.5. Be knowledgeable about the STAR+PLUS MMP's policies, services, and procedures; and
- 3.2.1.3.6. Develop and implement processes and standards to measure and improve the performance of the HHSC Administrative Services Contractor staff. HHSC shall monitor the performance of the Administrative Services Contractor.
- 3.2.1.4. STAR+PLUS MMPs must refer all Eligible Beneficiaries to the Administrative Services Contractor for Enrollment. The State reserves the right to develop predetermined marketing scripts for STAR+PLUS MMP staff, subject to CMS review and approval.

3.3. Demonstration Transition (Phase-Out)

For purposes of meeting the Demonstration phase-out requirements set forth in Section III.L.4 of the MOU, HHSC and CMS agree that a draft phase-out plan does not need

to be submitted to CMS nor published on the Texas website for public comment if the following conditions are met:

- 3.3.1.1. Ongoing stakeholder engagement;
- 3.3.1.2. Public comment related to any new or amended Medicaid waivers associated with the Demonstration; and
- 3.3.1.3. Ongoing collaboration and planning with CMS to ensure Enrollees will be successfully enrolled in a Part D plan upon termination of the Demonstration.

4. Payment and Financial Provisions

4.1. General Financial Provisions

4.1.1. Capitation Payments

- 4.1.1.1. CMS and HHSC will each contribute to the total Capitation Payment paid to the STAR+PLUS MMP. CMS and HHSC will each make monthly payments for each Enrollee to the STAR+PLUS MMP for their portion of the Capitation Payment, in accordance with the payment provisions set forth herein and subject to all applicable federal and State laws, regulations, rules, billing instructions, and bulletins, as amended.
- 4.1.1.2. The STAR+PLUS MMP will receive three (3) monthly payments for each Enrollee: one amount from CMS reflecting coverage of Medicare Parts A/B services (Medicare Parts A/B Component), one amount from CMS reflecting coverage of Medicare Part D services (Medicare Part D Component), and a third amount from HHSC reflecting coverage of Medicaid services (Medicaid Component).
- 4.1.1.3. The Medicare Parts A/B payment will be risk adjusted using the Medicare Advantage CMS-HCC Model. The Medicare Part D payment will be risk adjusted using the Part D RxHCC Model. The Medicaid Component will utilize the Rate Cell methodology described in Section 4.2.
- 4.1.1.4. CMS and HHSC will provide the STAR+PLUS MMP with a rate report on an annual basis for the upcoming calendar year. Updates to the Medicaid portion of the rate will take place at least once at the beginning of the SFY on September 1st and may be more often as necessary to match adjustments made to the Medicaid Capitation Rates in the contracts that support the THTQIP section 1115(a) demonstration program that would apply for beneficiaries in the target population who do not enroll in the Demonstration. Adjustments to the Medicaid component of the rates may be done retroactively, if necessary to match the Medicaid baseline rates.

4.1.1.5. On a regular basis, CMS will provide HHSC with the STAR+PLUS MMP-level payment information in the Medicare Plan Payment Report. The use of such information by HHSC will be limited to financial monitoring, performing financial audits, and related activities, unless otherwise agreed to by CMS and the STAR+PLUS MMP. On a regular basis, HHSC will also provide to CMS STAR+PLUS MMP-level payment information including the Medicaid Capitation Payments.

4.1.2. Demonstration Year Dates

4.1.2.1. While Capitation Rate updates will take place each State Fiscal Year and calendar year or more frequently, as described in this Section, savings percentages and quality withhold percentages (see Sections 4.2.4 and 4.4.5) will be applied based on Demonstration Years, as follows:

- 4.1.2.1.1. Demonstration Year 1.a: March 1-December 31, 2015
- 4.1.2.1.2. Demonstration Year 1.b: January 1-December 31, 2016
- 4.1.2.1.3. Demonstration Year 2: January 1-December 31, 2017
- 4.1.2.1.4. Demonstration Year 3: January 1-December 31, 2018
- 4.1.2.1.5. Demonstration Year 4: January 1-December 31, 2019
- 4.1.2.1.6. Demonstration Year 5: January 1-December 31, 2020
- 4.1.2.1.7. Demonstration Year 6: January 1-December 31, 2021
- 4.1.2.1.8. Demonstration Year 7: January 1-December 31, 2022
- 4.1.2.1.9. Demonstration Year 8: January 1-December 31, 2023
- 4.1.2.1.10. Demonstration Year 9: January 1-December 31, 2024

4.2. Capitated Rate Structure

4.2.1. General

4.2.1.1. Any and all costs incurred by the STAR+PLUS MMP in excess of the Capitation Payment will be borne in full by the STAR+PLUS MMP, except as relates to the Part D Component.

4.2.2. Medicaid Component of the Capitation Payment

4.2.2.1. HHSC shall pay the STAR+PLUS MMP a monthly capitation amount (the Medicaid Component) based on the Rate Cell of the Enrollee, a sum equal to the product of the approved Capitation Rate and the number of Enrollees enrolled in that category as of the first day of that month.

- 4.2.2.2. After the first monthly Capitation Payment, amounts will be added or subtracted to this base amount as may be necessary to reflect prior-month adjustments, as referenced in Section 4.7, Reconciliation.
- 4.2.2.3. Under the Demonstration’s quality withhold policy, both CMS and HHSC will withhold a percentage of their respective components of the Capitation Payment, with the exception of the Part D Component and payments made to the STAR+PLUS MMP with the express purpose of sharing with the Providers. The withheld amounts will be paid at a later date, subject to the STAR+PLUS MMP’s performance. Thus, STAR+PLUS MMPs should not expect to receive one hundred (100) percent of their monthly Capitation Payment each month; instead, a portion of it will be remitted at a later point in time, subject to performance.
- 4.2.2.4. The baseline spending data for Medicaid services used for calculating the Medicaid Component of Demonstration Year 1.a and 1.b Capitation Rates is experience from the historical data from the total population that would have been eligible for Enrollment in the Demonstration during the historical baseline period. Completion factors are calculated and applied to the baseline data, in order to include expenditures for services that were incurred but not paid in the available data. The data are then adjusted for known policy and program changes that will be in effect during the Contract period. The completed and adjusted data are trended forward to the midpoint of the Contract period and used to develop Capitation Rates. All steps in this process are subject to CMS review.
- 4.2.2.5. The Capitation payments are based on the Rate Cell structure for the STAR+PLUS program. Table 4-1 lists the Medicaid Rate Cells. HHSC will use its eligibility system to determine an Enrollee’s Rate Cell.

4.2.3. Medicare Component of the Capitation Rate

4.2.3.1. Medicare will pay the STAR+PLUS MMP a monthly capitation amount for the Medicare Parts A/B services (the Medicare A/B Component), risk adjusted using the Medicare Advantage CMS-HCC Model and the CMS-HCC ESRD Model, except as specified in Section 4.2.5. Medicare will also pay the STAR+PLUS MMP a monthly capitation amount for the Medicare Part D services, risk adjusted using the Part D RxHCC Model (the Medicare Part D Component).

4.2.3.2. Medicare Parts A/B Component

4.2.3.2.1. The Medicare baseline spending for Parts A/B services are a blend of the Medicare Advantage projected payment rates and the Medicare FFS standardized county rates for each year, weighted by the proportion of the Enrolled population enrolled in each program prior to the Demonstration. The Medicare Advantage baseline spending will include costs that would have occurred absent the Demonstration, such as quality bonus payments for applicable Medicare Advantage plans. The FFS county rates will generally reflect amounts published with the annual Medicare Advantage Final Rate Announcement. CMS may adjust the Medicare FFS standardized county rates as necessary to calculate accurate payment rates for the Demonstration. To the extent that the published FFS county rates do not conform with current law in effect for Medicare during an applicable payment month, and to the extent that such nonconformance would have a significant fiscal impact on the Demonstration, CMS will update the baseline (and therefore the corresponding payment rate) to calculate and apply an accurate payment rate for such month. Such update may take place retroactively, as needed.

4.2.3.2.2. Separate baselines will exist for Enrollees meeting the Medicare ESRD criteria. For Enrollees with ESRD in the dialysis or transplant status phases, the Medicare Parts A/B baseline will be the ESRD dialysis State rate, published with the annual Medicare Advantage Final Rate Announcement, minus deductions for kidney acquisition costs (as of

CY2021), IME and user fees. For Enrollees in the functioning graft status phase, the Medicare Parts A/B baseline will be the Medicare Advantage 3.5%-bonus county rate (benchmark), published with the annual Medicare Advantage Final Rate Announcement, for the applicable county.

4.2.3.2.3. Both baseline spending and payment rates under the Demonstration for Medicare Parts A/B services will be calculated as PMPM standardized amounts for each county participating in the Demonstration for each year. Enrollee risk scores will be applied at the standardized rates at the time of payment.

4.2.3.2.4. The Medicare A/B Component will be updated annually consistent with annual FFS estimates and Medicare Advantage rates released each year with the annual rate announcement.

4.2.3.3. Medicare Part D Component

4.2.3.3.1. The Medicare Part D baseline for the Part D Direct Subsidy will be set at the Part D national average monthly bid amount (NAMBA) for the calendar year. CMS will estimate an average monthly prospective payment amount for the low-income Cost Sharing subsidy (LIS) and federal reinsurance amounts; these payments will be reconciled after the end of each payment year in the same manner as for all Part D sponsors.

4.2.3.3.2. The monthly Medicare Part D Component for an Enrollee can be calculated by multiplying the Part D NAMBA by the RxHCC risk score assigned to the individual, and then adding to this the estimated average monthly prospective payment amount for the LIS subsidy and federal reinsurance amounts.

4.2.4. Aggregate Savings Percentages

4.2.4.1. Aggregate savings percentages, as follows, will be applied equally to the baseline spending amounts for the Medicare Parts A/B Component and the Medicaid Component of the capitated rate, provided that such savings percentages may be adjusted in accordance with Section 4.2.4.2.

4.2.4.1.1. Demonstration Year 1.a: 1.25%

4.2.4.1.2. Demonstration Year 1.b: 2.75%

4.2.4.1.3. Demonstration Year 2: 3.75%

4.2.4.1.4. Demonstration Year 3: 5.5%

4.2.4.1.5. Demonstration Year 4: 5.5%

4.2.4.1.6. Demonstration Year 5: 5.5%

- 4.2.4.1.7. Demonstration Year 6: 5.5%
- 4.2.4.1.8. Demonstration Year 7: 5.5%
- 4.2.4.1.9. Demonstration Year 8: 5.5%
- 4.2.4.1.10. Demonstration Year 9: 5.5%

4.2.4.2. Rate updates will take place on January 1st and September 1st of each calendar year, however savings percentages will be calculated and applied based on the Demonstration Years.

4.2.4.3. Savings percentages will not be applied to the Part D Component of the rate. CMS will monitor Part D costs closely on an ongoing basis. Any material change in part D costs relative to the baseline may be factored into future year savings percentages. In addition, savings percentages will not be applied to the Quality Incentive Payment Program portion of the Medicaid rate.

4.2.5. Risk Adjustment Methodology

4.2.5.1. Medicare Parts A/B: The Medicare Parts A/B Component will be risk adjusted based on the risk profile of each Enrollee. Except as specified below, the existing Medicare Advantage CMS-HCC and CMS-HCC ESRD risk adjustment methodology will be used for the Demonstration.

4.2.5.1.1. In calendar year 2015, CMS will calculate and apply a coding intensity adjustment reflective of all Demonstration Enrollees. This will apply the prevailing Medicare Advantage coding intensity adjustment proportional to the anticipated proportion of Enrollees in 2015 with Medicare Advantage experience in 2014, prior to the Demonstration.

4.2.5.1.2. In calendar year 2016, CMS will apply an appropriate coding intensity adjustment reflective of all Demonstration Enrollees; this will apply the prevailing Medicare Advantage coding adjustment proportional to the anticipated proportion of Enrollees in CY 2016 with prior Medicare Advantage experience and/or Demonstration experience based on the Demonstration's Enrollment phase-in, as of September 30, 2015.

4.2.5.1.3. After calendar year 2016, CMS will apply the prevailing Medicare Advantage coding intensity adjustment to all Enrollees.

4.2.5.1.4. The coding intensity adjustment factor will not be applied during the Demonstration to risk scores for Enrollees with an ESRD status of dialysis or transplant, consistent with Medicare Advantage policy.

4.2.5.2. Medicare Part D: The Medicare Part D NAMBA will be risk adjusted in accordance with existing Part D RxHCC methodology. The estimated average

monthly prospective payment amount for the LIS and federal reinsurance amounts will not be risk adjusted.

- 4.2.5.3. Medicaid: The Medicaid Component will employ Rate Cells described in Section 4.2.1.

