

DEAF AND HARD OF HEARING

ACCESS SPECIALISTS

Serving people who are deaf or hard of hearing

KEY SERVICES

1

Effective Communication:

Promoting accessibility in employment, community and home settings for safety and independence

2

Equal Access, Equal Opportunity:

Instilling self-confidence so people can ask for services or accommodations needed for equality and effective communication

3

Strategies:

Teaching people the steps to take for effective communication, the right people to ask and how to negotiate

4

Self-Advocacy and Soft Skills:

Teaching people how to speak up about their needs and make requests

5

Civil Rights Laws:

Providing education about laws that prohibit discrimination and promote equality and accessibility, such as the Americans with Disabilities Act

6

Responsibilities:

Explaining the importance of taking steps to ensure effective communication such as making requests and following through

7

Resources:

Connecting people with local, statewide, or nationwide organizations and agencies to assist them with their needs

8

Group Training:

Providing opportunities for people who are deaf and hard of hearing to learn from each other's self-advocacy successes

FOR BUSINESSES AND EMPLOYERS:

9

Training:

Covering topics such as sensitivity, accessibility, cultural competency and appropriate provision of services

10

Solutions and Support:

Consulting on accessibility issues and referrals to community resources including sign language interpreters and captioning

We welcome your feedback about the resource specialist service in your community.
