1. General Information

Background

Title XX Social Services Block Grant (SSBG) funds are appropriated by the Texas Legislature and Governor to Texas state agencies to help meet specified social service needs for defined low income and at-risk populations. The Governor designated the Texas Health and Human Services Commission (HHSC) to administer the Title XX Social Services Block Grant on behalf of the State of Texas. HHSC acts as the lead grantee agency and serves as the coordinator of funds from the federal government to the various state agencies to which Title XX SSBG funds are appropriated. The Texas agencies participating in Title XX SSBG include:

- Texas Health and Human Services Commission
- Texas Department of Family and Protective Services
- Texas Workforce Commission

Although HHSC is the lead Title XX SSBG agency, the state agencies receiving and expending the funds are responsible for ensuring that services and expenditures are allowable and in compliance with federal and state requirements.

Pursuant to 42 United States Code Section 1397e, States must prepare reports on its activities carried out with SSBG funds. This report reflects how funds received for the 2022 Title XX block grant program year may be used and explains how Title XX social services may be provided. The program year for the Title XX SSBG in Texas is the federal fiscal year, October 1, 2021 through September 30, 2022.

Pursuant to 45 Code of Federal Regulations Section 96.74, States must use a standardized form as the reporting instrument to satisfy the reporting requirement of SSBG. Pursuant to Chapter 2054 of Texas Government Code, Section 508 of the Rehabilitation Act, and Section 255 of the Telecommunications Act, HHSC is required to provide members of the public seeking information with access to and use of information and data that are comparable to those provided to members of the public without disabilities. This report contains the same information as the required standardized form (OMB 097-0234) that the State of Texas will submit but is made accessible for all members of the public.

3. Mission/Goals of Agency

Mission- Improving the health, safety and well-being of Texans with good stewardship of public resources

4. Description of Financial Operations Systems

HHSC uses the Centralized Accounting and Payroll/Personnel System financials (CAPPS Fin) module to account for and allocate costs, as do all HHS System agencies plus DFPS. CAPPS Fin provides consistency in financial business processes and configurations among HHS System agencies, which assists in accomplishing the efficiency and cost containment objectives of the HHS System. HHSC uses the Centralized Accounting and Payroll/Personnel System (CAPPS HR) for Human Resources and Payroll.

The financial systems module of CAPPS Fin uses PeopleSoft's Financials for the public sector. Applications included within the module are general ledger (including budgeting and financial reporting), accounts payable, purchasing, and asset management. The chart of accounts defines how HHSC classifies and reports on financial and budgetary data. In PeopleSoft the chart of accounts structure is comprised of a series of individual data elements called chartfields. PeopleSoft's public sector financial application is delivered with a standard chartfield configuration.

3. Program Planning

1. Planning for Distribution and Use of Funds

The Texas budgeting process begins with the development of a biennial appropriation request and annual operating budgets. Funding recommendations and decisions are developed from review of Title XX goals, current federal and state laws, regulations, riders, and public comments about client needs in different geographic areas of the state. The governing bodies of the various agencies approve submission of their Legislative Appropriations Request based on criteria for priorities of services.

The Texas Legislature reviews and revises the request, which is then sent to the Governor for final approval. Each agency uses funds in accordance with its rules outlined in the Texas Administrative Code (TAC). Depending on the service, the agency may provide the service directly using its own employees, may grant funds to third party subrecipients for service programs, or may purchase services through contracts from third parties using competitive procurement or other means. Local public agencies, community and faith-based organizations, and private for-profit enterprises interested in receiving Title XX SSBG funds should contact the applicable state agency responsible for administration of the particular service for information on how to receive Title XX SSBG funding.

2. Describe the Characteristics of Individuals to be Served

Characteristics of individuals to be served varies by each program.

HHSC Access and Eligibility Case Management Services

Eligibility is based on income, financial resources, and need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide. The individual does not have to receive a community care service to receive case management. For purposes of this service:

“Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Section 48.1201)

HHSC Children’s Mental Health Services

Eligible individuals are children and adolescents between the ages 3 – 17 years old with a serious emotional disturbance (SED), excluding a single diagnosis of substance use disorder, intellectual or developmental disability, or autism spectrum disorder, and a serious functional impairment, or who are at risk of disruption of a

preferred living or childcare environment due to psychiatric symptoms, or enrolled in special education because of SED.

For purposes of this service:

- “Child” is defined as “an individual who is at least three years of age, but younger than 13 years of age.”
- “Adolescent” is defined as “an individual who is at least 13 years of age, but younger than 18 years of age.” (26 TAC Section 306.255)

HHSC Adult Community Mental Health Services

Adult Mental Health Services are available to the Adult Mental Health (MH) Priority Population - Adults who have severe mental illnesses such as schizophrenia, major depression, bipolar disorder, post-traumatic stress disorder, obsessive compulsive disorder, anxiety disorder, attention deficit/hyperactivity disorder, delusional disorder, bulimia nervosa, anorexia nervosa or other severely disabling mental disorders which require crisis resolution or ongoing and long-term support and treatment.

a) Initial Eligibility

An individual age 18 or older who has a diagnosis of severe mental illness with the application of significant functional impairment and the highest need for intervention, which is operationalized as the uniform assessment; or

An individual age 18 or older who was served in children’s MH services and meets the children’s MH priority population definition prior to turning 18 is considered eligible for one year.

b) Individuals with only the following diagnoses are excluded from this provision

- I. Substance Related Disorders as defined in the following DSM-5 diagnostic codes: F10.10-F19.99, Z72.0.
- II. Mental disorders due to known physiological conditions: F01-F09.
- III. IDD as defined in the following DSM-5 diagnostic codes: F70, F71, F72, F73, F79.
- IV. Autism spectrum disorder as defined in the following DSM-5 diagnostic code: F84.0.

For purposes of this service:

- “Adult” is defined as “an individual who is 18 years of age or older.”

- "Child" is defined as "an individual who is at least three years of age, but younger than 13 years of age."
- "Adolescent" is defined as an individual who is at least 13 years of age, but younger than 18 years of age (26 TAC Section 306.255),
- "Family member" is defined as "any person who an individual identifies as being a member of their family." (26 TAC Section 301.303)

HHSC Day Activity and Health Services

Eligibility is based on age (18+), income, financial resources, a chronic medical condition and physician's attestation that the individual will receive therapeutic benefit from participation in the program. For purposes of this service, "Adult" is defined as "a person aged 18 or older, or an emancipated minor." (40 TAC Section 48.1201)

TWC Child Care and Development

Eligibility limits for services differ depending on where parent resides. Each Local Workforce Development Board (Board) sets its own income eligibility limits up to 85% of the State Median Income (SMI). Boards do not require an income test for families if they are referred by:

- a TANF employment services (Choices) case manager, or
- a Supplemental Nutrition Assistance Program (SNAP) Employment and Training case manager.