4.3. Experience Rebate

4.3.1. General

- 4.3.1.1. The Demonstration will utilize a one-sided Experience Rebate, similar to, but separate from, that used in Texas' STAR+PLUS program (for those groups of STAR+PLUS Enrollees that are not part of this Demonstration, the previously existing STAR+PLUS Experience Rebate will continue to apply). The Experience Rebate is designed to limit the profits received by STAR+PLUS MMPs to a reasonable percentage of total Revenue, and to encourage use of Revenues for services rather than administrative expenses by putting a limit (Admin Cap) on the amount of administrative expenses that can be used to calculate Net Income Before Taxes when determining the Experience Rebate. The Experience Rebate will apply for all SFYs and will include all Medicare A/B and Medicaid Allowable Expenses.
- 4.3.1.2. The Admin Cap will become effective for the second SFY of the Demonstration. The Experience Rebate and the Admin Cap will be calculated on a SFY basis. Audits of the FSRs will be conducted on a SFY basis, and any audit findings will be applied to the FSRs on a SFY basis.
- 4.3.1.3. Under this Demonstration, at an appropriate time after the end of each SFY, the STAR+PLUS MMP must pay to the State an Experience Rebate if the STAR+PLUS MMP's Net Income Before Taxes is greater than the percentage set forth of the total Revenue for the period. There will be specified time frames for the payment of the Experience Rebates, and interest will be applied for late payment or inappropriate reporting that ultimately results in delayed payment. The Experience Rebate will be calculated in accordance with a tiered rebate method summarized in Table 4-2, below. The State will remit to CMS a share as described in Section 4.3.1.5.
- 4.3.1.4. Revenue will include Capitation Payments received by the STAR+PLUS MMP, including the impact of risk adjustment methodologies and cost reconciliation, if any, not including the Part D Component. In calculating the Experience Rebate, Revenues will not be reduced by any quality withhold hereunder, and any such withheld payment will not be an Allowable Expense hereunder. Thus, any payment forfeited under the quality withhold terms will not reduce the Net Income Before Taxes used in the Experience Rebate calculation. The Experience Rebate would be calculated as if the payment had not been withheld.

- 4.3.1.5. Rebate amounts collected from STAR+PLUS MMPs will be distributed back to the Medicare and Medicaid programs, with the amount to each payor in proportion to their contributions to the Capitation Payments, not including the Part D Component. The share of the rebate attributed to the Medicaid Component will be treated as recoupment of Medicaid expenditures subject to federal matching rules. At the option of CMS and the State, any Experience Rebate payments (along with any associated interest) may be recovered either by requiring the STAR+PLUS MMP to make a payment or by an offset to future Capitation Payments. Any such amount that may be recovered by an offset will not reduce the amount of Revenues attributable to the period in which the offset was affected. As such, offsets will be treated as simply a collection methodology, and not a component in calculating Revenues, Allowable Costs, Net Income Before Taxes, or Experience Rebates.
- 4.3.1.6. CMS and HHSC will use the following graduated tiers to determine STAR+PLUS MMPs' applicable Experience Rebates:
- 4.3.1.6.1. The STAR+PLUS MMP will retain all the Net Income Before Taxes that is equal to or less than 3% of the Adjusted Revenue received by the STAR+PLUS MMP.
- 4.3.1.6.2. HHSC/CMS and the STAR+PLUS MMP will share that portion of the Net Income Before Taxes that is over 3% and less than or equal to 5% of the Adjusted Revenue received by the STAR+PLUS MMP, with 80% to the STAR+PLUS MMP and 20% to HHSC/CMS.
- 4.3.1.6.3. HHSC/CMS and the STAR+PLUS MMP will share that portion of the Net Income Before Taxes that is over 5% and less than or equal to 7% of the Adjusted Revenue received by the STAR+PLUS MMP, with 60% to the STAR+PLUS MMP and 40% to HHSC/CMS.
- 4.3.1.6.4. HHSC/CMS and the STAR+PLUS MMP will share that portion of the Net Income Before Taxes that is over 7% and less than or equal to 9% of the Adjusted Revenue received by the STAR+PLUS MMP, with 40% to the STAR+PLUS MMP and 60% to HHSC/CMS.
- 4.3.1.6.5. HHSC/CMS and the STAR+PLUS MMP will share that portion of the Net Income Before Taxes that is over 9% and less than or equal to 12% of the Adjusted Revenue received by the STAR+PLUS MMP, with 20% to the STAR+PLUS MMP and 80% to HHSC/CMS.
- 4.3.1.6.6. HHSC/CMS will recoup the entire portion of the Net Income Before Taxes that exceeds 12% of the Adjusted Revenue received by the STAR+PLUS MMP.
- 4.3.1.7. Medical Loss Ratio (MLR)

- 4.3.1.7.1. For rating periods beginning on or after July 1, 2017, the STAR+PLUS MMP is required to calculate and report its MLR experience for Medicaid, consistent with the requirements at 42 C.F.R. §§ 438.4, 438.5, Part 422, Subpart X (for Medicare Advantage organizations) and Part 423, Subpart X (for Part D sponsors).
- 4.3.1.7.1.1. Texas requires a joint Medicare-Medicaid MLR. This MLR will be calculated based on the STAR+PLUS MMP's experience only in their STAR+PLUS MMP operations; it will not be combined with other contracts, such as STAR, STAR+PLUS, or CHIP. This MLR will be calculated based on the combined total of all counties in which the STAR+PLUS MMP operates in Texas; it will not be calculated on a county by county basis. The MLR will be calculated based on data from the same time period as the FSR data and the Experience Rebate; it will be calculated based on data from the SFY (not the Demonstration Year or Contract Year). Data used by the STAR+PLUS MMP in determining the components of the numerator and denominator in the MLR must tie to FSR data, where applicable. Any Experience Rebates paid by the STAR+PLUS MMP (for the STAR+PLUS MMP contract specifically) will be treated as a reduction in aggregate premiums paid in the denominator, and will be applied in the MLR for the same SFY as the Experience Rebate resulted from (i.e., not in the MLR from the SFY in which the payment was actually made). The MLR data will be reported to CMS and HHSC in conformance with the requirements as stated in the MCM, Chapter 5.3.13.3 Dual Demonstration Medical Loss Ratio (MLR) Instructions with further MLR guidance as provided by CMS and HHSC. The first joint MLR will apply to the results of the rating period commencing September 1, 2017 (SFY 2018). As permitted and in conformance with 42 C.F.R. Part 422, Subpart X (for Medicare Advantage organizations) and Part 423, Subpart X (for Part D sponsors), HHSC does not intend to require remittances in conjunction with the MLR requirements and corresponding reporting outcomes. The presence of MLR reporting requirements will not remove the Experience Rebate requirements.
- 4.3.1.7.2. Prior to the applicability of the requirements in Section 4.3.1.7.1, for all Demonstration Years in which the Experience Rebate applies, the Medicare Advantage MLR requirements are waived. To the extent the Experience Rebate ceases prior to the applicability of the requirements in Section 4.3.1.7.1, the Medicare Advantage MLR requirements will be reinstated for any applicable years in which the Experience Rebate is not in effect.

Table 4-2 Experience Rebate Tiers

Net Income Before Taxes as a % of Adjusted Revenue	STAR+PLUS MMP Share	Combined CMS/Texas Share
≤3%	100%	0%
>3% and ≤ 5%	80%	20%
>5% and ≤ 7%	60%	40%
>7% and ≤ 9%	40%	60%
>9% and ≤ 12%	20%	80%
>12%	0%	100%

4.3.2. Basis of Consolidation of the Experience Rebate

4.3.2.1. There will no consolidation of the Experience Rebate with other HHSC programs. The Experience Rebate for the STAR+PLUS MMPs will be separate, and will not have offsets of income or losses with other HHSC programs. All Service Areas for a given STAR+PLUS MMP will be consolidated into a single Experience Rebate for the Demonstration, for each SFY.

4.3.3. Net Income Before Taxes subject to the Experience Rebate

4.3.3.1. Net Income Before Taxes, as well as Revenues and Allowable Expenses will be measured through the established Texas FSR system, and reviewed and confirmed by HHSC and CMS. HHSC's Cost Principles will apply with respect to the FSR, and STAR+PLUS MMPs will be subject to standard FSR audits.

4.3.3.2. For purposes of this Contract, the calculation of Net Income Before Taxes will exclude the impact of Medicare Part D, both in terms of the CMS premium payments to the STAR+PLUS MMP for the Part D Component, and the associated Part D costs incurred by the STAR+PLUS MMP.

4.3.3.3. The STAR+PLUS MMP must compute the Net Income Before Taxes in accordance with applicable federal regulations and the HHSC UCMCM's "Cost Principles for Expenses", "FSR Instructions for Completion", and similar such instructions. The Net Income Before Taxes will be confirmed by HHSC or its agent for the SFY relating to all Revenues and Allowable Expenses incurred pursuant to the Contract. HHSC reserves the right to modify the "Cost Principles for Expenses" and "FSR Instructions for Completion."

- 4.3.3.4. For purposes of calculating Net Income Before Taxes, certain amounts are not Allowable Expenses deducted from Revenue and therefore are not counted toward the calculation of the Experience Rebate; these include, but are not limited to, the following:
 - 4.3.3.4.1. The payment of an Experience Rebate;
 - 4.3.3.4.2. Any interest expense associated with late or underpayment of the Experience Rebate;
 - 4.3.3.4.3. Quality Withhold amounts, as described in Section 4.4.6;
 - 4.3.3.4.4. Liquidated damages, and any interest expense associated with them; and
 - 4.3.3.4.5. Financial incentives and financial disincentives, if any.
 - 4.3.3.4.5.1. Financial incentives are true net bonuses and shall not be reduced by the potential increased Experience Rebate payments. Financial disincentives are true net disincentives, and shall not be offset in whole or part by potential decreases in Experience Rebate payments.
 - 4.3.3.4.5.2. For FSR reporting purposes, financial incentives incurred shall not be reported as an increase in Revenues or as an offset to costs, and any award of such will not increase reported income. Financial disincentives incurred shall not be included as reported expenses, and shall not reduce reported income. The reporting or recording of any of these incurred items will be done on a memo basis, which is below the income line, and will be listed as separate items.
- 4.3.4. Carry Forward of Prior Year Losses
 - 4.3.4.1. For Experience Rebate calculation purposes, the calculation of any loss carry-forward will be based on the allowable pre-tax loss as determined under the Admin Cap.
 - 4.3.4.2. Losses incurred by the STAR+PLUS MMP for a given SFY may be carried forward to the next SFY and applied as an offset against pre-tax net income for determination of any Experience Rebate due. Any such prior losses may be carried forward for the next two (2) contiguous SFYs.
 - 4.3.4.3. In the case when a loss in a given SFY is carried forward and applied against profits in either or both of the next two (2) SFYs, the loss must first be applied against the first subsequent SFY such that the profit in the first subsequent SFY is reduced to a zero pre-tax income; any additional loss then remaining unapplied may be carried forward to any profit in the next

subsequent SFY. In such case, the revised income in the third SFY would be equal to the cumulative income of the three (3) contiguous SFYs. In no case could the loss be carried forward to the fourth SFY or beyond.

4.3.4.4. Carrying forward of losses may be impacted by the Admin Cap, as referenced in Section 4.3.7.

4.3.4.5. In order for a loss to be eligible for potential carry forward as an offset against future income, the STAR+PLUS MMP must have a negative Net Income Before Taxes for a SFY.

4.3.5. Settlements for Payment

4.3.5.1. There may be one or more STAR+PLUS MMP payment(s) of the State/CMS share of the Experience Rebate on income generated for a given SFY. The first scheduled payment (the “Primary Settlement”) will equal 100% of the State/CMS share of the Experience Rebate as derived from the FSR, and will be paid on (or before) the same day the 90-day FSR report is due to HHSC.

4.3.5.2. The “Primary Settlement,” as utilized herein, refers strictly to what should be paid with the 90-day FSR, and does not refer to the first instance in which a STAR+PLUS MMP may tender a payment. For example, a STAR+PLUS MMP may submit a 90-day FSR indicating no Experience Rebate is due, but then submit a 334-day FSR with a higher income and a corresponding Experience Rebate payment. In such case, this initial payment would be subsequent to the Primary Settlement.

4.3.5.3. The next scheduled payment will be an adjustment to the Primary Settlement, if required, and will be paid on (or before) the same day that the 334-day FSR is due to HHSC if the adjustment is a payment from the STAR+PLUS MMP to HHSC. Section 4.3.6 describes the interest expenses associated with any payment after the Primary Settlement.

4.3.5.4. A STAR+PLUS MMP may make non-scheduled payments at any time to reduce the accumulation of interest under Section 4.3.6. For any nonscheduled payments prior to the 334-day FSR, the STAR+PLUS MMP is not required to submit a revised FSR, but is required to submit an Experience Rebate calculation form and an adjusted summary page of the FSR. The FSR summary page is labeled “Part 1: Summary Income Statement.”

