- 2 Revisions should be numbered according to the version of the issuance and sequential numbering of the revision—e.g., "1.2" refers to the first version of the document and the second revision.
3. Brief description of the changes to the document made in the revision

## **Instructions and Requirements for the Farmworker Child(ren) Annual Report and Log**

### **Applicability of Chapter 12.1**

This chapter applies to Managed Care Organizations (MCOs) participating in the STAR Program, STAR Kids Program, and Children’s Medicaid Dental Services. This chapter is not applicable to STAR Health or STAR+PLUS.

For purposes of this Chapter, the term “MCO” includes health maintenance organizations (HMOs), Dental Contractors, exclusive provider organizations (EPOs), insurers, and any other entities licensed or approved by the Texas Department of Insurance (TDI).

Templates for the Farmworker Child(ren) (FWC) Annual Report and Log are included in Chapter 12 of the Uniform Managed Care Manual (UMCM). The Health and Human Services Commission (HHSC) may impose contractual remedies against any MCO that fails to provide these Deliverables in a timely or complete manner or in the format specified by HHSC.

### **The Farmworker Child(ren) Annual Report**

MCOs must submit the FWC Annual Report to HHSC for each managed care program (STAR, STAR Kids, Children’s Medicaid Dental Services) for which the MCO provides services. The MCO must use the template provided in Chapter 12 of the UMCM and must comply with the requirements outlined in the Deliverables Requirements Matrix (see UMCM 5.0.1) and must include information from the prior State Fiscal Year (SFY). When the due date of this report is not a Business Day, the report will be due the next Business Day.

The MCO must use the following naming convention for the FWC Annual Report 12\_3XXXXYPP:

- "12\_3" = UMCM chapter of FWC Annual Report template
- "XXX" = the MCO’s alpha abbreviation code
- "YY" = the last two digits of the SFY the reporting year
- "PP" = The MCO must indicate whether the FWC Annual Report is for Dental (DN), STAR (ST), or STAR Kids (SK)

### **Farmworker Child(ren) Annual Report Log**

Each MCO must also submit one Farmworker Child(ren) Annual Report Log (FWC Log) for each FWC Annual Report using the template provided in Chapter 12 of the UMCM and must comply with the requirements outlined in the Deliverables Requirements Matrix (see UMCM 5.0.1).

## UNIFORM MANAGED CARE MANUAL 12.1 FARMWORKER-CHILD(REN) ANNUAL REPORT AND LOG INSTRUCTIONS

The FWC Log requires the MCO to provide a list of collaborative efforts with community and statewide organizations, and a list of methods to identify FWC described in the FWC Annual Report. When the due date of the FWC Log is not a Business Day, it will be due the next Business Day.

The MCO must use the following naming convention for the FWC Log 12\_25XXXYYPP:

- "12\_25" = UMCM chapter of Migrant Incentives Supporting Documentation Log
- "XXX" = the MCO's alpha abbreviation code
- "YY" = the last two digits of the SFY for the FWC Log reporting year
- "PP" = the MCO must indicate whether the FWC Log is for Dental (DN), STAR (ST), or STAR Kids (SK).

The FWC Log contains two sections (Part 1 and Part 2). Part 1 is for listing collaborative efforts with migrant organizations. Part 2 is for listing methods to identify FWC. The FWC Log will be used as the basis for the Migrant Incentive Process described in Chapter 12.16 of the UMCM.

MCOs must complete each tab in Part 1 of the FWC Log for each of the top 20 organizations. MCO may include more than 20 organizations with which it has collaborative efforts, but only the top 20 organizations listed will be considered for incentives (see Chapter 12.16 of the UMCM for additional information on scoring).

The name of the organization must be clearly identified at the top of each tab. The date, contact name for the organization, and contact's phone number must be listed. The activity type refers to UMCM 12.16 Part 1 of the FWC Log, such as contacting an organization by phone, doing a site visit, and attending health fairs. Select from the drop-down list on type of activity in the activity type section. The comments/results column must briefly explain what occurred during the collaborative effort. If an MCO submitted agreements or any other materials for the activity, it must include a "Y" in this column. If not, then it must include an "N" in this column.

For Part 2 of the FWC Log, MCOs must include an "X" for each month during which an outreach activity was performed during the SFY. The numbers of each activity listed at the top of the document represents each activity as listed on UMCM 12.16 Part 2

A summary of the entries for Part 1 and Part 2 is found in the "For Office use only" section of the FWC Log. MCOs must not enter data on the "For Office use only" tab. This tab contains calculations based on entry of information in Part 1 and Part 2 and is used for determining incentives and disincentives.

Documentation to support content of the FWC Log and the FWC Annual Report must be provided within 5 Business Days of a request from HHSC. HHSC may use the supporting documentation during quality review and program monitoring activities to verify accuracy of the FWC Annual Report and FWC Log.

**The FWC Annual Report, FWC Log, and supporting documentation are subject to the *Frew v. Smith* litigation hold and must be retained by the MCO indefinitely.**