Income tests for parents referred to Choices or SNAP Employment and Training are provided by HHSC, the agency that determines eligibility for and administers TANF and SNAP benefits.

Additionally, families experiencing homelessness are required under the Child Care and Development Block Grant to receive priority in the delivery of Child Care Services. As provided for in 40 TAC Section 809.41, families experiencing homelessness are considered to be income eligible without an income test.

Children in protective care are considered a vulnerable class by CCDBG, and states have flexibility to prioritize services for these children. As provided for in 40 TAC Section 809.49, parents who are referred by a Child Protective Services Worker are also served without an income test.

With the exception of children referred for childcare by Child Protective Services staff, parents must be working or in training to receive child care assistance.

Eligibility is limited to children under 13 years of age, with the exception of children ages 13 to 19 who have disabilities. Local Workforce Development Boards, in setting their local child care policies, may elect to extend eligibility to children with disabilities who are over 12 and under 19 years of age, or they may elect not to extend eligibility to that group.

For purposes of this services: "Child" is defined as under 13 years of age or at the option of the Board, a child with disabilities under 19 years of age." (40 TAC Section 809.41)

HHSC Women's Health Services

Eligible clients include persons age 64 and younger, reside in Texas, and whose income is equal to or less than 250 percent of the current federal poverty level. In general, most Family Planning Program services may not be provided to minors without parental consent pursuant to Chapters 32 and 151 of the Texas Family Code. Spousal consent is not required.

HHSC Adult Foster Care

Eligibility is based on age (18+), financial eligibility – either Medicaid eligible or meeting Title XX income and resource limits, need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide. The applicant's or client's needs must not be such that they exceed the ability of the foster care provider to deliver the care required. For purposes of this service:

"Adult" is defined as a "person 18 or older, or an emancipated minor." (40 TAC Section 48.1201)

HHSC Residential Care

Eligibility is based on age (18+), financial eligibility – either Medicaid eligible or meeting Title XX income and resource limits, need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide. The client must reside in the geographical area described in the contract. For purposes of this service:

“Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Section 48.1201)

HHSC Consumer Managed Personal Assistant Services (CMPAS)

Eligibility is based on age (18+), copay after \$2349.01 of monthly income, and physician’s statement verifying the individual has a current medical need for assistance with personal care tasks and other activities of daily living. The client must need assistance with at least one personal care task, be mentally and emotionally capable of self-directing attendant care, and reside in the geographical area described in the contract.

HHSC Home Delivered Meals

Eligibility is based on age (18+) and, need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide. For purposes of this service: “Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Section 48.1201)

DFPS Statewide Intake Services

Anyone can report suspected abuse, neglect, or exploitation or a suspected risk of abuse, neglect, or exploitation. Eligible clients include children under age 18 who are believed to be victims of abuse or neglect or are at risk of abuse or neglect by a person who is a member of the child’s family or household and is responsible for the child’s care, custody or welfare, as defined by the Texas Family Code. Eligible clients also include persons with disabilities and the elderly who are suspected to be victims of abuse, neglect or exploitation. Client eligibility is determined without regard to income and is based on the need for protection from abuse, neglect or exploitation. For purposes of this service:

“Child” is defined as “a person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes.” (Texas Family Code, Section 101.003)

HHSC Family Violence Services

Families with a caretaker and dependent child(ren) with incomes at or below 200% of federal poverty level, based on self-declaration.

For purposes of these services:

“Family” includes “individuals related by consanguinity or affinity, individuals who are former spouses of each other, individuals who are the parents of the same child, without regard to marriage, and a foster child and foster parent, without regard to whether those individuals reside together.” (Texas Human Resources Code, Section 51.002, and Texas Family Code, Section 71.003.)

HHSC Guardianship Program

Texas Human Resources Code Chapter 161 provides HHSC with the authority to be appointed as a permanent guardian of a person or of the estate for children and adults referred to HHSC by DFPS. The Child Protective Services (CPS) and the Adult Protective Services (APS) Divisions of DFPS refer individuals for guardianship services as described below.

The Child Protective Services (CPS) Division of DFPS refers an individual to HHSC for guardianship services:

1. the individual must:
 - A. be at least 16 years of age and be in a conservatorship of DFPS; or
 - B. be at least 18 years of age, have been in CPS conservatorship on the day before turning 18 years of age, and in extended foster home placement after turning 18 years of age; and
2. CPS must have reason to believe that the individual will be substantially unable to provide for the individual's own food, clothing, or shelter, or to care for the individual's own health needs, or to manage the individual's own financial affairs when the individual becomes an adult.

An individual referred by the Adult Protective Services Division (APS) of DFPS must be 65 years of age or older, or 18 to 64 years of age with a disability. APS must also have reason to believe the individual is an incapacitated person, as defined by Texas Estates Code, Section 1002.017(2) and must have been determined to be in a state of abuse, neglect, or exploitation.

HHSC must determine that becoming guardian of an individual referred by APS will provide an effective remedy for the abuse, neglect, or exploitation validated by APS.

HHSC must determine that becoming a guardian of an individual referred by CPS will enable HHSC to effectively serve the needs of that ward.

HHSC may also otherwise agree to serve as permanent guardian for an individual.

In order for HHSC to serve as guardian, an individual must have private assets available to meet the expenses of day-to-day living, or be eligible for government benefits (for example, Medicaid, Social Security, or veteran benefits) that are sufficient to provide support. The HHSC Guardianship Services Program is not liable for, and cannot provide, financial support for services provided to wards, including the cost of long-term care or burial expenses.

HHSC Provider Investigations

Eligible clients are persons who are residents of or receiving services through mental health and intellectual disabilities (MHID) facilities, community MHID centers, their contractors and home and community-based waiver programs, private ICF-IDs, and who are alleged to be abused, neglected, or exploited by facility, center, or contract staff.

Clients do not have to meet age, financial or functional eligibility requirements.

For purposes of this service:

“Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (26 TAC Section 705.101)

DFPS Adult Protective Services Direct Delivery Staff

For purposes of this service: “Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Chapter 705.101)

DFPS Adult Protective Services Program Support

Clients are eligible for protective services without regard to income. Services are provided to adults age 65 or older, adults age 18 to 64 with disabilities, and to persons under age 18 who have disabilities and have been declared legal adults.

For purposes of this service: “Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Chapter 705.101)

DFPS Adult Protective Services Purchased Emergency Client Services

Clients are eligible for protective services without regard to income. Services are provided to adults age 65 or older, adults age 18 to 64 with disabilities, and to persons under age 18 who have disabilities and have been declared legal adults. APS may also provide protective services to a family member or a caretaker if APS determines that such services are necessary to alleviate abuse, neglect or financial

exploitation or to prevent the client from returning to a state of abuse, neglect or exploitation.

