

Human Trafficking Training for Health Care - Impacted Practitioners

House Bill (HB) 2059, 86th Legislature, Regular Session, 2019, requires Health and Human Services (HHS) to approve training courses on human trafficking for health care practitioners. This is a list of practitioners required to complete an HHS-approved human trafficking course for licensure renewal. This list may be incomplete; check your licensing board's regulations to verify your requirements.