4.3.5.5. HHSC or its agent may audit or review the FSRs. If HHSC determines that corrections to the FSRs are required, based on an HHSC audit/review or other documentation acceptable to HHSC, then HHSC will make final adjustments. Any payment resulting from an audit or final adjustment will be due from the STAR+PLUS MMP within thirty (30) days of the earlier of:

- 4.3.5.5.1. The date of the management representation letter resulting from the audit; or
 - 4.3.5.5.2. The date of any invoice or similar written notification issued by HHSC.
 - 4.3.5.6. Payment within this 30-day timeframe will not relieve the STAR+PLUS MMP of any interest payment obligation that may exist under Section 4.3.6.
 - 4.3.5.7. In the event that any Experience Rebates and/or corresponding interest payments owed to the State are not paid by the required due dates, then HHSC may offset such amounts from any future Capitation Payments, or collect such sums directly from the STAR+PLUS MMP. HHSC may adjust the Experience Rebate if HHSC determines the STAR+PLUS MMP has paid amounts for goods or services that are not reasonable, necessary, or allowable in accordance with UCM Chapter 6 and the Federal Acquisition Regulations (FAR), or other applicable federal or State regulations. HHSC has final authority in auditing and determining the amount of the Experience Rebate.
- 4.3.6. Interest on the Experience Rebate
- 4.3.6.1. Interest on any Experience Rebate owed to HHSC will be charged beginning 35 days after the due date of the Primary Settlement, as described in Section 4.3.5, Settlements for Payment. Thus, any Experience Rebate due or paid on or after the Primary Settlement will accrue interest starting at thirty-five (35) days after the due date for the 90-day FSR. For example, any Experience Rebate payment(s) made in conjunction with the 334-day FSR, or as a result of audit findings, will accrue interest back to the thirty-five (35) days after the due date for the submission of the 90-day FSR.
 - 4.3.6.2. The STAR+PLUS MMP has the option of preparing an additional FSR based on 120 days of Claims run-out (a “120-day FSR”). If a 120-day FSR, and an Experience Rebate payment based on it, are received by HHSC before the interest commencement date above, then such a payment would be counted as part of the Primary Settlement.
 - 4.3.6.3. If an audit or adjustment determines a downward revision of income after an interest payment has previously been required for the same SFY, then HHSC will recalculate the interest and, if necessary, issue a full or partial refund or credit to the STAR+PLUS MMP.
 - 4.3.6.4. Any interest obligations that are incurred pursuant to Section 4.3.6, that are not timely paid will be subject to accumulation of interest as well, at the same rate as applicable to the underlying Experience Rebate.
 - 4.3.6.5. All interest assessed pursuant to Section 4.3.6 will continue to accrue until such point as a payment is received by HHSC, at which point interest on the

amount received will stop accruing. If a balance remains at that point that is subject to interest, then the balance will continue to accrue interest. If interim payments are made, then any interest that may be due will only be charged on amounts for the time period during which they remained unpaid. By way of example only, if \$100,000 is subject to interest commencing on a given day, and a payment is received for \$75,000 45 days after the start of interest, then the \$75,000 will be subject to the forty-five (45) days of interest, and the \$25,000 balance will continue to accrue interest until paid. The accrual of interest as defined under Section 4.3.6 will not stop during any period of dispute. If a dispute is resolved in the STAR+PLUS MMP's favor, then interest will only be assessed on the revised unpaid amount.

4.3.6.6. If the STAR+PLUS MMP incurs an interest obligation pursuant to Section 4.3.6 for an Experience Rebate payment, HHSC will assess such interest at 12% per annum, compounded daily. If any interest rate stipulated hereunder is found by a court of competent jurisdiction to be outside the range deemed legal and enforceable, then the rate hereunder will be adjusted as little as possible so as to be deemed legal and enforceable.

4.3.6.7. Any such interest expense incurred pursuant to Section 4.3.6 is not an Allowable Expense for reporting purposes on the FSR.

4.3.7. Administrative Expense Cap

4.3.7.1. General Requirement – The calculation methodology of Experience Rebates described in Section 4.3 will be adjusted by an Administrative Expense Cap (“Admin Cap”). The Admin Cap will be introduced during the second SFY of the Demonstration. The Admin Cap is a calculated maximum amount of administrative expense dollars that can be deducted from Revenues for purposes of determining income subject to the Experience Rebate. While Administrative Expenses may be limited by the Admin Cap to determine Experience Rebates, all valid Allowable Expenses will continue to be reports on the FSRs. Thus, the Admin Cap does not impact FSR reporting, but may impact any associated Experience Rebate calculation.

4.3.7.2. Calculation methodology – The calculation of any Experience Rebate due will be subject to limitations on total deductible administrative expenses. Such limitations will be calculated as follows below.

4.3.7.2.1. HHSC and CMS will determine the actual or inferred administrative expense component of the applicable Capitation Rate structure prior to each applicable Rate Period. At the conclusion of a SFY, HHSC will apply that predetermined administrative expense component against the STAR+PLUS MMP's actually incurred number of Member Months and aggregate premiums received (monthly Capitation Payments, which excludes any investment income or interest earned), to

determine the specific Admin Cap, in aggregate dollars, for a given MMP.

4.3.7.2.2. If rates are changed during the SFY, HHSC will use this same methodology of multiplying the predetermined rates for a given month against the ultimate actual number of Member Months or Revenues that occurred during that month, such that HHSC will apply each month's actual results against the rates that were in effect for that month.

4.3.7.2.3. Classification of certain expenses as "administrative" vs. "medical" – Labor and benefit costs of Service Coordination, when provided by Service Coordinators (or someone who is clearly an integral member of the Service Coordination Team) strictly in accordance with the terms herein, will not be accounted for as an administrative expense on the FSR, but will instead be accounted for as a type of medical expense. Expenses classified as such on the FSR will be narrowly limited to specified Service Coordination tasks performed by these specifically identified individuals.

4.3.7.2.3.1. In determination of any Admin Cap calculation, the basis used in the rates will be compared against the actual expenses using the same basis. This means if a given expense type, such as Service Coordination, was included in the rate structure as part of the administrative expense rate, then the actual incurred expenditures for that expense type would be "bucketed" the same way for calculation of the Admin Cap impact. When certain costs are reclassified out of the rate structure, from administrative to medical, then the "bucketing" of the actual costs will follow suit.

4.3.7.2.3.2. Note that Service Coordination, as defined herein, is one part of the broader concept of Care Management, and as such, this FSR reporting cost classification treatment only applies to the narrower application of Service Coordination.

4.3.7.3. Data Sources

4.3.7.3.1. In determining the amount of Experience Rebate payment to include in the Primary Settlement (or in conjunction with any subsequent payment or settlement), the STAR+PLUS MMP will need to make the appropriate calculation, in order to assess the impact, if any, of the Admin Cap.

4.3.7.3.2. The total premiums paid by HHSC and CMS (excluding premiums for Medicare Part D), and corresponding Member Months, will be taken from the relevant FSR (or audit report) for the SFY.

4.3.7.3.3. There are several components of the administrative expense portion of the Capitation Rate structure. These will be supplied by HHSC and CMS.

4.3.7.4. Consolidation and Offsets

4.3.7.4.1. The Admin Cap for the STAR+PLUS MMP will not be consolidated with other programs. Administrative expenses for the STAR+PLUS MMP will be reported separately from those reported for STAR, STAR+PLUS, CHIP, STAR Health, Dental, etc. The Admin Cap for the Demonstration will be consolidated across multiple SDAs, if a given STAR+PLUS MMP is contracted to serve multiple Service Areas.

4.3.7.4.2. There will be one aggregate amount of dollars determined as the total Admin Cap for a given SFY under the Demonstration, which will be applied to the aggregate administrative expenses of the STAR+PLUS MMP under this Contract. The net impact of the Admin Cap will be applied to the Experience Rebate calculation.

4.3.8. Reinsurance Cap

4.3.8.1. Beginning with the commencement of the Demonstration, the STAR+PLUS MMP is subject to the Reinsurance Cap.

4.3.8.2. Reinsurance is reported on HHSC's FSR format as: 1) gross reinsurance premiums paid, and 2) reinsurance recoveries received. The premiums paid are treated as a part of medical expenses, and the recoveries received are treated as an offset to those medical expenses (also known as a contra-cost). The net of the gross premiums paid minus the recoveries received is called the net reinsurance cost. The net reinsurance cost, as measured in aggregate dollars over the FSR Reporting Period, divided by the number of Member Months for the same period, is referred to as the net reinsurance cost per-member-per-month (PMPM).

4.3.8.3. The STAR+PLUS MMP will be limited to a maximum amount of net reinsurance cost PMPM for purposes of calculating the pre-tax net income that is subject to Experience Rebate. This limitation does not impact a STAR+PLUS MMP's ability to purchase or arrange for reinsurance. It only impacts what is factored into the Experience Rebate calculation. The maximum amount of allowed net reinsurance cost PMPM (reinsurance cap) will be provided by HHSC and CMS. At present, the rates reflect that there should be no net reinsurance cost in the Demonstration. As such, the Reinsurance Cap is zero, unless at a future point the rates are revised to include a positive amount. Thus, any net reinsurance cost PMPM reported on the FSR will be removed from expenses in the calculation of the Experience Rebate.

- 4.3.8.4. Regardless of the maximum amounts as represented by the Reinsurance Cap, all reinsurance reported on the FSR is subject to audit, and must comply with the UMCM Cost Principles.

4.4. Payment Terms

4.4.1. Enrollee Contribution to Care

- 4.4.1.1. With respect to Medicaid long-term care, Enrollee contribution to care amounts (which are paid to Nursing Facilities by certain Enrollees with higher incomes) will be deducted from total Nursing Facility costs in the rate setting process, such that the Medicaid Component of the monthly Capitation Rate will reflect an appropriate net Payment amount. Thus, no additional adjustments will be necessary on a monthly basis to aggregate Capitation Payments.

4.4.2. Timing of Capitation Payments

- 4.4.2.1. CMS and HHSC will each make monthly payments to the STAR+PLUS MMP. The STAR+PLUS MMP shall accept electronic transfer of funds to receive Capitation Payments.

4.4.3. Enrollment

- 4.4.3.1. The payment for a particular month will reflect payment for the individuals with effective Enrollment into the STAR+PLUS MMP as of the first day of that month.
- 4.4.3.2. HHSC will make monthly payments to the STAR+PLUS MMP for the current month's Enrollment by the 10th Business Day of the month.

4.4.4. Disenrollments

- 4.4.4.1. The final PMPM Capitation Payment made by CMS and HHSC to the STAR+PLUS MMP for each Enrollee will be for the month: a) in which the disenrollment was submitted, b) the Enrollee loses eligibility, or c) the Enrollee dies (see Section 2.3.5).

4.4.5. Modifications to Capitation Rates

- 4.4.5.1. CMS and HHSC will jointly notify the STAR+PLUS MMP in advance and in writing as soon as practicable, but no less than thirty (30) days prior to processing the change to the Capitation Rate, of any proposed changes to the Capitation Rates, and the STAR+PLUS MMP shall accept such changes as payment in full as described in Section 4.8.
- 4.4.5.2. Rates will be updated using a similar process for each year. Subject to Section 4.4.4.3 below, changes to the Medicare and Medicaid baselines (and therefore to the corresponding payment rate) outside of the annual Medicare

Advantage and Part D rate announcement and annual Medicaid rate update will be made only if and when CMS and HHSC jointly determine the change is necessary to calculate accurate payment rates for the Demonstration. Such changes may be based on the following factors: shifts in Enrollment assumptions; major changes or discrepancies in federal law and/or State policy used in the development of baseline estimates; and changes to coding intensity.

- 4.4.5.3. For changes solely affecting the Medicare program baseline, CMS will consult with HHSC prior to making any adjustment, but HHSC concurrence will not be required. CMS will update baselines by amounts necessary to best effectuate accurate payment rates for each month, as identified by the independent CMS Office of the Actuary.
 - 4.4.5.4. Subject to Section 4.4.4.3 above, if other statutory changes enacted after the annual baseline determination and rate development process are jointly determined by CMS and HHSC to have a material change in baseline estimates for any given payment year, baseline estimates and corresponding standardized payment rates shall be updated outside of the annual rate development process.
 - 4.4.5.5. CMS and/or HHSC will make changes to baseline estimates after identification of the need for such changes, and changes will be applied, including on a retrospective basis if necessary, to effectuate accurate payment rates for each month.
 - 4.4.5.6. Any material changes in the Medicaid State plan, including pertaining to Covered Services, payment schedules and related methodologies, shall be reflected in corresponding Capitation Rate adjustments. The STAR+PLUS MMP will not be required to implement such changes without advance notice and corresponding adjustment in the Capitation Payment. In addition, to the extent other Medicaid costs are incurred absent the Demonstration, such costs shall be reflected in the corresponding Capitation Rate adjustments.
 - 4.4.5.7. Changes to the savings percentages will be made if and when CMS and HHSC jointly determine that changes in Part D spending have resulted in materially higher or lower savings that need to be recouped through higher or lower savings percentages applied to the Medicare A/B baselines.
- 4.4.6. Quality Withhold Policy
- 4.4.6.1. Under the Demonstration, both CMS and HHSC will withhold a percentage of their respective components of the Capitation Payment, with the exception of the Part D Component. The withheld amounts will be repaid subject to the STAR+PLUS MMP's performance consistent with established quality thresholds.

- 4.4.6.2. CMS and HHSC will evaluate the STAR+PLUS MMP's performance according to the specified metrics required in order to earn back the quality withhold for a given year.
- 4.4.6.3. Whether or not the STAR+PLUS MMP has met the quality requirements in a given year will be made public.
- 4.4.6.4. Additional details regarding the quality withholds, including more detailed specifications, required thresholds and other information regarding the methodology are available in the Medicare-Medicaid Capitated Financial Alignment Model CMS Core Quality Withhold Technical Notes and Texas Quality Withhold Measure Technical Notes.
- 4.4.6.5. Note that, with respect to FSR reporting, neither the withholds, nor any later payment of amounts withheld, will impact the reporting of either Revenues, Allowable Costs, or Net Income Before Taxes, or, the calculation of the Experience Rebate. Revenues will be reported at their 100% value, as though there had not been anything withheld. Income will be calculated likewise, irrespective of whether the withholds are earned for later payment, or lost and forfeited. Withholds and later payments may be captured on a memo basis on the FSR, but this will not impact the financial results calculated and reported.
- 4.4.6.6. Withhold Measures in Demonstration Year 1
- 4.4.6.6.1. Table 4-3 below identifies the withhold measures for Demonstration Years 1.a and 1.b. Together, these will be utilized as the basis for a 1% withhold.
- 4.4.6.6.2. For Demonstration Year 1, which crosses calendar and Contract years, the STAR+PLUS MMP will be evaluated to determine whether it has met required quality withhold requirements at the end of both Calendar Year 2015 and Calendar Year 2016. The determination in CY 2015 will be based solely on those measures that can appropriately be calculated based on the actual Enrollment volume during CY 2015. Consistent with such evaluations, the withheld amounts will be repaid separately for each calendar year.

