Subject: Information Letter No. 09-123  
Reimbursement Rates Effective August 1, 2009

The Texas Health and Human Services Commission (HHSC) has approved a rate increase for each of the above mentioned programs to recognize the impact of the increase in the federal minimum wage. This rate increase is effective August 1, 2009. All claims for services delivered on or after August 1, 2009 will be processed using the new payment rates.

Providers participating in the Attendant Compensation Rate Enhancement will not be subject to accountability under the rate enhancement program for funds associated with the rate increase for the month of August 2009 because providers were federally mandated to increase employee wages to the new minimum wage.

The rates are attached to this letter and will be posted at a later date on the HHSC Rate Analysis website at <http://www.hhsc.state.tx.us/medicaid/programs/rad/LtcSvs.html>.
