

Memorandum

#20-059

TO: WIC Regional Directors
WIC Local Agency Directors

FROM: Amanda Hovis, Director
Nutrition Education/Clinic Services Unit
Nutrition Services Section

DATE: September 28, 2020

SUBJECT: Revisions to the poster *What hospitals need to know about the Texas WIC Breast Pump Program* (Stock no. 13-06-12480) and flyer *WIC and Health Plans Partnering to improve Breastfeeding Support* (Stock no. 13-06-14212)

This memo is to update you of recent revisions made to the poster *What hospitals need to know about the Texas WIC Breast Pump Program* (Stock no. 13-06-12480) and the flyer *WIC and Health Plans Partnering to improve Breastfeeding Support* (Stock no. 13-06-14212).

1. What hospitals need to know about the Texas WIC Breast Pump Program (Stock no. 13-06-12480)

The title of the document has now been changed to *What health care facilities need to know about the Texas WIC Breast Pump Program* (Stock no. 13-06-12480). There were revisions made to content to help health care facilities guide their patients on the process of obtaining breast pump from WIC, including information about issuing to a proxy.

A printable version is currently available in the catalog and will soon be available to order. The material is available in English. It can be found [here](#). Once you receive new versions, please discard or recycle old versions with revision date 11/11.

2. WIC and Health Plans Partnering to Improve Breastfeeding Support (Stock no. 13-06-14212)

The title of the document has now been changed to *WIC and Breast Pumps* (Stock no. 13-06-14212). There were minor revisions made to content to reflect what the participant can do before and after delivery in order to obtain a breast pump.

A printable version is currently available in the catalog and will soon be available to order. The material is available in English, Spanish and Vietnamese. It can be found [here](#). Once you receive new versions, please discard or recycle old versions with revision date 3/18.