For purposes of this service: "Adult" is defined as "a person aged 18 or older, or an emancipated minor." (40 TAC Chapter 705.101)

DFPS Child Protective Services Direct Delivery Services

Client eligibility is determined without regard to income and is based on the child's need for protection from abuse and neglect. Services are provided to facilitate achievement of a permanency plan. Substitute care is extended to persons beyond age 18, if they are still in school. For purposes of this service:

"Child" is defined as "a person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes." (Texas Family Code, Section 101.003)

HHSC Child Advocacy Program

Children who have been abused or neglected and their families.

For purposes of these services:

"Family" includes "individuals related by consanguinity or affinity, individuals who are former spouses of each other, individuals who are the parents of the same child, without regard to marriage, and a foster child and foster parent, without regard to whether those individuals reside together." (Texas Human Resources Code, Section 51.002, and Texas Family Code, Section 71.003.)

HHSC Children's Mental Health Plan

Waco Center for Youth provides long-term psychiatric residential treatment to youth who:

- are age 13 through 17 years (must complete the program before turning 18);
- have a psychiatric diagnosis of emotional or behavioral disability; and
- have a history of behavior adjustment problems in at least two settings such as school, home or in the community.

An individual must have legal authority under Texas Health and Safety Code Chapter 572 to apply for services at Waco Center for Youth. All potential applicants must be referred by one of the entities below to be fully considered for admission.

- State hospitals;

- Local mental or behavioral health authorities;
- Community Resource Coordination Groups; or

Since WCY is not an acute care psychiatric hospital, it does not have the ability to serve individuals who need emergency or court-ordered mental health services, including those that are acutely psychotic, suicidal, or homicidal. Other eligibility limitations or exclusions include, but are not limited to involvement with juvenile justice, certain medical conditions, and a history of other types of issues that may put other youth at risk of being harmed.

HHSC Special Services to Persons with Disabilities

Eligibility is based on age (18+), financial eligibility – either Medicaid eligible or meet financial eligibility criteria for individuals in an institution; and a need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide with a functional score of at least a nine. The client must reside in the geographical area described in the contract. For purposes of this service: “Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Section 48.1201)

HHSC Consumer Managed Personal Assistant Services (CMPAS)

Eligibility is based on age (18+), copay after \$2349.01 of monthly income, and physician’s statement verifying the individual has a current medical need for assistance with personal care tasks and other activities of daily living. The client must need assistance with at least one personal care task, be mentally and emotionally capable of self-directing attendant care and reside in the geographical area described in the contract.

HHSC Emergency Response Services

Eligibility is based on age (18+) and need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide. In addition, the client must live alone, be routinely alone for eight hours or more during each day, or live with an incapacitated individual who could not call for help or otherwise assist the client in an emergency. The client must have a landline telephone or in some areas may be available to individuals with cellular phone service or Voice Over Internet Protocol (VOIP) and must be mentally alert enough to operate the equipment properly. The client must also be willing to sign a release statement that allows the responder to make a forced entry into the client’s home if he is asked to respond to an activated alarm call and has no other means of entering the home to respond. The client must live in a place other than a skilled-care institution, personal care home, foster care setting, or any other setting where 24-hour supervision is available. For purposes of this service: “Adult” is defined as “a person aged 18 or older, or an emancipated minor.” (40 TAC Section 48.1201)

HHSC Emergency Care Services

Eligibility is based on age (18+), financial eligibility – Medicaid eligible or meeting Title XX income and resource limits, need as determined by the Form 2060, Needs Assessment Questionnaire and Task/Hour Guide.

The applicant must also have:

- Lost their home or caregiver, or
- Been discharged from a hospital or institution, or
- Been in a similar emergency.

The applicant's needs may not exceed the facility's capability under its licensed authority. For purposes of this service: "Adult" is defined as "a person aged 18 or older, or an emancipated minor." (40 TAC Section 48.1201)

3. Public Inspection of Pre-Expenditure Report

As required for Title XX Social Services Block Grant (SSBG), the State of Texas made the Intended Use Report and Pre-Expenditure Report available for public inspection and comment. The Texas Health and Human Services Commission (HHSC) followed protocols and procedures for posting the report for public inspection. Notifications were distributed through the communications office standard newsfeeds and news releases.

Please see Appendix C.

4. Program Operations

1. Adoption Services

The State of Texas does not use SSBG funds for this program.

2. Case Management Services

a. Service Category – Case Management Services

Case management services are services or activities for the arrangement, coordination, and monitoring of services to meet the needs of individuals and families. Component services and activities may include individual service plan development; counseling; monitoring, developing, securing, and coordinating services; monitoring and evaluating client progress; and assuring that clients' rights are protected.

b. SSBG Goal

- Achieve or maintain self-sufficiency, including reduction or prevention of dependency;
- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;
- Prevent or reduce inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care; and
- Secure referral or admission for institutional care when other forms of care are not appropriate, or providing services to individuals in institutions.

c. Description of Services

HHSC Access and Eligibility Case Management Services

Case Management Services are provided directly by caseworkers to eligible individuals to assist them in gaining access to needed medical, social/behavioral, educational, and other services and supports that are appropriate to the individual's needs.

Case Management Services include:

- Assessment of individual needs
- Service plan development
- Referral to community resources
- Follow-up
- Monitoring of the individual and service delivery
- Providing the client or his authorized representative with a listing of his rights

HHSC Children's Mental Health Services

Routine Case Management is primarily a site-based service that assists a child/youth, or caregiver/LAR in obtaining and coordinating access to necessary care and services appropriate to the individual's needs. The contractor shall not subcontract for the delivery of these services. 6. Day Care Services - Children

a. Service Category – Day Care Services – Children

Day care services for children (including infants, pre-schoolers, and school age children) are services or activities provided in a setting that meets applicable standards of state and local law, in a center or in a home, for a portion of a 24-hour day. Component services or activities may include a comprehensive and coordinated set of appropriate developmental activities for children, recreation, meals and snacks, transportation, health support services, social service counseling for parents, plan development, and licensing and monitoring of child care homes and facilities.

b. SSBG Goal

- Achieve or maintain economic self-support to prevent, reduce, or eliminate dependency

c. Description of Services

TWC Child Care and Development

Child Care and Development Services are purchased for eligible children to enable their parents to work or attend education and training. The program is supported by several funding sources in addition to Title XX.

These sources include:

- The Child Care and Development Fund through the federal Administration for Children and Families
- State General Revenue Funds
- Local funds from partnerships with private and public entities

d. Description of Recipients (eligibility considerations)

Eligibility limits for services differ depending on where parent resides. Each Local Workforce Development Board (Board) sets its own income eligibility limits up to 85% of the State Median Income (SMI). Boards do not require an income test for families if they are referred by:

- a TANF employment services (Choices) case manager, or
- a Supplemental Nutrition Assistance Program (SNAP) Employment and Training case manager.