4.4.6.7. Withhold Measures in Demonstration Years 2-9

4.4.6.7.1. For the Medicaid Component of the Capitation Payment, the quality withhold will increase to 2% in Demonstration Year 2 and 3% in Demonstration Years 3-9. For the Medicare A/B Component of the Capitation Payment, the quality withhold will increase to 2% in Demonstration Year 2, 3% in Demonstration Years 3-5, and 4% in Demonstration Years 6-9.

4.4.6.7.2. Payment will be based on performance on the quality withhold measures listed in Table 4-4 below. The STAR+PLUS MMP must report these measures according to the prevailing technical specifications for the applicable measurement year.

4.4.6.7.3. If the STAR+PLUS MMP is unable to report at least three (3) of the quality withhold measures listed in Table 4-4 for a given year due to low Enrollment or inability to meet other reporting criteria, alternative measures will be used in the quality withhold analysis. Additional information about this policy is available in the Medicare-Medicaid

4.4.7. American Recovery and Reinvestment Act of 2009

- 4.4.7.1. All payments to the STAR+PLUS MMP are conditioned on compliance with the provisions below and all other applicable provisions of the American Recovery and Reinvestment Act of 2009.

4.4.8. Nursing Facility Shared Savings Program

4.4.8.1. The STAR+PLUS MMP must participate in the Nursing Facility shared savings program. This program will require the STAR+PLUS MMP to pass a percentage of HHSC's savings achieved as a result of the Demonstration to Nursing Facilities participating in the Demonstration who meet specific performance standards.

4.4.8.2. The STAR+PLUS MMP will develop its own Nursing Facility shared savings program based on the unique characteristics of the STAR+PLUS MMP's population and Nursing Facilities.

4.4.8.3. HHSC will determine areas of focus for the initiative, and CMS will review the program parameters, including any impact on the Medicaid Component of the Capitation Rates. Additional details regarding the Nursing Facility shared savings program will be made available in separate technical guidance.

4.5. Suspension of Payments

4.5.1. General

4.5.1.1. HHSC may suspend payments to the STAR+PLUS MMP in accordance with 42 C.F.R. § 455.23, *et seq.*

4.6. Transitions between Rate Cells and Risk Score Changes

4.6.1. Rate Cell Changes

4.6.1.1. The Medicaid Component of the Capitation Payment will be updated following a change in an Enrollee's status relative to the Rate Cells in Section 4.2.1. On a monthly basis, as part of the Capitation Payment processing, the Rate Cell of each Enrollee will be determined.

4.6.2. Medicare Risk Score Changes

4.6.2.1. Medicare CMS-HCC, HCC-ESRD, and RxHCC risk scores will be updated consistent with prevailing Medicare Advantage regulations and processes.

4.7. Reconciliation

4.7.1. General

4.7.1.1. CMS and HHSC will implement a process to reconcile Enrollment and Capitation Payments for the STAR+PLUS MMP that will take into consideration the following circumstances:

4.7.1.1.1. Transitions between Rate Cells;

- 4.7.1.1.2. Retroactive changes in eligibility, Rate Cells, or Enrollee contribution amounts;
- 4.7.1.1.3. Changes in CMS-HCC and RxHCC risk scores; and
- 4.7.1.1.4. Changes through new Enrollment, disenrollment, or death.
- 4.7.1.2. The reconciliation may identify underpayments or overpayments to the STAR+PLUS MMP. Any such underpayments or overpayments will be added, or subtracted, as appropriate, to/from a following month's aggregate Capitation Payment.
- 4.7.2. Identified Overpayments
 - 4.7.2.1. The STAR+PLUS MMP must properly report to HHSC and CMS all overpayments identified or recovered, specifying any overpayments due to potential Fraud, Waste, or Abuse.
 - 4.7.2.2. The STAR+PLUS MMP and any subcontractors must, within sixty (60) calendar days after they identify the Capitation Payments or other payments in excess of amounts specified in the Contract, report the identification of such payments to HHSC and CMS.
- 4.7.3. Recoveries by the STAR+PLUS MMP of Overpayments to Providers
 - 4.7.3.1. Consistent with 42 C.F.R. §§ 422.326 and 438.608(d), the STAR+PLUS MMP must adopt and implement policies for the treatment of recoveries of overpayments from the STAR+PLUS MMP to a Provider.
- 4.7.4. Medicaid Capitation Reconciliation
 - 4.7.4.1. HHSC may adjust a payment made to the STAR+PLUS MMP for an Enrollee if:
 - 4.7.4.1.1. Enrollee's eligibility status or program type is changed, corrected as a result of error, or is retroactively adjusted;
 - 4.7.4.1.2. Enrollee is enrolled into the STAR+PLUS MMP in error;
 - 4.7.4.1.3. Enrollee moves outside the United States;
 - 4.7.4.1.4. Enrollee dies before the first day of the month for which the payment was made; or
 - 4.7.4.1.5. Payment has been denied by CMS in accordance with the requirements in 42 C.F.R. § 438.730.
 - 4.7.4.2. Appeal of adjustment

- 4.7.4.2.1. The STAR+PLUS MMP may Appeal the adjustment of Capitation Payments in the above circumstances using the HHSC dispute resolution process.

4.7.5. Medicare Capitation Reconciliation

- 4.7.5.1. Medicare capitation reconciliation will comply with prevailing Medicare Advantage and Part D regulations and processes.

- 4.7.5.2. Final Medicare Reconciliation and Settlement

- 4.7.5.2.1. In the event the STAR+PLUS MMP terminates or non-renews this Contract, CMS' final settlement phase for terminating contracts applies. This final settlement phase lasts for a minimum of eighteen (18) months after the end of the calendar year in which the termination date occurs. This final settlement will include reconciliation of any Demonstration-specific payments or recoupments, including those related to quality withholds, medical loss ratios, and the Experience Rebate as applicable, that are outstanding at the time of termination.

4.7.6. Audits/Monitoring

- 4.7.6.1. CMS and HHSC will conduct periodic audits to validate Rate Cell assignments or other coding. Audits may be conducted by a peer review organization or other entity assigned this responsibility by CMS and HHSC.
- 4.7.6.2. The STAR+PLUS MMP must adhere to the requirements for audits outlined in Sections 2.16.4 and 5.4.

4.8. Payment in Full

4.8.1. General

- 4.8.1.1. The STAR+PLUS MMP must accept as payment in full for all services under this Contract, (including Covered Services, deliverables, and administrative services), the Capitation Payment and the terms and conditions of payment set forth herein, except as provided in Appendix A, Section A.3.
 - 4.8.1.2. Notwithstanding any contractual provision or legal right to the contrary, the three parties to this Contract (CMS, HHSC, and the STAR+PLUS MMP), for this Demonstration agree there shall be no redress against either of the other two parties, or their actuarial contractors, over the actuarial soundness of the Capitation Rates.
 - 4.8.1.3. By signing this Contract, the STAR+PLUS MMP accepts that the Capitation Rate offered is reasonable; that operating within this Capitation Rate is the sole responsibility of the STAR+PLUS MMP; and that while data is made available by the federal government to the STAR+PLUS MMP, any

entity participating in the Demonstration must rely on their own resource to project likely experience under the Demonstration.

4.9. Insurance Coverage

4.9.1. Statutory and General Coverage

4.9.1.1. STAR+PLUS MMP will maintain, at the STAR+PLUS MMP's expense, the following insurance coverage:

4.9.1.1.1. Business automobile liability insurance for all owned, non-owned, and hired vehicles for bodily injury and property damage;

4.9.1.1.2. Comprehensive general liability insurance of at least \$1,000,000.00 per occurrence and \$5,000,000.00 in the aggregate (including bodily injury coverage of \$100,000.00 per each occurrence and property damage coverage of \$25,000.00 per occurrence); and

4.9.1.1.3. If STAR+PLUS MMP's current comprehensive general liability insurance coverage does not meet the above stated requirements, STAR+PLUS MMP will obtain umbrella liability insurance to compensate for the difference in the coverage amounts. If umbrella liability insurance is provided, it must follow the form of the primary coverage.

4.9.2. Professional Liability Coverage

4.9.2.1. STAR+PLUS MMP must maintain, or cause its Network Providers to maintain, professional liability insurance for each Network Provider of \$100,000.00 per occurrence and \$300,000.00 in the aggregate, or the limits required by the Hospital at which the Network Provider has admitting privileges.

4.9.2.2. STAR+PLUS MMP must maintain an excess professional liability (errors and omissions) insurance policy for the greater of \$3,000,000.00 or an amount (rounded to the nearest \$100,000.00) that represents the number of Enrollees enrolled in the STAR+PLUS MMP in the first month of the applicable SFY multiplied by \$150.00, not to exceed \$10,000,000.00.

4.9.3. General Requirements for All Insurance Coverage

4.9.3.1. Except as provided herein, all exceptions to the Contract's insurance requirements must be approved in writing by HHSC. HHSC's written approval is not required in the following situations:

4.9.3.1.1. A STAR+PLUS MMP or a Network Provider is not required to obtain the insurance coverage described in Section 4.9.2 if the STAR+PLUS MMP or Network Provider qualifies as a State governmental unit or municipality under the Texas Tort Claims Act, and

is required to comply with, and subject to the provisions of, the Texas Tort Claims Act.

4.9.3.1.2. Waivers for LTSS and DME

4.9.3.1.2.1. LTSS. A STAR+PLUS MMP may waive the professional liability insurance requirement described in Section 4.9.2 for a Network Provider of Community-based LTSS. A STAR+PLUS MMP may not waive this requirement if the Network Provider provides other Covered Services in addition to Community-based LTSS, or if a Texas licensing entity requires the Network Provider to carry such professional liability coverage. A STAR+PLUS MMP that waives the professional liability insurance requirement for a Network Provider pursuant to this provision is not required to obtain such coverage on behalf of the Network Provider.

4.9.3.1.2.2. DME. A STAR+PLUS MMP may waive the professional liability insurance requirement described in Section 4.9.2 for Network Providers of durable medical equipment. A STAR+PLUS MMP that waives the professional liability insurance requirement for a Network provider pursuant to this provision is not required to obtain such coverage on behalf of the Network Provider.

4.9.3.1.3. The professional liability insurance requirements described in Section 4.9.2.1 do not apply to Nursing Facility Providers.

4.9.3.2. The STAR+PLUS MMP or the Network provider is responsible for any and all deductibles stated in the insurance policies.

4.9.3.3. Insurance coverage must be issued by insurance companies authorized to conduct business in the State of Texas.

4.9.3.4. With the exception of professional liability insurance maintained by Network Providers, all insurance coverage must name HHSC as an additional insured. In addition, with the exception of professional liability insurance maintained by Network Providers and business automobile liability insurance, all insurance coverage must name HHSC as a loss payee.

4.9.3.5. Insurance coverage kept by the STAR+PLUS MMP must be maintained in full force at all times during the term of the Contract, and until HHSC's final acceptance of all Services and Deliverables. Failure to maintain such insurance coverage will constitute a material breach of this Contract.

4.9.3.6. With the exception of professional liability insurance maintained by Network Providers, the insurance policies described in this Section must have extended reporting periods of two (2) years. When policies are renewed or

replaced, the policy retroactive date must coincide with, or precede, the Contract Effective Date.

- 4.9.3.7. With the exception of professional liability insurance maintained by Network Providers, the insurance policies described in this Section must provide that prior written notice be given to HHSC at least thirty (30) calendar days before coverage is being reduced below minimum HHSC contractual requirements, canceled, or non-renewed. STAR+PLUS MMP must submit a new coverage binder to HHSC to ensure no break in coverage.
 - 4.9.3.8. The parties expressly understand and agree that any insurance coverages and limits furnished by STAR+PLUS MMP will in no way expand or limit STAR+PLUS MMP's liabilities and responsibilities specified within the Contract documents or by applicable law.
 - 4.9.3.9. STAR+PLUS MMP expressly understands and agrees that any insurance maintained by HHSC will apply in excess of and not contribute to insurance provided by STAR+PLUS MMP under the Contract.
 - 4.9.3.10. If STAR+PLUS MMP, or its Network Providers, desire additional coverage, higher limits of liability, or other modifications for its own protection, STAR+PLUS MMP or its Network Providers will be responsible for the acquisition and cost of such additional protection. Such additional protection will not be an Allowable Expense under this Contract.
 - 4.9.3.11. STAR+PLUS MMP will require all insurers to waive their rights of subrogation against HHSC for Claims arising from or relating to this Contract.
- 4.9.4. Proof of Insurance Coverage
- 4.9.4.1. Except as provided in Section 4.9.2, the STAR+PLUS MMP must furnish the CMT with original certificates or copies of insurance evidencing the required insurance coverage on or before the Effective Date of the Contract. - 5.1.8.11. With the following exceptions, the STAR+PLUS MMP must complete all audits of a Provider Claim no later than two (2) years after receipt of a Clean Claim, regardless of whether the Provider participates in the STAR+PLUS MMP's Network. This limitation does not apply in cases of Provider Fraud, Waste, or Abuse that the STAR+PLUS MMP did not discover within the two-year period following receipt of the Claim.
- 5.1.8.12. The two-year limitation does not apply when the following officials or entities conclude an examination, audit, or inspection of a Provider more than two years after the STAR+PLUS MMP received the Claim:

 - 5.1.8.12.10. Any other State or federal entity identified.
- 5.1.9. Two-Year Limitation

- 5.1.9.1. The two-year limitation does not apply when HHSC has recovered a capitation from the STAR+PLUS MMP based on an Enrollee's ineligibility. If an exception to the two-year limitation applies, then the STAR+PLUS MMP may recoup related payments from Providers.
- 5.1.9.2. If an additional payment is due to a Provider as a result of an audit, the STAR+PLUS MMP must make the payment no later than thirty (30) days after it completes the audit. If the audit indicates that the STAR+PLUS MMP is due a refund from the Provider, the STAR+PLUS MMP must send the Provider written notice of the basis and specific reasons for the recovery no later than thirty (30) days after it completes the audit. If the Provider disagrees with the STAR+PLUS MMP's request, the STAR+PLUS MMP must give the Provider an opportunity to Appeal, and may not attempt to recover the payment until the Provider has exhausted all Appeal rights.

