*SHARS CPE amounts are for Fiscal Year 2020, as it is the most recent data available for that program.

Rider 15(b)(4) – Annual Report (October 2021 - September 2022)

The survey data collected by the Texas Health and Human Services Commission (HHSC) is intended to provide oversight and monitoring of the use of local funds in the Medicaid program. This data includes, but is not limited to, the following elements.

- Sources of local funds available to and used by governmental entities (GEs) for intergovernmental transfers (IGTs)
- The amounts of Mandatory Assessments paid by non-public hospitals to governmental entities that administer a local provider participation fund (LPPF)
- Rate, frequency, and amount of each GE's mandatory assessments of the non-public hospitals in their LPPF jurisdiction
- Administrative, Contract, and Non-Contract Expenses and Amounts collected and used by GEs that administer an LPPF
- Each GE's financial accounts related to their LPPF
- Programs supported by GEs and the amounts contributed via IGT for each program
- Relationships between GEs and the non-public hospitals that the GE supports