Income tests for parents referred to Choices or SNAP Employment and Training are provided by HHSC, the agency that determines eligibility for and administers TANF and SNAP benefits.

Additionally, families experiencing homelessness are required under the Child Care and Development Block Grant to receive priority in the delivery of Child Care Services. As provided for in 40 TAC Section 809.41, families experiencing homelessness are considered to be income eligible without an income test.

Children in protective care are considered a vulnerable class by CCDBG, and states have flexibility to prioritize services for these children. As provided for in 40 TAC Section 809.49, parents who are referred by a Child Protective Services Worker are also served without an income test.

With the exception of children referred for childcare by Child Protective Services staff, parents must be working or in training to receive child care assistance.

Eligibility is limited to children under 13 years of age, with the exception of children ages 13 to 19 who have disabilities. Local Workforce Development Boards, in setting their local child care policies, may elect to extend eligibility to children with disabilities who are over 12 and under 19 years of age, or they may elect not to extend eligibility to that group.

For purposes of this services: "Child" is defined as under 13 years of age or at the option of the Board, a child with disabilities under 19 years of age." (40 TAC Section 809.41)

e. Method of Delivery and Geographic Area

Child care is provided in facilities that are:

- Licensed or registered by HHSC, or
- Operated and monitored by the United States Military
- Care may also be provided by eligible relatives including the child's grandparent, great grandparent, aunt, uncle or with a sibling of the eligible child not living in the same household as the child – provided the relative is at least 18 years old.

The majority of the services funded by the Title XX SSBG are provided statewide in 11 geographic regions that correspond with HHSC's uniform boundaries. Services provided by TWC are statewide in accordance with the Child Care and Development Fund (CCDF) Plan for Texas.

8. Employment Services

a. Service Category – Employment Services

Employment services are those services or activities provided to assist individuals in securing employment or acquiring or learning skills that promote opportunities for employment. Component services or activities may include employment screening, assessment, or testing; structured job skills and job seeking skills; specialized therapy (occupational, speech, physical); special training and tutoring, including literacy training and pre-vocational training; provision of books, supplies and instructional material; counseling, transportation; and referral to community resources.

b. SSBG Goal

- Achieve or maintain economic self-support to prevent, reduce, or eliminate dependency;

c. Description of Services

HHSC Adult Community Mental Health

Employment services are designed to help individuals who are seeking mental health recovery supports with employment stability and individualized assistance in choosing and obtaining competitive employment in regular community jobs. This includes activities such as matching an individual to a job that aligns with their preferences and strengths, symptom-management and coping skills, assisting with job applications and interview preparations, building employer relationships through job development, rapid job search, benefits counseling, and time-unlimited support.

Job development is an activity essential to providing evidence-based supported employment. It is a systematic approach by the employment specialist that focuses on developing relationships with potential employers in an effort to find job matches for clients. It includes advocating with employers, employer negotiations and other networking activities. Job development may count as a collateral contact only when: a contractor has a dedicated employment specialist who is providing the job development service and the job development contact is focused on a specific consumer.

Rapid job search helps clients seek employment directly and assisting with learning job specific skills rather than pre-employment assessment and training. Time-unlimited support encompasses follow-along supports that are individualized and continued for as long as the client wants or needs it to assist them in becoming as independent as possible in their employment. For the purposes of this document, a dedicated employment specialist is someone who spends 90 percent of their time providing supported employment services.

HHSC Community Mental Health Crisis Services

A crisis service provides interventions in response to a crisis in order to reduce symptoms of serious emotional disturbance and to prevent admission of an individual to a more restrictive environment.

Crisis Hotline: The Crisis Hotline is a 24/7 telephone service operated by trained crisis staff providing crisis screening and assessment, crisis intervention services, mental health and substance use referrals, and general mental health and substance use information to the community. The crisis hotline is an integrated component of the overall crisis service delivery system and is accessible toll-free throughout each local mental or behavioral health authority local service area.

Mobile Crisis Outreach Team: MCOT services provide a combination of crisis services including emergent care (response within one hour), urgent care (response within eight hours), crisis follow-up, and relapse prevention to children, adolescents, or adults in the community 24/7.

A crisis stabilization unit provides short-term residential treatment designed to reduce acute symptoms of mental illness provided in a secure and protected clinically staffed, psychiatrically supervised, treatment environment that is licensed under and complies with a crisis stabilization unit

Respite services provide for temporary, short-term, periodic relief for primary caregivers. Program-based respite services are provided at temporary residential placement outside the child/youth's usual living situation. Community-based respite services are provided by respite staff at the child/youth's usual living situation. Respite includes both planned respite and crisis respite to assist in resolving a crisis situation.

Crisis residential treatment is short-term, community-based residential treatment to persons with some risk of harm or who may have fairly severe functional impairment who require direct supervision and care but do not require hospitalization.

9. Family Planning Services

a. Service Category – Family Planning Services

Family planning services are those educational, comprehensive medical or social services or activities which enable individuals, including minors, to determine freely the number and spacing of their children and to select the means by which this may be achieved. These services and activities include a broad range of acceptable and effective methods and services to limit or enhance fertility, including contraceptive methods (including natural family planning and abstinence), and the management of infertility (including referral to adoption). Specific component services and activities may include pre-conceptional counseling, education, and general reproductive health care, including diagnosis and treatment of infections which threaten reproductive capability. Family planning services do not include pregnancy care (including obstetric or prenatal care).

b. SSBG Goal

- Achieve or maintain economic self-support to prevent, reduce, or eliminate dependency;
- Achieve or maintain self-sufficiency, including reduction or prevention of dependency;
- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;

c. Description of Services

HHSC Women's Health Services

Family Planning Program services are part of comprehensive health care delivery systems established in Texas to assist low-income men, women, and adolescents to improve their health status, reduce unintended pregnancies, and positively affect the outcomes of future pregnancies. HHSC administers the state's Family Planning Program. Funding sources include State General Revenue and Title XX, (of which part is TANF transferred to Title XX). Family Planning Program services are provided to eligible individuals by Medicaid-enrolled health care providers. Family Planning Program clients may receive a variety of health care services, all of which must be provided under the supervision, direction, and responsibility of a qualified medical director, licensed to practice medicine in the state of Texas. Abortion is not a service payable under Family Planning Program funding.

Women's Health Services include:

- Pregnancy testing

- Pelvic examinations
- Sexually transmitted infection services
- Breast and cervical cancer screenings
- Clinical breast examination
- Screening for cholesterol, diabetes, and high blood pressure
- HIV screening
- Long-acting reversible contraceptives

10. Foster Care Services for Adults

a. Service Category – Foster Care Services for Adults

Foster care services for adults are those services or activities that assess the need and arrange for the substitute care and alternate living situation of adults in a setting suitable to the individual's needs. Individuals may need such services because of social, physical or mental disabilities, or as a consequence of abuse or neglect. Care may be provided in a community-based setting, or such services may arrange for institutionalization when necessary.