The STAR+PLUS MMP may take no punitive action against a Provider who either requests an expedited resolution or supports an Enrollee's Appeal.
- 5.1.11. Protecting Enrollee from Liability for Payment

5.1.11.1. The STAR+PLUS MMP must:

5.1.11.1.1. In accordance with 42 C.F.R. § 438.106, not hold an Enrollee liable for:

5.1.11.1.1.1. Debts of the STAR+PLUS MMP, in the event of the STAR+PLUS MMP's insolvency;

5.1.11.1.1.3. Payments to a clinical First Tier, Downstream, or Related Entity in excess of the amount that would be owed by the Enrollee if the STAR+PLUS MMP had directly provided the services.

5.1.11.1.2. Not charge Enrollees coinsurance, co-payments, deductibles, financial penalties, or any other amount in full or part, for any service provided under this Contract, except as otherwise provided in Appendix A;

5.1.11.1.3. Not deny any service provided under this Contract to an Enrollee for failure or inability to pay any applicable charge;

5.1.11.1.4. Not deny any service provided under this Contract to an Enrollee who, prior to becoming eligible for the Texas Dual Eligibles Integrated Care Demonstration Project, incurred a bill that has not been paid; and

5.1.11.1.5. Ensure Provider Network compliance with all Enrollee payment restrictions, including balance billing restrictions, and develop and implement a plan to identify and revoke or provide other specified remedies for any member of the STAR+PLUS MMP's Provider Network that does not comply with such provisions. However, the STAR+PLUS MMP will work with Enrollees or their LARs to help Nursing Facilities collect applied income where applicable.

5.1.12. Moral or Religious Objections

5.1.12.1. The STAR+PLUS MMP is not required to provide, reimburse for, or provide coverage of, a counseling or referral service that would otherwise be required if the STAR+PLUS MMP objects to the service on moral or religious grounds. If the STAR+PLUS MMP elects not to provide, reimburse for, or provide coverage of, a counseling or referral service because of an objection on moral or religious grounds, it must furnish information about the services it does not cover as follows:

5.1.12.1.1. To HHSC

5.1.12.1.4.3. Provided to Enrollees within ninety (90) days after adopting the policy with respect to any particular service.

5.1.13. Third Party Liability and Recovery and Coordination of Benefits

5.1.13.1. General Requirements

5.1.13.1.1. Enrollees, determines by HHSC, CMS, or the STAR+PLUS MMP as having Third Party Health Insurance are excluded from Passive Enrollment. Any such Enrollee will be disenrolled from the Demonstration, effective the first day of the month following the month in which the coverage was verified. Enrollees will not be retroactively disenrolled due to Third Party Health Insurance coverage. Until disenrollment occurs, the STAR+PLUS MMP is responsible for coordinating all benefits covered under this Contract.

5.1.13.1.2. Medicaid is the payer of last resort for Covered Services, unless an exception applies under federal law or HHSC policy. Under Section 1902(a)(25) of the Social Security Act (42 U.S.C. §1396 a (a)(25)), the State is required to take all reasonable measures to identify legally liable third parties and pursue verified resources. In an Enrollee is entitled to coverage for specific services payable under another insurance plan and the STAR+PLUS MMP paid for such Covered Services, the STAR+PLUS MMP must obtain reimbursement from the responsible insurance entity not to exceed 100 percent of the value of Covered Services paid by the STAR+PLUS MMP. In cases in which the Enrollee was not identified for exclusion prior to Enrollment in the STAR+PLUS MMP, the STAR+PLUS MMP shall take responsibility for identifying and pursuing Third party Health Insurance. Any moneys recovered by third parties shall be retained by the STAR+PLUS MMP and identified monthly to HHSC and CMS. The STAR+PLUS MMP shall notify HHSC and CMS on a monthly basis of any Enrollees identified during the past month who were discovered to have Third Party Health Insurance.

5.1.13.1.3. STAR+PLUS MMPs are responsible for establishing and documenting a plan and process, referred to as the Third-Party Liability (TPL) STAR+PLUS MMP Action Plan, in accordance with UCM Chapter 5, for avoiding and recovering costs for services that should have

been paid through a third party. This includes the following: health insurers, self-insured plans, group health plans (as defined in section 607[1] of the Employee Retirement Income Security Act of 1974), service benefit plans, Managed Care Organizations, Pharmacy Benefit Managers, or other parties that are, by statute, contract, or agreement, legally responsible for payment of a Claim for a health care item or service as defined under Section 1902(a)(25) of the Social Security Act and 42 C.F.R. § 433.136 and as applicable to this Contract. The TPL STAR+PLUS MMP Action Plan and process must be in accordance with State and federal law and regulations, including Sections 1902(a)(25)(E) and (F) of the Social Security Act, which require STAR+PLUS MMPs to pay and later seek recovery from liable third parties for (1) preventive pediatric care, and (2) services provided to an individual on whose behalf child support enforcement is being carried out by the State agency under Part D of title IV of the Social Security Act. Each STAR+PLUS MMP must submit the TPL STAR+PLUS MMP Action Plan to the Office of Inspector General-Third Party Recoveries (OIG-TPR) email address at TPL ManagedCare@hhsc.texas.gov no later than September 1 for the upcoming SFY for review and approval. STAR+PLUS MMPs must submit any changes to the TPL STAR+PLUS MMP Action Plan for review and approval no later than ninety (90) days prior to the date of the proposed changes. The projected amount of TPR that the STAR+PLUS MMP is expected to recover may be factored into the rate setting process.

5.1.13.1.4. HHSC will provide the STAR+PLUS MMP, by Plan code, a daily Enrollee file (also known as a TPR Client file). The file is an extract of those Medicaid Enrollees who are known to have other insurance. The file contains any TPR data that HHSC's Claims administrator has on file for individual Medicaid beneficiaries, organized by name and beneficiary number, and adding additional relevant information, type of coverage, the insurance carrier, and the effective dates. HHSC's TPR Client file will be considered the system of record. The STAR+PLUS MMP is required to share other insurance information for its enrolled Medicaid beneficiaries with HHSC that differs or is not included on the TPR Client file, in accordance with UCM, Chapter 5.

5.1.13.1.5. The STAR+PLUS MMP must provide financial reports to HHSC, as stated in Section 2.16.5.4, TPL/TPR Reports in accordance with UCM Chapter 5. The STAR+PLUS MMP must provide all TPR reports to the OIG-TPR at the frequency stated in and in accordance with UCM, Chapter 5.

5.1.13.1.6. The STAR+PLUS MMP has 120 days from the date of adjudication of a Claim that is subject to TPR to attempt recovery of the

costs for services that should have been paid through a third party. The STAR+PLUS MMP must obtain recovery of payment from a liable third party and not from the Provider unless the Provider received payment from both the STAR+PLUS MMP and the liable third party. The STAR+PLUS MMP shall provide to HHSC, on a monthly basis by the tenth day of each month, a report indicating the Claims where the STAR+PLUS MMP has billed and/or made a recovery up to the 120th day from adjudication of a Claim that is subject to TPR. After 120 days, HHSC will attempt recovery for any Claims in which the STAR+PLUS MMP did not attempt recovery and, will retain, in full, all funds received as a result of any HHSC-initiated TPR. The STAR+PLUS MMP is precluded from attempting to bill for any recovery after 120 days from Claim adjudication date. Any collections by the STAR+PLUS MMP billed after 120 days from the Claim adjudication date and must be sent to OIG-TPR in the format prescribed in UMCM Chapter 5. The STAR+PLUS MMP is to continue to cost avoid and cost recover where applicable.

5.1.13.1.7. After 365 days from adjudication of a Claim, the STAR+PLUS MMP loses all rights to pursue or collect any recoveries subject to TPR. HHSC has sole authority for recoveries of any Claim subject to TPR after 365 days from the date of adjudication of a Claim. Should the STAR+PLUS MMP receive payment on a HHSC initiated recovery, the STAR+PLUS MMP must send the payment to OIG-TPR in the format prescribed in UMCM Chapter 5.

5.1.13.1.8. HHSC retains the responsibility to pursue, collect, and retain recoveries of all resources and insurances other than health insurance wherein payments have been made on behalf of an Enrollee. These resources and other insurances include, but are not limited to: casualty insurance, liability insurance, estates, child support, and personal injury claims. The STAR+PLUS MMP must pay valid Claims for Covered Services provided to STAR+PLUS MMP Enrollees who have, or may have, resources and insurances other than health insurance. Since HHSC retains the right of recovery for such resources and insurances other than health insurance, the STAR+PLUS MMP is not permitted to cost avoid or seek recovery for such items. Should the STAR+PLUS MMP receive payment on a Claim in which resources or insurances other than health insurance are utilized, the STAR+PLUS MMP must send the payment to OIG-TPR in the format prescribed in UMCM Chapter 5. Enrollees with these other resources shall remain enrolled in the STAR+PLUS MMP.

5.1.14. Abuse, Neglect, or Exploitation

5.1.14.1. The STAR+PLUS MMP, its First Tier, Downstream, and Related Entities, and Providers must report any suspicion or allegation of ANE in accordance with Texas Human Resources Code § 48.051; Texas Health and Safety Code § 260A.002 and Texas Family Code § 261.101.

5.1.14.2. At the time of assessment, but no later than, when the STAR+PLUS MMP is approved for LTSS, the STAR+PLUS MMP must ensure that the Enrollee is informed orally and through the Enrollee Handbook of the processes for reporting allegations of ANE. The toll-free numbers for DADs and DFPS must be provided.

5.1.14.3. The STAR+PLUS MMP must provide HHSC with an email address to receive and respond to Adult Protective Services (APS) notifications involving ANE notifications. The STAR+PLUS MMP must respond to emails received by this email address by providing the information requested by APS within twenty-four (24) hours of delivery, seven (7) days a week, to the STAR+PLUS MMP's email address.

5.1.14.4. The STAR+PLUS MMP must submit a quarterly Critical Incidents and ANE report to HHSC that includes the number of Critical Incidents and ANE reports received from the DFPS APS for Enrollees receiving LTSS.

5.1.15. Employment Verification

5.1.15.1. The STAR+PLUS MMP must confirm the eligibility of all persons employed by the STAR+PLUS MMP to perform duties within Texas and all persons, including First Tier, Downstream, and Related Entities, assigned by the STAR+PLUS MMP to perform work pursuant to the Contract.

5.1.16. Medicaid Drug Rebate

5.1.16.1. Non-Part D covered outpatient drugs dispensed to Enrollees shall be subject to the same rebate requirements as the State is subject under section 1927 of the Social Security Act and that the State shall collect such rebates from pharmaceutical manufacturers.

5.1.16.2. The STAR+PLUS MMP must submit drug utilization data to HHSC on a timely and periodic basis no later than forty-five (45) calendar days after the end of each quarterly rebate period. Such utilization data must include, at a minimum, information on the total number of units of each dosage form, strength, and package size by National Drug Code of each non-Part D covered outpatient drug dispensed to Enrollees for which the STAR+PLUS MMP is responsible for coverage and other data as HHSC determines.

5.2. Confidentiality

5.2.1. Statutory Requirements

5.2.1.1. The STAR+PLUS MMP understands and agrees that CMS and HHSC may require specific written assurances and further agreements regarding the security and Privacy of protected health information that are deemed necessary to implement and comply with standards under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) as implemented in 45 C.F.R. Parts 160 and 164. The STAR+PLUS MMP further represents and agrees that, in the performance of the services under this Contract, it will comply with all legal obligations as a holder of personal data. The STAR+PLUS MMP represents that it currently has in place policies and procedures that will adequately safeguard any confidential personal data obtained or created in the course of fulfilling its obligations under this Contract in accordance with applicable State and federal laws. The STAR+PLUS MMP is required to design, develop, or operate a system of records on individuals, to accomplish an agency function subject to the Privacy Act of 1974, Public Law 93-579, December 31, 1974 (5 U.S.C. 552a) and applicable agency regulations related to Privacy, security and breach notification requirements and timeframes. Violation of the Act may involve the imposition of criminal penalties.

5.2.2. Personal Data

5.2.2.1. The STAR+PLUS MMP must inform each of its employees having any involvement with personal data or other Confidential Information, whether with regard to design, development, operation, or maintenance, of the laws and regulations relating to confidentiality, Privacy, security and breach notification.

5.2.3. Data Security

5.2.3.1. 5.3.3. Advance Directives

- 5.3.3.1. Nothing in this Contract shall be interpreted to require an Enrollee to execute an Advance Directive or agree to orders regarding the provision of life-sustaining treatment as a condition of receipt of services under the Medicare or Medicaid program.
- 5.3.3.2. The STAR+PLUS MMP cannot require Enrollees to execute or issue an Advance Directive as a condition of receiving Health Care Services. The STAR+PLUS MMP cannot discriminate against an Enrollee based on whether or not the Enrollee has executed or issued an Advance Directive³.
- 5.3.3.3. The STAR+PLUS MMP's policies and procedures must require the STAR+PLUS MMP and First Tier, Downstream, and Related Entities to comply with the requirements of State and federal law relating to Advance Directives. The STAR+PLUS MMP must provide education and training to employees and Enrollees on issues concerning Advance Directives.
- 5.3.3.4. All materials provided to Enrollees regarding Advance Directives must be written at a 7th-8th grade reading comprehension level, except where a provision is required by State or federal law and the provision cannot be reduced or modified to a 7th-8th grade reading level because it is a reference to the law or is required to be included "as written" in the State or federal law.

