

## HEALTH AND HUMAN SERVICES COMMISSION

### Public Notice: Texas State Plan for Medical Assistance Amendment

The Texas Health and Human Services Commission (HHSC) announces its intent to submit amendments to the Texas State Plan for Medical Assistance under Title XIX of the Social Security Act.

The purpose of the amendment is to update the rate methodology and payment rates for Day Activity and Health Services (DAHS) in support of increasing the base wage for certain personal attendants under Medicaid and other programs administered by HHSC to \$10.60 per hour, in accordance with the 2024-25 General Appropriations Act, House Bill 1, 88th Texas Legislature, Regular Session, 2023 (Article II, HHSC, Rider 30(a)). The proposed amendment also revises the initial cost report database to calculate the direct care cost component to be the most recent DAHS Medicaid cost report database. The proposed amendment is effective September 1, 2023.

The proposed amendment is estimated to result in an annual aggregate fee-for-service expenditure of \$373,858 for federal fiscal year 2023, consisting of \$233,175 in federal funds and \$140,683 in state general revenue. For federal fiscal year 2024, the estimated annual aggregate fee-for-service expenditure is \$5,102,196, consisting of \$3,068,971 in federal funds and \$2,033,225 in state general revenue. For federal fiscal year 2025, the estimated annual aggregate fee-for-service expenditure is \$5,206,168, consisting of \$3,131,510 in federal funds and \$2,074,658 in state general revenue.

Further detail on specific reimbursement rate changes is available on the HHSC Provider Finance website under the proposed effective date at <http://pfd.hhs.texas.gov/rate-packets>.