Component services or activities include assessment of the individual's needs; case planning and case management to assure that the individual receives proper care in the placement; counseling to help with personal problems and adjusting to new situations; assistance in obtaining other necessary supportive services; determining, through periodic reviews, the continued appropriateness of and need for placement; and recruitment and licensing of foster care homes and facilities.

b. SSBG Goal

- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;
- Prevent or reduce inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care

c. Description of Services

b. SSBG Goal

- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;

c. Description of Services

HHSC Residential Child Care Licensing

Residential Child Care Licensing (CCL) regulates 24-hour (residential) care, administrators of residential child-care facilities, and agencies that place children in foster care and provide adoption services. CCL enforces minimum standards through routine inspections of operations and investigations of complaints alleging non-compliance with minimum standards. CCL also investigates reports of serious incidents in which children are injured or are otherwise considered at risk in residential child-care operations.

Child Care Licensing Services include:

- Residential Child Care Licensing staff, and
- Residential Child Care Licensing program support.

DFPS Child Protective Services Direct Delivery Services Staff

DFPS investigates reports of child abuse and/or neglect, reports of child abuse/neglect of children in residential child-care operations, provides protective

services, and supports the placement of children in foster care if they are removed from their home. Legal services costs for CPS activities such as court hearings to support judicial determinations of children in the conservatorship of the State and place in out-of-home care to achieve permanency and to protect children are included.

Child Protective Services include:

- Investigating reports of abuse and neglect of children,
- Providing services to children and families in their own homes,
- Placing children with a relative or in foster care if they cannot safely remain in their own home,
- Providing services to help youth in care transition to adulthood,
- Assisting children in obtaining permanency through adoption or permanent care by a relative,
- Legal counsel, training, and direct representation for the CPS program, and
- Redaction and release of CPS records.
- Investigation of reports alleging child abuse/neglect of children in residential child-care operations.

DFPS CPS Program Support

Child Protective Services (CPS) Program Support provides essential functions necessary to provide direct support and management of CPS direct delivery staff and includes legal support activities for CPS programs.

CPS Program Support Services include:

- CPS staff training
- Policy development and maintenance
- Program management
- Quality assurance processes
- CPS foster and adoptive parent training
- Preparation for Adult Living staff

- CPS purchased services contract management
- Residential contract procurement, monitoring and management.
- Legal counsel for CPS program policy and rule development and enforces program policy through representation in administrative hearings for CPS programs.

DFPS Other Support Services

These support services include state office business services such as inventory, records management and background checks. Sections 40.002 and 40.032 of the Texas Human Resources Code give DFPS the authority to maintain a staffing level necessary to efficiently administer and discharge agency functions. A key component of successful program delivery is adequate funding/staffing of indirect administration functions so that direct delivery staff can concentrate on the delivery of protective services.

- Prevent or reduce inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care

c. Description of Services

HHSC Adult Community Mental Health Services

Activities to assist clients in choosing, obtaining, and maintaining regular, integrated housing. Services consist of individualized assistance in finding and moving into habitable, regular, integrated (i.e., no more than 50 percent of the units may be occupied by clients with serious mental illness), and affordable housing.

Includes:

- Housing Assistance - Funds for rental assistance (unless the Contractor has and documents evidence that housing is affordable for people on Supplemental Security Income or that rental assistance funds are guaranteed from another source). To receive rental assistance, clients must be willing to make application for Section 8/Public Housing or have a plan to increase personal income so housing will become affordable without assistance. Housing assistance without services and supports cannot be counted as supportive housing.
- Services and Supports - Assistance in locating, moving into and maintaining regular integrated housing that is habitable. This service includes treatment planning to facilitate recovery. While activities that fall under "services and supports" cannot be billed as rehabilitative services, concurrent rehabilitative

training should be identified as a separate encounter with the appropriate rehabilitative service code.

HHSC Community Mental Health Crisis Services

A crisis service provides interventions in response to a crisis in order to reduce symptoms of serious emotional disturbance and to prevent admission of an individual to a more restrictive environment.

Crisis Hotline: The Crisis Hotline is a 24/7 telephone service operated by trained crisis staff providing crisis screening and assessment, crisis intervention services, mental health and substance use referrals, and general mental health and substance use information to the community. The crisis hotline is an integrated component of the overall crisis service delivery system and is accessible toll-free throughout each local mental or behavioral health authority local service area.

Mobile Crisis Outreach Team: MCOT services provide a combination of crisis services including emergent care (response within one hour), urgent care (response within eight hours), crisis follow-up, and relapse prevention to children, adolescents, or adults in the community 24/7.

A crisis stabilization unit provides short-term residential treatment designed to reduce acute symptoms of mental illness provided in a secure and protected clinically staffed, psychiatrically supervised, treatment environment that is licensed under and complies with a crisis stabilization unit

Respite services provide for temporary, short-term, periodic relief for primary caregivers. Program-based respite services are provided at temporary residential placement outside the child/youth's usual living situation. Community-based respite services are provided by respite staff at the child/youth's usual living situation. Respite includes both planned respite and crisis respite to assist in resolving a crisis situation.

Crisis residential treatment is short-term, community-based residential treatment to persons with some risk of harm or who may have fairly severe functional impairment who require direct supervision and care but do not require hospitalization.

c. Description of Services

DFPS Statewide Intake Services

The Statewide Intake call center is the centralized point of intake for the entire state for reports of suspected or suspected risk of abuse, neglect, and/or exploitation. It operates twenty-four hours a day, seven days a week. This strategy includes both the staff and technology resources needed to receive and process an average of about 63,000 contacts each month of children, elder adults and persons with disabilities suspected to be at risk of abuse, neglect and exploitation. Reports that meet the Texas Family Code and Texas Human Resources Code standards for investigation are referred for investigation.

This strategy allows DFPS to provide professionals and the public 24-hour access to services via the internet, fax, or mail.