Such loss may be grounds for termination of this Contract under the provisions of Section 5.6.

5.3.5. Indemnification

5.3.5.1. The STAR+PLUS MMP shall indemnify and hold harmless CMS, the federal government, the State of Texas, and their agencies, officers, employees, agents and volunteers from and against any and all liability, loss, damage, costs, or expenses which CMS and or HHSC may sustain, incur, or be required to pay, arising out of or in connection with any negligent action, inaction, or willful misconduct of the STAR+PLUS MMP, any person employed by the STAR+PLUS MMP, or any of its First Tier, Downstream, or Related Entities provided that:

5.3.6. Prohibition against Discrimination

5.3.6.1. 5.3.6.4. The STAR+PLUS MMP will not discriminate against Potential Enrollees, Prospective Enrollees, or Enrollees on the basis of health status or need for health services.

5.3.6.5. Nothing in this Contract may be construed to require the STAR+PLUS MMP to contract with Providers beyond the number necessary to meet the needs of its Enrollees; precludes the STAR+PLUS MMP from using different reimbursement amounts for different specialties or for different practitioners in the same specialty; or precludes the STAR+PLUS MMP from establishing measures that are designed to maintain quality of services and control costs and are consistent with its responsibilities to Enrollees.

5.3.6.6. If a Grievance or Claim against the STAR+PLUS MMP is presented to HHSC for handling discrimination Grievances, the STAR+PLUS MMP must cooperate with in the investigation and disposition of such Grievance or Claim.

- 5.3.7.2. As used herein, an Affiliated company is any business entity directly or indirectly owning at least fifty-one (51) percent of the ownership interests of the STAR+PLUS MMP.

Information Sharing

- 5.3.7.3. During the course of an Enrollee's Enrollment or upon transfer or termination of Enrollment, whether voluntary or involuntary, and subject to all applicable federal and State laws, the STAR+PLUS MMP must arrange for the transfer, at no cost to CMS, HHSC, or the Enrollee, of medical information regarding such Enrollee to any subsequent Provider of medical services to such Enrollee, as may be requested by the Enrollee or such Provider or directed by CMS and HHSC the Enrollee, regulatory agencies of the State of Texas, or the United States Government. With respect to Enrollees who are in the custody of the State, the STAR+PLUS MMP must provide, upon reasonable request of the State agency with custody of the Enrollee, a copy of said Enrollee Medical Records in a timely manner.

5.3.8. Other Contracts

- 5.3.8.1. Nothing contained in this Contract will be construed to prevent the STAR+PLUS MMP from operating other comprehensive health care plans or providing health care services to persons other than those covered hereunder; provided, however, that the STAR+PLUS MMP must provide CMS and HHSC with a complete list of such plans and services, upon request. CMS and HHSC will exercise discretion in disclosing information that the STAR+PLUS MMP may consider proprietary, except as required by law. Nothing in this Contract may be construed to prevent CMS or HHSC from contracting with other comprehensive health care plans, or any other Provider, in the same Service Area.

5.3.9. Counterparts

- 5.3.9.1. This Contract may be executed simultaneously in two or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same instrument.

5.3.10. Entire Contract

- 5.3.10.1. This Contract constitutes the entire agreement of the parties with respect to the subject matter hereof, including all Attachments and Appendices hereto, and supersedes all prior agreements, representations, negotiations, and undertakings not set forth or incorporated herein. The terms of this Contract will prevail notwithstanding any variances with the terms and conditions of any verbal communication subsequently occurring.

5.3.11. No Third-Party Rights or Enforcement

5.3.11.1. No person not executing this Contract is entitled to enforce this Contract against a party hereto regarding such party's obligations under this Contract.

5.3.12. Tailored Remedies

5.3.12.1. Understanding of the parties

5.3.12.1.1. The STAR+PLUS MMP agrees and understands that the CMT may pursue tailored contractual remedies for noncompliance with the Contract. At any time and at its discretion, the CMT may impose or pursue one (1) or more remedies for each item of noncompliance and will determine remedies on a case-by-case basis. The CMT's pursuit or non-pursuit of a tailored remedy does not constitute a waiver of any other remedy that CMS and/or HHSC may have at law or equity.

5.3.12.1.2. Before the compliance actions outlined in this Contract are implemented, the CMT may provide opportunity to the STAR+PLUS MMP to cure deficiencies and come into compliance.

5.3.13. Corrective Action Plan

5.3.13.1. If, at any time, the CMT reasonably determines that the STAR+PLUS MMP is deficient in the performance of its obligations under the Contract, the CMT may require the STAR+PLUS MMP to develop and submit a corrective action plan that is designed to correct or resolve such deficiency. The CMT will approve, disapprove, or require modifications to the corrective action plan based on their reasonable judgment as to whether the corrective action plan will correct the deficiency. The STAR+PLUS MMP must promptly and diligently implement the corrective action plan as approved by CMS and HHSC. Failure to implement the corrective action plan may subject the STAR+PLUS MMP to termination of the Contract by CMS and HHSC or other intermediate sanctions as described in this Section,

5.3.13.2. The corrective action plan must provide:

5.3.13.2.1. A detailed explanation of the reasons for the cited deficiency;

5.3.13.2.2. STAR+PLUS MMP's assessment or diagnosis of the cause; and

5.3.13.2.3. A specific proposal to cure or resolve the deficiency.

5.3.13.3. The corrective action plan must be submitted by the deadline set forth in the CMT's request for a corrective action plan. The corrective action plan is subject to approval by the CMT, which will not unreasonably be withheld.

5.3.13.4. The CMT will notify STAR+PLUS MMP in writing of the final disposition of the CMT's concerns. If the CMT accepts STAR+PLUS MMP's proposed corrective action plan, HHSC or CMS may:

- 5.3.13.4.1. Condition such approval on completion of tasks in the order or priority that the CMT may reasonably prescribe;
- 5.3.13.4.2. Disapprove portions of STAR+PLUS MMP's proposed corrective action plan; or
- 5.3.13.4.3. Require additional or different corrective action(s).
- 5.3.13.5. Notwithstanding the submission and acceptance of a corrective action plan, STAR+PLUS MMP remains responsible for achieving all written performance criteria.
- 5.3.13.6. The CMT's acceptance of a corrective action plan under this Section will not:
 - 5.3.13.6.1. Excuse STAR+PLUS MMP's prior substantial performance;
 - 5.3.13.6.2. Relieve STAR+PLUS MMP of its duty to comply with performance standards; or
 - 5.3.13.6.3. Prohibit HHSC from assessing additional tailored remedies or pursuing other appropriate remedies for continued substandard performance.
- 5.3.13.7. Require demonstration by the STAR+PLUS MMP that the corrective action(s) or intervention(s) included in the corrective action plan have been completed or implemented using a method approved or provided by CMS or HHSC (e.g., attestation showing staff training included as an intervention in the corrective action plan has been completed).

5.3.14. Damages

- 5.3.14.1. CMS and HHSC will be entitled to monetary damages in the form of actual, consequential, direct, indirect, special, and/or liquidated damages resulting from STAR+PLUS MMP's breach of this Contract. In some cases, the actual damage to CMS and HHSC or State of Texas as a result of STAR+PLUS MMP's failure to meet any aspect of the responsibilities of the Contract and/or to meet specific performance standards set forth in the Contract are difficult or impossible to determine with precise accuracy. Therefore, liquidated damages will be assessed in writing against and paid by the STAR+PLUS MMP for failure to meet any aspect of the responsibilities of the Contract and/or to meet the specific performance standards identified by the CMT. Liquidated damages will be assessed if the CMT determines such failure is the fault of the STAR+PLUS MMP (including the STAR+PLUS MMP's First Tier, Downstream, or Related Entities, agents, and/or consultants) and is not materially caused or contributed to by HHSC, CMS, or their agents. The CMT reserves the right to waive all or part of the liquidated

damages. All such waivers must be in writing, contain the reasons for the waiver, and be signed by the appropriate representative of HHSC and/or CMS.

5.3.14.2. The liquidated damages prescribed in this Section are not intended to be in the nature of a penalty, but are intended to be reasonable estimates of the CMS and HHSC's projected financial loss and damage resulting from the STAR+PLUS MMP's nonperformance, including financial lost as a result of project delays. Accordingly, in the event STAR+PLUS MMP fails to perform in accordance with the Contract, CMS, and HHSC may assess liquidated damages as specified below.

5.3.14.2.1. Up to \$5,000 per calendar day for each incident of non-compliance with the terms of this Contract;

5.3.14.2.2. Up to \$7,500 per calendar day for failure to perform any of the Covered Services described in the Contract;

5.3.14.2.3. Up to \$250 per calendar day for reports and/or deliverables that are not submitted timely, or are incomplete or inaccurate; and

5.3.14.2.4. Up to \$1,000 if the report and/or deliverable is not submitted in the format or template required and up to \$250 per calendar day until the report and/or deliverable is submitted in the required format or template.

5.3.14.3. CMS and HHSC may elect to collect liquidated damages:

5.3.14.3.1. Through direct assessment and demand for payment delivered to STAR+PLUS MMP; or

5.3.14.3.2. By deduction of amounts assessed as liquidated damages as set-off against payments then due to STAR+PLUS MMP or that become due at any time after assessment of the liquidated damages. CMS and HHSC will make deductions until the full amount payable by the STAR+PLUS MMP is collected by CMS and HHSC.

5.3.15. Equitable Remedies

5.3.15.1. STAR+PLUS MMP acknowledges that, if STAR+PLUS MMP breaches (or attempts or threatens to breach) its material obligation under this Contract. CMS and HHSC may be irreparably harmed. In such a circumstance, CMS and HHSC may proceed directly to court to pursue equitable remedies.

5.3.15.2. If a court of competent jurisdiction finds that the STAR+PLUS MMP breached or attempted or threatened to breach) any such obligations, STAR+PLUS MMP agrees that without any additional findings of irreparable injury or other conditions to injunctive relief, it will not oppose the entry of an appropriate order compelling performance by STAR+PLUS MMP and restraining it from any further breaches (or attempted or threatened breaches).

5.3.16. Intermediate Sanctions and Civil Monetary Penalties

- 5.3.16.1. In addition to termination under Section 5.6, the CMT may impose any or all of the sanction described in this Section upon any of the events below; provided, however, that CMS and HHSC will impose only those sanctions they determine to be reasonable and appropriate for the specific violations identified.
- 5.3.16.2. Sanctions may be imposed in accordance with State and federal regulations that are current at the time of the sanction.
- 5.3.16.3. Sanctions may be imposed in accordance with this Section if the STAR+PLUS MMP:
 - 5.3.16.3.1. Fails substantially to provide Covered Services required to be provided under this Contract to Enrollees;
 - 5.3.16.3.2. Imposes charges on Enrollees in excess of any permitted under this Contract;
 - 5.3.16.3.3. Discriminates among Enrollees or individuals eligible to enroll on the basis of health status or need for health care services, race, color, or national origin, and uses any policy or practice that has the effect of discriminating on the basis of race, color, or national origin;
 - 5.3.16.3.4. Misrepresents or falsifies information provided to CMS, HHSC, and/or the Administrative Services Contractor, Enrollees, prospective Enrollees, or its Provider Network;
 - 5.3.16.3.5. Fails to comply with requirements regarding physician incentive plans (see Section 5.1.6);

 - 5.3.16.3.7. Violates restrictions or other requirements regarding marketing;
 - 5.3.16.3.8. Fails to comply with quality management requirements consistent with Section 2.13;
 - 5.3.16.3.9. Fails to comply with any corrective action plan required by CMS and HHSC;
 - 5.3.16.3.10. Fails to comply with financial Solvency requirements;
 - 5.3.16.3.11. Fails to comply with reporting requirements; or
 - 5.3.16.3.12. Fails to comply with any other requirements of this Contract.
- 5.3.16.4. Sanctions that may be imposed include:

5.3.16.4.1. Intermediate sanctions and civil monetary penalties consistent with 42 C.F.R. Part 422, Subpart O or Part 438, Subpart I;

5.3.16.4.2. The appointment of temporary management to oversee the operation of the STAR+PLUS MMP in those circumstances set forth in 42 U.S.C. § 1396u-2(e)(2)(B);

5.3.16.4.3. Suspension of Enrollment (including assignment of Enrollees);

5.3.16.4.4. Suspension of payment to the STAR+PLUS MMP;

5.3.16.4.5. Disenrollment of Enrollees;

5.3.16.4.6. Suspension of marketing; and

5.3.16.4.7. Denial of payment as set forth in 42 C.F.R. § 438.730.

5.3.16.5. If CMS or HHSC have identified a deficiency in the performance of a First Tier, Downstream, or Related Entity, and the STAR+PLUS MMP has not successfully implemented or approved corrective action plan in accordance with Section 5.3.14, CMS and HHSC may:

5.3.16.5.1. Require the STAR+PLUS MMP to subcontract with a different First Tier, Downstream, or Related Entity deemed satisfactory by CMS and HHSC; or

5.3.16.5.2. Require the STAR+PLUS MMP to change the manner or method in which the STAR+PLUS MMP ensures the performance of such contractual responsibility.

