**SUBJECT: Breastfeeding Coordinator Sharing Session –
December 2020**

Please join us for a Breastfeeding Coordinator Sharing Session on Tuesday, December 29, 12:00 – 1:00 p.m. CST.

This quarter the webinar will focus on:

- Updates
- Sharing Session-materials and classes
- Q & A

Please note: Breastfeeding Coordinators are encouraged to invite their peer counselors to this sharing session and count it as one of the monthly trainings.

We will open up discussion to hear from you, so come with questions, future topic ideas, and anything else you would like to discuss with other Breastfeeding Coordinators and State Agency breastfeeding staff. All Breastfeeding Coordinators are invited and encouraged to attend. This will be a great opportunity to get the latest updates and share questions and ideas. We hope you will be able to join us.
