How can I help?

If someone you know is...

- **Talking** about wanting to die or wanting to kill themselves
- **Planning** or looking for a way to kill themselves, such as searching online
- **Buying** a firearm or stockpiling pills
- **Talking** about feeling empty, hopeless or like there's no reason to live
- **Feeling** trapped or in unbearable pain
- **Talking** about being a burden to others
- **Increasing** the use of alcohol or drugs
- **Acting** anxious or agitated or behaving recklessly
- **Sleeping** too little or too much
- **Withdrawing** from family or friends or feeling isolated
- **Showing** rage or talking about revenge
- **Displaying** extreme mood swings
- **Saying** goodbye to loved ones and putting affairs in order

It's very important to act right away:

- 1. Ask about thoughts or plans for suicide:**
"Are you having thoughts about suicide?" "Are you thinking about killing yourself?"
 - 2. Listen and be nonjudgmental.**
Let them know you care about them.
 - 3. Believe what they say.**
Take words and actions seriously.
 - 4. Offer hope.**
Help them think of reasons to live or ways to keep safe.
 - 5. Get help.**
Stay with them until help is available.