5.3.16.6. Before imposing any intermediate sanctions consistent with 42 C.F.R. § 438.710, HHSC and CMS must give the STAR+PLUS MMP timely written notice that explains the basis and nature of the sanction and other due process protections that HHSC and CMS elect to provide.

5.3.17. Additional Administrative Procedures

5.3.17.1. CMS and HHSC may, from time to time, issue program memoranda clarifying, elaborating upon, explaining, or otherwise relating to Contract administration and other management matters. The STAR+PLUS MMP must comply with all such program memoranda.

5.3.18. Effect of Invalidity of Clauses

5.3.18.1. If any clause or provision of this Contract is officially declared to be in conflict with any federal or State law or regulation, that clause or provision will be null and void and any such invalidity will not affect the validity of the remainder of this Contract.

5.3.19. Conflict of Interest

5.3.19.1. Neither the STAR+PLUS MMP nor any First Tier, Downstream, or Related Entity may, for the duration of the Contract, have any interest that will conflict, as determined by CMS and HHSC with the performance of services under the Contract, or that may be otherwise anticompetitive. Without limiting the generality of the foregoing, CMS and HHSC require that neither the STAR+PLUS MMP nor any First Tier, Downstream, or Related Entity has any financial, legal, contractual or other business interest in any entity performing STAR+PLUS MMP Enrollment functions for HHSC. The STAR+PLUS MMP further certifies that it will comply with Section 1932(d) of the Social Security Act.

5.3.20. Waiver

5.3.20.1. The STAR+PLUS MMP, CMS, or HHSC shall not be deemed to have waived any of its rights hereunder unless such waiver is in writing and signed by a LAR. No delay or omission on the part of the STAR+PLUS MMP, CMS, or HHSC in exercising any right shall operate as a waiver of such right or any other right. A waiver on any occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion. The acceptance or approval by CMS and HHSC of any materials including, but not limited to, those materials submitted in relation to this Contract, does not constitute waiver of any requirements of this Contract.

5.3.21. Section Headings

5.3.21.1. The headings of the Sections of this Contract are for convenience only and will not affect the constructions hereof.

5.3.22. Loss of Program Authority

5.3.22.1. Should any part of the services and/or deliverables covered under this Contract relate to a State program that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), the STAR+PLUS MMP must do no work on that part after the effective date of the loss of program authority. HHSC and CMS must adjust capitation rates, or non-risk payments as applicable, to remove costs that are specific to any program or activity that is no longer authorized by law after the date the legal authority for the work ends, the STAR+PLUS MMP will not be paid for that work. If HHSC or CMS paid the STAR+PLUS MMP in advance to work on a no-longer-authorized program or activity and under the terms of this Contract the work was to be performed after the date the legal authority ended, the payment for that work must be returned to HHSC or CMS, respectively. However, if the STAR+PLUS MMP worked on a program or activity prior to the date legal authority ended for that program or activity, and HHSC or CMS included the cost of performing that work in its payments to the STAR+PLUS

MMP, the STAR+PLUS MMP may keep the payments for that work even if the payment was made after the date the program or activity lost legal authority.

5.4. Record Retention, Inspection, and Audits

5.4.1. General

- 5.4.1.1. The STAR+PLUS MMP must maintain books, records, documents, and other evidence of administrative, medical, and accounting procedures and practices for ten (10) years from the end of the final Contract period or completion of audit, whichever is later.
- 5.4.1.2. The STAR+PLUS MMP must make the records maintained by the STAR+PLUS MMP and its Provider Network, as required by CMS and HHSC and other regulatory agencies, available to CMS and HHSC and its agents or designees, or any other authorized representatives of the State of Texas or the United States Government, or their designees, at such times, places, and in such manner as such entities may reasonably request for the purposes of financial or medical audits, inspections, and examinations, provided that such activities are conducted during the normal business hours of the STAR+PLUS MMP. The STAR+PLUS MMP must also adhere to the requirements for FSR audits as outlined in Section 2.16.4. Further, the STAR+PLUS MMP must submit copies of certain audited financial statements to HHSC, as outlined in Sections 2.16.5.1 and 2.16.5.2.3.
- 5.4.1.3. The STAR+PLUS MMP further agrees that the Secretary of the U.S. Department of Health and Human Services or their designee, the Governor or their designee, Comptroller General or their designee, and the State Auditor or their designee have the right at reasonable times and upon reasonable notice to examine the books, records, and other compilations of data of the STAR+PLUS MMP and its First Tier, Downstream, and Related Entities that pertain to: the ability of the STAR+PLUS MMP to bear the risk of potential financial losses; services performed; or determinations of amounts payable.
- 5.4.1.4. The STAR+PLUS MMP must make available, for purposes of record maintenance requirements, its premises, physical facilities and equipment, records relating to Enrollees, and any additional relevant information that CMS or HHSC may require, in a manner that meets CMS and HHSC record maintenance requirements.
- 5.4.1.5. The STAR+PLUS MMP must comply with the right of the U.S. Department of Health and Human Services, the Comptroller General, and their designees to inspect, evaluate, and audit records through ten (10) years from the final date of the Contract period or the completion of audit, whichever is later, in accordance with federal and State requirements.

- 5.4.1.6. Unless the STAR+PLUS MMP received HHSC and CMS approval for an exception in writing, the STAR+PLUS MMP must provide HHSC and CMS with secure access rights as an authorized or guest user to all Enrollee and Provider access points, including but not limited to its Enrollee and Provider portals and call center services, for remote monitoring capability. To qualify for an exception to this requirement, the STAR+PLUS MMP must demonstrate to HHSC and CMS the required functionality for Enrollee and Provider portals via WebEx or onsite reviews. Portal demonstrations must be conducted in the STAR+PLUS MMP or Subcontractor's production environment or an environment that mirrors the production environment functionality.

5.5. Suspension of Contract

5.5.1. General

- 5.5.1.1. HHSC and/or CMS may suspend performance of all or any part of the Contract if:
- 5.5.1.1.1. The CMT determines that STAR+PLUS MMP has committed a material breach of the Contract;
 - 5.5.1.1.2. The CMT has reason to believe that STAR+PLUS MMP has committed, or assisted in the commission of, Fraud, Waste, or Abuse; malfeasance, or nonfeasance by any party concerning the Contract;
 - 5.5.1.1.3. The CMT determines that the STAR+PLUS MMP knew, or should have known, of Fraud, Waste or Abuse; malfeasance, or nonfeasance by any party concerning the Contract, and the STAR+PLUS MMP failed to take appropriate action; or
 - 5.5.1.1.4. The CMT determines that suspension of the Contract in whole or in part is in the best interests of the State of Texas or the HHSC programs.
- 5.5.1.2. The CMT will notify the STAR+PLUS MMP in writing of its intention to suspend the Contract in whole or in part. Such notice will:
- 5.5.1.2.1. Be delivered in writing to the STAR+PLUS MMP;
 - 5.5.1.2.2. Include a concise description of the facts or matter leading to the CMT's decision; and
 - 5.5.1.2.3. Unless the CMT is suspending the Contract for reasons unrelated to STAR+PLUS MMP performance, request a corrective action plan from the STAR+PLUS MMP or describe actions that the STAR+PLUS MMP may take to avoid the contemplated suspension of the Contract.

5.6. Termination of Contract

5.6.1. General

5.6.1.1. In the event the STAR+PLUS MMP materially fails to meet its obligations under this Contract, is not awarded a STAR+PLUS contract with the State of Texas, or has otherwise violated the laws, regulations, or rules that govern the Medicare or Texas Medicaid programs, CMS or HHSC may take any or all action under this Contract, law, or equity, including but not limited to immediate termination of this Contract. CMS or HHSC may terminate the Contract in accordance with regulations that are current at the time of the termination.

5.6.2. Termination without Prior Notice

5.6.2.1. Without limiting the above, if CMS and HHSC determine that participation of the STAR+PLUS MMP in the Medicare or Texas Medicaid program or in the Demonstration, may threaten or endanger the health, safety, or welfare of Enrollees or compromise the integrity of the Medicare or Texas Medicaid program, CMS or HHSC, without prior notice, may immediately terminate this Contract, suspend the STAR+PLUS MMP from participation, withhold any future payments to the STAR+PLUS MMP, or take any or all other actions under this Contract, law, or equity. Such action may precede beneficiary Enrollment into any STAR+PLUS MMP, and shall be taken upon a finding by CMS or HHSC that the STAR+PLUS MMP has not achieved and demonstrated a state of readiness that will allow for the safe and efficient provision of Medicare-Medicaid services to Enrollees.

5.6.2.2. United States law will apply to resolve any Claim or breach of this Contract.

5.6.3. Termination with Prior Notice

5.6.3.1. CMS or HHSC may terminate this Contract without cause upon no less than one-hundred eighty (180) days prior written notice to the other party specifying the termination date, unless applicable law requires otherwise. The STAR+PLUS MMP may elect not to renew its contract with CMS and HHSC prior to the end of each term pursuant to 42 C.F.R. § 422.506(a) and may terminate the Contract by mutual consent of CMS and HHSC at any time pursuant to 42 C.F.R. § 422.508. In considering requests for termination under 42 C.F.R. § 422.508, CMS and HHSC consider, among other factors, financial performance and stability in granting consent for termination. Any written communications or oral scripts developed to implement the requirements of 42 C.F.R. § 422.506(a) must be submitted to and approved by CMS and HHSC prior to their use.

5.6.3.2. Pursuant to 42 C.F.R. §§ 422.506(a)(4) and 422.508(c), CMS considers STAR+PLUS MMP termination of this Contract with prior notice as described

in Section 5.6.3 and non-renewal of this Contract as described in 42 C.F.R. § 422.506(a) to be circumstances warranting special consideration, and will not prohibit the STAR+PLUS MMP from applying for new Medicare Advantage contracts or Service Area expansions for a period of two years due to termination.

5.6.4. Termination pursuant to Social Security Act § 1115A(b)(3)(B).

5.6.5. Termination for Cause

5.6.5.1. Any party may terminate this Agreement upon ninety (90) days' notice due to a material breach of a provision of this Contract unless CMS or HHSC determines that a delay in termination would pose an imminent and serious risk to the health of the individuals enrolled with the STAR+PLUS MMP or the STAR+PLUS MMP experiences financial difficulties so severe that its ability make necessary health services available is impaired to the point of posing an imminent and serious risk to the health of its Enrollees, whereby CMS or HHSC may expedite the termination.

5.6.5.2. Pre-termination Procedures: Before terminating a Contract for cause under 42 C.F.R. §§ 422.510 and 438.708, the STAR+PLUS MMP may request a pre-termination hearing or develop and implement a corrective action plan. CMS or HHSC must:

5.6.5.2.1. Give the STAR+PLUS MMP written notice of its intent to terminate, the reason for termination, and a reasonable opportunity of at least thirty (30) calendar days to develop and implement a corrective action plan to correct the deficiencies; and/or

5.6.5.2.2. Notify the STAR+PLUS MMP of its Appeal rights as provided in 42 C.F.R. Part 422 Subpart N and § 438.710.

5.6.6. Termination due to a Change in Law

5.6.6.1. In addition, CMS or HHSC may terminate this Contract upon thirty (30) days' notice due to a material change in law, or with less or no notice if required by law.

5.6.7. Continued Obligations of the Parties

5.6.7.1. In the event of termination or expiration of this Contract, or if the STAR+PLUS MMP otherwise withdraws from the Medicare or Texas Medicaid programs, the STAR+PLUS MMP shall continue to have the obligations imposed by this Contract or applicable law. These include, without limitation, the obligations to continue to provide Covered Services to each Enrollee at the time of such termination or withdrawal until the Enrollee has been disenrolled from the STAR+PLUS MMP; provided, however, that CMS and HHSC will exercise best efforts to complete all

disenrollment activities within six (6) months from the date of termination or withdrawal.

5.6.7.2. In the event that this Contract is terminated, expires, or is not renewed for any reason:

5.6.7.2.1. If CMS or HHSC, or both, elect to terminate the Contract, CMS and HHSC will be responsible for notifying all Enrollees covered under this Contract of the date of termination and the process by which those Enrollees will continue to receive care. If the STAR+PLUS MMP elects to terminate or not renew the Contract, the STAR+PLUS MMP will be responsible for notifying all Enrollees and the general public, in accordance with federal and State requirements.

5.6.7.2.2. The STAR+PLUS MMP must promptly return to CMS and HHSC all payments advanced to the STAR+PLUS MMP for Enrollees after the effective date of their disenrollment; and

5.6.7.2.3. The STAR+PLUS MMP must supply to CMS and HHSC all information necessary for the payment of any outstanding Claims determined by CMS and HHSC to be due to the STAR+PLUS MMP, and any such Claims will be paid in accordance with the terms of this Contract.

The STAR+PLUS MMP shall restrict its use and disclosure of Medicare data obtained from CMS and HHSC information systems (listed in Attachment A) to those purposes directly related to the administration of the Medicare/Medicaid managed care and/or outpatient prescription drug benefits for which it has contracted with CMS and HHSC to administer. The STAR+PLUS MMP shall only maintain data obtained from CMS and HHSC information systems that are needed to administer the Medicare/Medicaid managed care and/or outpatient drug benefits that it has contracted with CMS and HHSC to administer. Second, the STAR+PLUS MMP may provide information about health-related services without obtaining prior Enrollee consent, as long as the STAR+PLUS MMP affords the Enrollee an opportunity to elect not to receive such information.

Without written consent from HHSC, the STAR+PLUS MMP will perform all work under this Contract exclusively within the United States. All information obtained by the STAR+PLUS MMP or a First Tier, Downstream, or Related Entity under this Contract will be stored and maintained exclusively within the United States.

