

Memorandum

#19-088

TO: WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education / Clinic Services Unit
Texas WIC Program

DATE: October 29, 2019

SUBJECT: Breast Pump Order Opportunity and Product Updates

An opportunity to order breast pumps is now available. This ordering opportunity includes the following Vendor applied changes:

- Ameda multi-user part number changed from 17609WS to 17604WS
- Medela, single-user part number changed from 57018W to 101038299. In addition, the manual pump component included with this pump has changed from a piston to the Harmony handle.

Changes apply to inventory currently being received and all orders moving forward. The part number changes will be applied by the State WIC Breast Pump Order and Contracts Coordinator when new inventory is loaded into TXIN.

Please enter your order in BOS by 5:00 PM, **November 14, 2019**.

BOS can be found on the Texas WIC Staff web site at: <http://wicstaffapps.dshs.texas.gov>. After November 14th, access to the ordering system will be limited to reviewing your order history and reconciling orders.

For this ordering opportunity, Local Agencies are advised to:

- Forecast enough quantities to last **4 months**, or through June 2020.
- Tentative delivery of this order will be in mid-February 2020. The next ordering opportunity will be in late March 2020.

- Please reconcile your deliveries in BOS within three (3) business days of receiving your breast pumps.
- State Agency will verify reconciliation and submit request to load new inventory into TXIN using the IDL tool.
- If your order includes multi-users (MU) please send me an email listing the serial numbers for each MU received.
