

Taxable Income of Parents

If the amount shown as annual taxable income of the parents as reported on their most current financial statement, latest federal income tax return, or other appropriate evidence of income, at the election of the parent, is within the following percentage of the federal poverty guideline:	the monthly fee per client, based on parental income, is:
≤ 100%	\$0
>100% to ≤150%	\$5
>150% to ≤200%	\$14
>200% to ≤250%	\$28