DFPS Statewide Intake Services include:

- Availability 24 hours a day, seven days a week for receipt of reports of abuse, neglect and exploitation
- Crisis Intervention and Prevention referrals,
- Completion of DFPS background checks for staff conducting emergency investigations after hours to secure a safe alternative placement,
- Statewide Intake staff training, and
- Automation program support of the call center.

d. Description of Recipients (eligibility considerations)

Anyone can report suspected abuse, neglect, or exploitation or a suspected risk of abuse, neglect, or exploitation. Eligible clients include children under age 18 who are believed to be victims of abuse or neglect or are at risk of abuse or neglect by a person who is a member of the child's family or household and is responsible for the child's care, custody or welfare, as defined by the Texas Family Code. Eligible clients also include persons with disabilities and the elderly who are suspected to be victims of abuse, neglect or exploitation. Client eligibility is determined without regard to income and is based on the need for protection from abuse, neglect or exploitation. For purposes of this service:

"Child" is defined as "a person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes." (Texas Family Code, Section 101.003)

Examples of situations that may require protective services are injury due to maltreatment or family violence; lack of adequate food, clothing or shelter; lack of essential medical treatment or rehabilitation services; and lack of necessary financial or other resources. Component services or activities may include investigation; immediate intervention; emergency medical services; emergency shelter; developing case plans; initiation of legal action (if needed); counseling for the individual and the family; assessment/evaluation of family circumstances; arranging alternative or improved living arrangements; preparing for foster placement, if needed; and case management and referral to service providers.

b. SSBG Goal

- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;

c. Description of Services

HHSC Guardianship Program

Guardianship services are provided to individuals who have been found by a court to be incapacitated. In order for HHSC to provide guardianship services, less restrictive alternatives must not be available, an appropriate and qualified alternate guardian must not be available and willing to serve, a ward must have resources available to fund services, including long-term care, and it must be expected that guardianship will meet their needs.

Guardianship services include managing the ward's:

- Living arrangements
- Citizenship issues
- Estates
- Medical treatment, including extraordinary medical procedures
- Funeral arrangements and disposal of property

HHSC Provider Investigations

HHSC Provider Investigations (PI) investigates reports of abuse, neglect and exploitation of individuals receiving services in various settings including:

- State-operated mental health facilities known as State Hospitals.
- State-operated intermediate care facilities for individuals with an intellectual disability (ICF-IID), known as State Supported Living Centers (SSLCs).
- Private intermediate care facilities for individuals with an intellectual disability (ICFIID).
- Local authorities serving people with mental illness or an intellectual disability.
- Contracted providers of services in the Home and Community-Based Services – Adult Mental Health and Youth Empowerment Services (YES) programs for persons with serious mental illness or serious emotional disturbance.
- Contracted providers of services in the Texas Home and Community-based Services, Texas Home Living Medicaid waiver programs, and private intermediate care facilities for persons with intellectual disabilities (ICF-ID).
- Effective September 1, 2015, the Texas Legislature expanded APS PI's scope and jurisdiction of Provider Investigations and began to investigate all providers of home and community based (HCBS) managed care services.

HHSC PI protects individuals from abuse, neglect, and exploitation by conducting an unbiased investigation in response to reported allegations and by providing objective findings to the provider to take appropriate action to protect their consumers. HHSC trains investigators to conduct investigations in these unique settings with these specific populations. Investigations are governed by state law and policy developed by HHSC PI in coordination with the agencies that provide/purchase services.

Support functions include developing and maintaining policy and procedures, program management, quality assurance processes, legal support services, and regional administration. Additionally, support functions include the staff that develop and deliver program training to the direct delivery staff.

HHSC Provider Investigations include:

- Availability 24 hours a day, seven days a week, for receipt and investigation of reports,
- Immediate notification of reports to heads of facilities and law enforcement, as appropriate,
- Investigation of allegations in reports,
- Reports of findings and recommendations to heads of facilities,
- Training and legal services to support investigation staff, and
- Protective Services after the confirmation of investigations in Home and Community- Based Waiver (HCS-W) programs if needed.

DFPS Adult Protective Services Direct Delivery Staff

The Adult Protective Services (APS) program protects elderly adults (age 65 and older); adults with disabilities (age 18 through 64) and emancipated minors. APS investigates reports of abuse, neglect and exploitation. This strategy includes the cost for APS direct delivery staff responsible for conducting investigations and arranging services to alleviate or prevent further maltreatment. This program serves persons who reside in community settings (e.g., private homes, adult foster homes, unlicensed room and board homes) or in nursing homes and are alleged to be exploited by someone outside the facility. APS staff assess the underlying causes of abuse, neglect, or exploitation.

APS cases are often complex, and clients may lack capacity to make decisions. APS workers synthesize and apply knowledge from a broad array of disciplines, such as gerontology, mental health, health care, pharmacology, and the law.

APS Services include:

- APS staff conducting investigations and arranging services,
- Provides legal counsel, training, and direct representation for the APS program, and
- Redacts and releases confidential APS records.

DFPS Adult Protective Services Program Support

Functions necessary to provide direct support and management of APS direct delivery staff to ensure the efficient and effective delivery of services. These functions include developing and maintaining policy and procedures, training, legal

support services, and regional administration. Legal support activities for APS programs are also included.

Adult Protective Services Program Support Services include:

- Staff that conduct APS training,
- Regional administrative support staff,
- State office administrative support staff,
- Public service awareness campaigns,
- SWI Intake Specialists that assess reported information to determine whether the situations meet the legal definition of abuse, neglect, or exploitation, National APS training conference to enhance staff skills,
- Attorneys and support staff that assist in litigation and other court services, and
- Legal counsel for program policy and rule development and enforces program policy through representation in administrative hearings for APS programs.

DFPS Adult Protective Services Purchased Client Services (PCS)

APS uses purchased client services (PCS) when necessary to alleviate abuse, neglect or exploitation and meet client's short-term needs. These services include, but are not limited to, emergency shelter, food, medications, adaptive equipment, minor home repairs, restoration of utilities, rent, short-term medical or mental health services, and transportation. APS may also pay for short-term residential and in-home care while arranging for the ongoing delivery of these services.

APS policy requires caseworkers to explore the financial resources of clients. The caseworker compares the client's income and expenses to assess whether the client has resources to pay for services without the use of PCS funds. APS uses PCS in validated cases when the caseworker determines existing resources in the community cannot meet the client's needs.

Adult Protective Services Purchased Emergency Client Services include:

- Purchased services including emergency shelter, food, medication, short-term mental health and health services, rent, utilities, and in-home care.

d. Description of Recipients (eligibility considerations)

HHSC Guardianship Program

Texas Human Resources Code Chapter 161 provides HHSC with the authority to be appointed as a permanent guardian of a person or of the estate for children and adults referred to HHSC by DFPS. The Child Protective Services (CPS) and the Adult Protective Services (APS) Divisions of DFPS refer individuals for guardianship services as described below.

The Child Protective Services (CPS) Division of DFPS refers an individual to HHSC for guardianship services:

1. the individual must:
 - A. be at least 16 years of age and be in a conservatorship of DFPS; or
 - B. be at least 18 years of age, have been in CPS conservatorship on the day before turning 18 years of age, and in extended foster home placement after turning 18 years of age; and
2. CPS must have reason to believe that the individual will be substantially unable to provide for the individual's own food, clothing, or shelter, or to care for the individual's own health needs, or to manage the individual's own financial affairs when the individual becomes an adult.

An individual referred by the Adult Protective Services Division (APS) of DFPS must be 65 years of age or older, or 18 to 64 years of age with a disability. APS must also have reason to believe the individual is an incapacitated person, as defined by Texas Estates Code, Section 1002.017(2) and must have been determined to be in a state of abuse, neglect, or exploitation.

