

Outreach and Identification of Children of Migrant Farmworkers

Medicaid Managed Care Organization Performance State Fiscal Year 2019 Rankings

HHSC ranks health and dental plans based on three things:

- (1) How the plan works with groups serving migrant farmworkers.
- (2) How often the plans work with these groups.
- (3) The ways plans identify children of migrant farmworkers.

Plans with higher scores do more to find children of migrant farmworkers enrolled in the plan. The ranks are listed by program (STAR, STAR Kids, and Children's Medicaid Dental Services), health plans in order of rank, and lists the service delivery areas which can found here:
