

Redetermination Date in MESAV

This is an image of the screen providers will see when logged into Medicaid Eligibility Service Authorization System (MESAV) to view a redetermination date.

The screenshot displays the MESAV web application interface. At the top right, it shows the user is logged in as 'dadsuser' and provides links for 'Home :: TMHP.com :: My Account' and 'Log Off'. A navigation menu on the left includes 'TexMedConnect', 'Long Term Care', 'MESAV', 'Claims', 'Claim Data Export', and 'CSI'. The main content area features a 'General Disclaimer' and two summary tables: 'Client Information' and 'Inquiry Information'. The 'Client Information' table lists fields such as Client No./Trainee SSN, DOB (11/18/1948), Gender (F), SSN, Name (SHIRLE), Address, County, Medicare No., and Medicaid Recert Review Due Dt (9/13/2023). The 'Inquiry Information' table lists NPI/API, Eligibility From (1/1/2023), Eligibility Through (2/28/2023), Medicaid /Client No., Social Security Number, Date of Birth (11/18/1948), Last Name, First Name (SHIRLEY), M.I., and Suffix. Below these is a 'Service Authorization Information/Details' table with columns for Effective Date, End Date, Referral Number, Status, Svc Grp, Svc Grp Desc, Svc Code, Svc Code Desc, Client Control No., Units Paid, Unit Type, Units, Proc. Code, Proc. Type, NPI/API, and Provider Number. Two rows of service authorizations are visible, with the first row showing an active status and a redetermination date of 9/13/2023.

General Disclaimer
Payment is not based solely on any single piece of information listed below. This data may change. Outstanding claims may affect the number of units. Nursing Facility clients with managed care eligibility segments must have service authorizations verified by the appropriate MCO.