HHSC must determine that becoming guardian of an individual referred by APS will provide an effective remedy for the abuse, neglect, or exploitation validated by APS.

HHSC must determine that becoming a guardian of an individual referred by CPS will enable HHSC to effectively serve the needs of that ward.

HHSC may also otherwise agree to serve as permanent guardian for an individual.

In order for HHSC to serve as guardian, an individual must have private assets available to meet the expenses of day-to-day living, or be eligible for government benefits (for example, Medicaid, Social Security, or veteran benefits) that are sufficient to provide support. The HHSC Guardianship Services Program is not liable for, and cannot provide, financial support for services provided to wards, including the cost of long-term care or burial expenses.

c. Description of Services

HHSC Children’s Mental Health Plan

Waco Center for Youth (WCY) is a long-term psychiatric residential treatment facility serving youth, ages 13-17, with emotional and behavioral disorders. The facility bases its treatment philosophy on a strengths-based approach where the young person’s strengths are identified and used as the building blocks for cultivating the skills that may require further development. Waco Center for Youth’s mission, “providing high-quality, individualized care to Texans,” is achieved by modeling five core values: helping, healing, relationship, responsibility and commitment. These values are used every day in the way we interact with the young people we serve and each other.

Waco Center for Youth is accredited under the Behavioral Health Care Standards of the Joint Commission (JC) and offers a rich and varied program with an array of comprehensive services. The JC is an independent, not-for-profit organization, which set standards for, and evaluates various health care organizations in accordance with nationally recognized standards. The standards include an organization's level of performance in key functional areas such as: patient care and treatment, rights and responsibilities of individuals served, leadership, infection control and performance improvement. The JC also assess WCY’s ability to provide safe, high-quality care. To earn and maintain accreditation, an organization must undergo an on-site survey by a JC survey team at least every three years. WCY was last accredited in 2019.

Services offered at WCY include:

Education – Educational services are provided by Axtell Independent School District, which provides on campus academic learning experiences in small group settings.

Clinical Services - WCY provides each young person receiving services with an assigned clinical therapist who is responsible for or helps coordinate:

- Individual and group therapy.
- Family therapy.
- Coordination of the treatment team.
- Social and self-regulation skills training.
- Case management services.
- Assistance with aftercare planning.

Treatment Team Planning – The treatment team is a multi-disciplinary team led by a board-certified child psychiatrist, that assesses each youth's clinical needs, and develops an appropriate treatment approach.

Medical Services – WCY ensures that each youth benefits from continuous general medical care by WCY's full time pediatrician.

Medication Management – WCY provides developmentally appropriate education and training to youth about their medication, with a focus on developing the skills needed to understand the purpose, appropriate dosing and administration of their medications with the goal of learning how to more independently manage their medication and advocate for their own health care needs with their physician.

d. Description of Recipients (eligibility considerations)

Waco Center for Youth provides long-term psychiatric residential treatment to youth who:

- are age 13 through 17 years (must complete the program before turning 18);
- have a psychiatric diagnosis of emotional or behavioral disability; and
- have a history of behavior adjustment problems in at least two settings such as school, home or in the community.

An individual must have legal authority under Texas Health and Safety Code Chapter 572 to apply for services at Waco Center for Youth. All potential applicants must be referred by one of the entities below to be fully considered for admission.

- State hospitals;
- Local mental and behavioral health authorities;
- Community Resource Coordination Groups; or

Since WCY is not an acute care psychiatric hospital, it does not have the ability to serve individuals who need emergency or court-ordered mental health services, including those that are acutely psychotic, suicidal, or homicidal. Other eligibility limitations or exclusions include, but are not limited to involvement with juvenile justice, certain medical conditions, and a history of other types of issues that may put other youth at risk of being harmed.

26. Special Services for Youth Involved in or at Risk of Involvement With Criminal Activity

a. Service Category – Special Services for Youth Involved in or at Risk of Involvement With Criminal Activity

Special services for youth involved in or at risk of involvement with criminal activity are those services or activities for youth who are, or who may become, involved with the juvenile justice system and their families. Components services or activities are designed to enhance family functioning and/or modify the youth's behavior with the goal of developing socially appropriate behavior and may include counseling, intervention therapy, and residential and medical services if included as an integral but subordinate part of the service.

b. SSBG Goal

- Achieve or maintain self-sufficiency, including reduction or prevention of dependency;
- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;
- Prevent or reduce inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care; and
- Secure referral or admission for institutional care when other forms of care are not appropriate or providing services to individuals in institutions.

c. Description of Services

HHSC Children's Mental Health Services

Provides a continuum of community-based care for children and adolescents with serious emotional disturbance (SED) and their families. Outcomes of services include: children and adolescents improve in behavioral and emotional functioning; children and adolescents with a history of arrest avoid re-arrest; children and adolescents improve in school functioning; children, adolescents, families, and collateral providers are satisfied with the services received.

HHSC Community Mental Health Crisis Services

A crisis service provides interventions in response to a crisis in order to reduce symptoms of serious emotional disturbance and to prevent admission of an individual to a more restrictive environment.

Crisis Hotline: The Crisis Hotline is a 24/7 telephone service operated by trained crisis staff providing crisis screening and assessment, crisis intervention services, mental health and substance use referrals, and general mental health and substance use information to the community. The crisis hotline is an integrated component of the overall crisis service delivery system and is accessible toll-free throughout each local mental or behavioral health authority local service area.

Mobile Crisis Outreach Team: MCOT services provide a combination of crisis services including emergent care (response within one hour), urgent care (response within eight hours), crisis follow-up, and relapse prevention to children, adolescents, or adults in the community 24/7.

A crisis stabilization unit provides short-term residential treatment designed to reduce acute symptoms of mental illness provided in a secure and protected clinically staffed, psychiatrically supervised, treatment environment that is licensed under and complies with a crisis stabilization unit

Respite services provide for temporary, short-term, periodic relief for primary caregivers. Program-based respite services are provided at temporary residential placement outside the child/youth's usual living situation. Community-based respite services are provided by respite staff at the child/youth's usual living situation. Respite includes both planned respite and crisis respite to assist in resolving a crisis situation.

Crisis residential treatment is short-term, community-based residential treatment to persons with some risk of harm or who may have fairly severe functional impairment who require direct supervision and care but do not require hospitalization.

d. Description of Recipients (eligibility considerations)

HHSC Children's Mental Health Services

29. Other Services

a. Service Category – Other Services

Other Services are services that do not fall within the definitions of the preceding 28 services. The definition used by the State for each of these services should appear elsewhere in the annual report.

b. SSBG Goal

- Achieve or maintain self-sufficiency, including reduction or prevention of dependency;
- Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserve, rehabilitate, or reunite families;
- Prevent or reduce inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care; and
- Secure referral or admission for institutional care when other forms of care are not appropriate or providing services to individuals in institutions.

c. Description of Services

HHSC Emergency Response Services

Emergency Response Services are provided through an electronic monitoring system used by functionally impaired adults who live alone or who are socially isolated in the community.