CMS may terminate the STAR+PLUS MMP's access to the CMS data systems immediately upon determining that the STAR+PLUS MMP has used its access to a data system, data obtained from such systems, or data supplied by its Enrollees beyond the scope for which CMS and the HHSC have authorized under this agreement. A termination of this data use agreement may result in CMS or HHSC terminating the STAR+PLUS MMP's Medicare-Medicaid Contract(s) on the basis that it is no longer qualified as a STAR+PLUS MMP. This agreement shall remain in effect as long as the STAR+PLUS MMP remains a STAR+PLUS MMP sponsor. This agreement excludes any public use files or other publicly available reports or files that CMS or HHSC make available to the general public on their websites.

Appendix J. NEMT Services

J.1 NEMT Services

- J.1.a The STAR+PLUS MMP must assess, approve, arrange, coordinate, and ensure delivery of NEMT Services in accordance with the Contract and Chapter 16 of the UMCM. NEMT Services include the following:
 - J.1.a.1 Demand response transportation services, including Nonmedical Transportation (NMT) Services, and public transportation services;
 - J.1.a.2 Mass transit;
 - J.1.a.3 Individual transportation participant (ITP) mileage reimbursement;
 - J.1.a.4 Meals;
 - J.1.a.5 Lodging;
 - J.1.a.6 Advanced funds; and
 - J.1.a.7 Commercial airline transportation services.
- J.1.b NEMT Services must be delivered using the most cost-effective and cost-efficient method of delivery that allows the Enrollee to meet their health care needs.
- J.1.c The STAR+PLUS MMP must require NEMT Services within the Enrollee's Service Area to be requested at least two Business Days in advance of the date of the requested trip. The STAR+PLUS MMP must require a request for a trip outside of the Enrollee's Service Area (i.e., a "long-distance trip") to be received at least five Business Days in advance of the trip. The STAR+PLUS MMP must make an exception to either of these requirements for transportation to access treatment for an Urgent Condition, transportation after hospital discharge, and transportation to a pharmacy to pick-up a prescription or obtain Health Care Services provided by a pharmacy, such as DME items. These trips may be requested with less than 48 hours' notice. Additional exceptions to these timeframe requirements may be granted at the STAR+PLUS MMP's discretion. The STAR+PLUS MMP is not required to approve requests for NEMT Services made with less than three hours' notice. The STAR+PLUS MMP must document actions taken in attempt to arrange the requested transportation.
- J.1.d The STAR+PLUS MMP must develop and maintain a database compliant with federal and state laws, rules, and regulations for tracking NEMT Services requests that is capable of interfacing with HHSC systems to provide electronic records in a prescribed media and format. At a minimum, the STAR+PLUS MMP must:

- J.1.d.1 Establish and maintain a computer system that complies with federal and state laws, rules, and regulations, including Health Insurance Portability and Accountability Act of 1996 (HIPAA) (42 U.S.C. §§1320d-1320d-8).
- J.1.d.2 Maintain hardware, software, internet and communication equipment to support automated services necessary to carry out the requirements of the contract using industry standard products.
- J.1.d.3 Maintain a reservation system capable of conducting NEMT Services reservations and confirmation of transactions.
- J.1.d.4 Track NEMT Services received by members through the system, and accurately and fully maintain those service records as HIPAA-compliant Encounter transactions.
- J.1.d.5 Maintain a history of changes and adjustments and audit trails for current and retroactive data.
- J.1.d.6 Maintain a vehicle management platform capable of monitoring vehicle status including mileage, condition, and inspections routinely, including identification data for the vehicles including owner, plate number, and vehicle identification number.
- J.1.d.7 Maintain a driver management platform capable of monitoring driver status including trainings, driver's license, criminal history checks, sex offender registry checks, motor vehicle reports from DPS, drug testing, and federal and state screening requirements.
- J.1.d.8 Maintain procedures and processes for accumulating, archiving, and restoring data in the event of a system or subsystem failure.

J.2 Approval of NEMT Services

- J.2.a All NEMT Services provided to Enrollees must be approved by the STAR+PLUS MMP. The STAR+PLUS MMP must have a process in place for modifying an Enrollee's approved, scheduled trip to add a stop, such as to the pharmacy, clinic, or other health care facility as ordered by attending physician. The STAR+PLUS MMP must use an automated scheduling system to record, approve, and coordinate NEMT Services. This system must be capable of accommodating reservations for future trips as well as requests for same day trips and urgent trips. At minimum, for any delivered NEMT Services, the STAR+PLUS MMP must be able to provide documentation of the following upon request:

- J.2.a.1 The name and Medicaid number of the Enrollee using the service.

- J.2.a.2 The pickup and destination addresses, including a telephone number for the trip destination.
- J.2.a.3 Evidence that the NEMT Service was for an allowable purpose and in conjunction with a covered health care service.
- J.2.a.4 Evidence that the Enrollee had no other means of transportation (this may be met through self-attestation).
- J.2.a.5 Information on any special transportation needs, such as use of a wheelchair.
- J.2.a.6 If applicable, the justification for providing NEMT Services outside of the Service Area.
- J.2.b Each STAR+PLUS MMP may determine the means by which this information is collected, including whether the information is collected prior to each NEMT Service occurrence.
- J.2.c To avoid risk to Enrollee health and safety, the STAR+PLUS MMP must determine appropriateness of using a TNC while authorizing the transportation.
- J.2.d Separate from, and in addition to the STAR+PLUS MMP automated scheduling system, the STAR+PLUS MMP must provide an online reservation system for Enrollees or providers to request NEMT Services.
- J.2.e Out-of-State Travel Requests
 - J.2.e.1 The STAR+PLUS MMP must permit and provide out-of-state NEMT Services to Enrollees for authorized out-of-state Health Care Services. If an Enrollee must travel to another state to receive Health Care Services, the STAR+PLUS MMP must not levy additional fees against the Enrollee or HHSC.
- J.2.f Individual Transportation Participants (ITPs)
 - J.2.f.1 ITP services reimburse an Enrollee or their family member, friend, or neighbor for the mileage, as calculated by the STAR+PLUS MMP, incurred when driving the Enrollee to a Health Care Service as calculated by the STAR+PLUS MMP. ITP services are available to Enrollees of any age.
- J.2.g Nonmedical Transportation Services
 - J.2.g.1 The STAR+PLUS MMP must only approve a TNC to provide NMT Services. If a TNC does not operate in the area where the Enrollee or the Health Care Service is located, the STAR+PLUS

MMP may not approve the use of NMT. Instead, the STAR+PLUS MMP must provide the requested transportation using another NEMT Service for the Enrollee, including demand response transportation services with less than 48-hours' notice, if the trip is to access treatment for an Urgent Condition, transportation after hospital discharge, or transportation to a pharmacy.

- J.2.g.2 The STAR+PLUS MMP is not required to approve NMT or other transportation with less than 48 hours-notice if the request for that transportation is made with less than three hours-notice. The STAR+PLUS MMP must document actions taken in attempt to arrange the requested transportation.

J.2.h NEMT Attendant Requirements

- J.2.h.1 Enrollees who need assistance while being transported may request an NEMT Attendant. The STAR+PLUS MMP may approve an NEMT Attendant for nonmedical reasons, such as to provide communication assistance to the Enrollee, without a written statement from a healthcare provider., such as to provide communication assistance to the Enrollee. A written statement from the Enrollee's primary healthcare provider is necessary for the STAR+PLUS MMP to approve an NEMT Attendant for medical reasons.

- J.2.h.2 The NEMT Attendant must accompany the Enrollee from the origin to the approved destination and on the return trip, including add-on trips. Except for parents or guardians, the STAR+PLUS MMP must document the need for the NEMT Attendant. If documentation states an NEMT Attendant is necessary, the trip may not proceed without an NEMT Attendant. If an NEMT Attendant is necessary but not present when the driver arrives to pick up the Enrollee, the NEMT Service must be recorded as an Enrollee "no-show" and rescheduled. The NEMT Attendant must remain at the location where Health Care Services are being provided but may remain in the waiting room during the Enrollee's appointment. The NEMT Services provider must not require reimbursement from the NEMT Attendant.

- J.2.h.3 Before the trip may commence, the NEMT Attendant must provide and install any necessary child safety seats.

J.2.i Approval of Mass Transit NEMT Services

- J.2.i.1 The STAR+PLUS MMP must not authorize mass transit if the Enrollee's health care provider has documented that the Enrollee:
- a) has a high-risk pregnancy;

- b) is in the eighth month of pregnancy or later;
- c) has high-risk cardiac conditions;
- d) has severe breathing problems; or
- e) requires life sustaining medical care.

J.2.j NEMT Services for Enrollees with these health concerns must be scheduled to minimize wait times and riding times.

J.3 NEMT Services Providers

J.3.a Transportation Network

- J.3.a.1 The STAR+PLUS MMP will establish and maintain a transportation network that meets NEMT Services needs for Enrollees within the Service Area. In establishing its network, the STAR+PLUS MMP must consider the following factors: Enrollee characteristics; historical service utilization data; geographic location of health care providers and Enrollees, including distance, travel time, and available modes of transportation; and health care provider hours of operation that may be outside regular business hours, such as dialysis centers.
- J.3.a.2 The STAR+PLUS MMP's transportation network must include a sufficient and reliable fleet of vehicles, and various modes of transportation, including buses, sedans, vans, wheelchair accessible vehicles, and the personal cars of drivers who are part of a TNC's network.
- J.3.a.3 The STAR+PLUS MMP must ensure vehicles in its transportation network comply with all applicable state and federal laws, rules, and regulations, including Federal Motor Vehicle Safety Standards (49 C.F.R. Part 571) and Texas Transportation Code, Title 7, Chapter 547.
- J.3.a.4 STAR+PLUS MMPs must also ensure there are vehicles in their networks that comply with the ADA Accessibility Guidelines for Transportation Vehicles (36 C.F.R. Part 1192) in order to meet the needs of Enrollees with special needs.

J.3.b NEMT Services Provider Enrollment

- J.3.b.1 The STAR+PLUS MMP must:

- f) Comply with the provider selection requirements in 42 C.F.R. § 438.214 and the prohibitions against provider discrimination in 42 C.F.R. § 438.12, as applicable.
- g) Ensure that NEMT Services providers are properly enrolled through the HHSC's Claims Administrator and appear on PEMES or other system application designated by HHSC in order to be eligible for inclusion in the MT88 MMP Network File prior to providing NEMT Services.
- h) Enroll NEMT Services providers that will be part of the MT88 MMP Network File through the STAR+PLUS MMP enrollment process and enter into a written agreement with each of those providers of NEMT Services. An executed copy of the written agreement must be provided to HHSC no later than 10 Business Days after execution.
- i) Enter into a Data Use Agreement (DUA) with the NEMT Services provider and maintain a signed copy of that DUA.
- j) NEMT Services providers may have an Atypical Provider Identifier (API) or NPI.

J.4 NEMT Services Call Center Requirements

J.4.a Call center processes used for the STAR+PLUS program can be used to meet the STAR+PLUS MMP call center requirements.

J.4.a.1 The STAR+PLUS MMP must ensure Enrollees are able to request NEMT Services by phone. This requirement may be met through augmenting existing STAR+PLUS MMP Enrollee Hotline staff, creating a dedicated NEMT Services call center, contracting with an entity to arrange NEMT Services requested by telephone, or another HHSC-approved model. In any arrangement, the NEMT Services call center must be staffed between the normal business hours of 8:00 a.m. to 5:00 p.m. local time for the Service Area, Monday through Friday, excluding state-approved holidays.

J.4.a.2 The NEMT Services call center must be staffed sufficiently to answer calls regarding NEMT Services, including providing approval of services, scheduling and tracking rides, and answering Enrollee questions related to ride status. If a dedicated NEMT Services call center or contracted entity is used, those staff are responsible for ensuring a warm transfer to the STAR+PLUS MMP's standard call center for questions related to program benefits that are received during STAR+PLUS MMP call center operating hours to ensure consistent and comprehensive support is provided to Enrollees.

- J.4.a.3 The NEMT Services call center must have the staffing capacity to handle all telephone calls at all times during the required hours of operation and have the ability to upgrade for handling additional call volume as needed. Calls cannot be answered by an answering service during business hours and recording devices cannot be used as the final point of destination for callers during business hours. The STAR+PLUS MMP must have a “Where’s My Ride” line and/or phone prompt, for Enrollees to call for their rides home and/or check on the status of their scheduled rides. The STAR+PLUS MMP must ensure the Enrollees’ calls are answered by live operators 5:00 a.m. through 7:00 p.m. local time Monday through Saturday. The STAR+PLUS MMP must ensure that Enrollees can reach this line and/or phone prompt and NEMT Services providers during observed holidays in which NEMT Services must be provided.
- J.4.a.4 In addition to Enrollee Hotline training requirements found in Section 2.9.1.1, the STAR+PLUS MMP must properly train NEMT Services call center staff on NEMT Services policies, including the following:
- a) Handling difficult callers;
 - b) Reporting Fraud, Waste, and Abuse;
 - c) Overview of managed care and NEMT Services;
 - d) Scheduling and coordination of NEMT Services;
 - e) Civil rights;
 - f) Cultural diversity training; and
 - g) Customer service.
- J.4.a.5 The STAR+PLUS MMP must ensure a desk or training manual for NEMT Services call center staff is developed that includes all processes, policies, and procedures used in scheduling trips, authorization of services, and management of transportation services. NEMT Services call centers, including the Where’s my Ride? line, are subject to all Enrollee Hotline performance standards and reporting.