In an emergency, the client presses a call button to signal for help. The system is monitored 24 hours, seven days a week, and helps ensure that the appropriate person or service agency responds to an alarm call from a client.

HHSC Emergency Care Services

Emergency Care Services are provided to an applicant who has lost his/her home or caregiver, been discharged from a hospital or institution, or been in a similar emergency.

HHSC Breast and Cervical Cancer Services

BCCS offers clinical breast examinations, mammograms, pelvic examinations, and Pap tests throughout Texas at no cost to eligible women. BCCS is funded by the Centers for Disease Control and Prevention (CDC) National Breast and Cervical Cancer Early Detection Program (NBCCEDP), TANF to XX, and State General Revenue. Direct services are contracted throughout Texas. Client information and

data are stored and evaluated in an online database called Med-IT. BCCS reports bi- annual quality indicators to the CDC.

HHSC Children's Mental Health Services

Provides a continuum of community-based care for children and adolescents with serious emotional disturbance (SED) and their families. Outcomes of services include: children and adolescents improve in behavioral and emotional functioning; children and adolescents with a history of arrest avoid re-arrest; children and adolescents improve in school functioning; children, adolescents, families, and collateral providers are satisfied with the services received.

HHSC Adult Mental Health Services

Adult Mental Health Services provides a continuum of community-based care for adults with serious mental illness. In addition to the specific services mentioned previously, other services are also available based upon medical necessity and the need of the individual. These additional services help to supplement care to help individuals reach the outcomes of: remaining housed in the community, obtaining employment, developing positive personal relationships, avoiding arrest, and others as identified by the individual.

HHSC Community Mental Health Crisis Services

Crisis flexible benefits provide non-clinical supports that reduce the crisis, reduce symptomatology, and enhance the ability of the child/youth to remain in the home. Examples in children's mental health services include home safety modifications, childcare to allow the family to participate in treatment activities, and transportation assistance.

Safety monitoring is ongoing observation of an individual to ensure the individual's safety. An appropriate staff person shall be continuously present in the individual's immediate vicinity, provide ongoing monitoring of the individual's mental and physical status, and ensure rapid response to indications of a need for assistance or intervention. Safety monitoring includes maintaining continuous visual contact with frequent face-to-face contacts as needed.

Crisis follow-up and relapse prevention are services provided to or on behalf of individuals who are not in imminent danger of harm to self or others but require additional assistance to avoid recurrence of the crisis event. The service is provided to ameliorate the situation that gave rise to the crisis event, ensure stability, and prevent future crisis events.

Crisis transportation provided to individuals receiving crisis services or crisis follow-up and relapse prevention services from one location to another. Transportation is provided in accordance with state laws and regulations by law enforcement personnel, or, when appropriate, by ambulance or qualified staff.

d. Description of Recipients (eligibility considerations)

6. Day Care Services for Children- Children

TWC allocates child care funding, including Title XX, to the twenty-eight Boards. Each Board oversees a child care contractor who is responsible for administering child care funding and enrolling and arranging for child care for eligible children. Parents may choose for their children to be enrolled in any regulated child care program that has an Agreement with the Board to accept referrals from the subsidized child care program.

21. Protective Services for Adults

DFPS has a statewide contract with the University of Texas Health Science Center (UTHealth) – Houston McGovern Medical School for medical and mental health assessments via telehealth and forensic accounting services. These services are provided through the Forensic Assessment Center Network (FACN), which is managed by UTHealth. Physicians with expertise in adult and geriatric medicine provide Adult Protective Services support for cases of suspected maltreatment and exploitation of adults. Forensic accountants with expertise in fraud and financial investigations provide Adult Protective Services support for cases of suspected financial exploitation.

C. Documentation of Public Hearing

The required public inspection for Title XX Social Services Block Grant was achieved via the following solicitation for public comment published on the Texas Health and Human Services Commission website: <https://www.hhs.texas.gov/about-hhs/communications-events/news/2021/08/texas-social-services-block-grant-available-public-comment>

Texas Social Services Block Grant Available for Public Comment

August 25, 2021

The Texas Health and Human Services Commission is seeking public comment on the draft Texas Social Services Block Grant Title XX Intended Use Report (PDF).

This document outlines how the Texas Legislature and Gov. Greg Abbott have appropriated Title XX Social Services Block Grant funding to state agencies to meet specified social needs for defined low income and at-risk populations.

HHSC administers the block grant on behalf of the state of Texas and coordinates the delivery of appropriated funds from the federal government to various state agencies.

Email comments on the report to HHSC Federal Funds by Monday, Aug. 30, 2021.

See **Exhibit A** of this Appendix for a copy of the related public notice posted on the website.

E. Certifications

Exhibit A - CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

Certification Regarding Debarment, Suspension, and Other Responsibility Matters — Primary Covered Transactions Instructions for Certification

- 1) By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
- 2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- 3) The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
- 4) The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 5) The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- 6) The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who

is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

- 7) The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusive-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
- 9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 10) Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters — Primary Covered Transactions

- 1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- 2) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

- 3) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- 4) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
- 5) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- 6) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary
Exclusion — Lower Tier Covered Transactions**

Instructions for Certification

- 1) By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- 2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- 3) The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- 4) The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this

clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

- 5) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- 6) The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
- 8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9) Except for transactions authorized under paragraph five of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a
- 10) Person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary
Exclusion — Lower Tier Covered Transactions**

- 1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- 2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Exhibit B - CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

- 1) By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
- 2) The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 3) For grantees other than individuals, Alternate I applies.
- 4) For grantees who are individuals, Alternate II applies.
- 5) Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 6) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

1. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
2. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled

Substances Act (21 U.S.C. Section 812) and as further defined by regulation (21 CFR Section 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes.

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- 1) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- 2) Establishing an ongoing drug-free awareness program to inform employees about —
- 3) The dangers of drug abuse in the workplace;
- 4) The grantee's policy of maintaining a drug-free workplace;

- 5) Any available drug counseling, rehabilitation, and employee assistance programs; and
- 6) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- 7) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- 8) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will — (1) Abide by the terms of the statement; and
 - i. (2) Notify the employer in writing of his or her conviction for a violation of a
 - ii. criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- 9) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 10) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted — (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of:
 - i. 1973, as amended; or
 - ii. (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
 - iii. (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
 - iv. (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)
4900 North Lamar Boulevard Austin, Travis, Texas 78751

Check if there are workplaces on file that are not identified here.
Alternate II. (Grantees Who Are Individuals)

- (a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;
- (b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
