## Eligibility for Federal Benefits for Ukrainian Humanitarian Parolees (UHPs)

### Background

Beginning May 21, 2022, the Additional Ukraine Supplemental Appropriations Act of 2022 (AUSAA), allows certain immigrants from Ukraine to receive federal public benefits if they meet all other eligibility requirements.

Ukrainian citizens, nationals of Ukraine and other non-Ukrainian individuals who are paroled into the United States between February 24, 2022 and September 30, 2023, can receive Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), Medicaid, and Children's Health Insurance Program (CHIP) without being subject to a waiting period. These groups of non-citizens are commonly referred to as Ukrainian Humanitarian Parolees (UHPs).

### Current Policy

A person admitted into the U.S. as a parolee is not eligible for a period of five years from the date of entry unless they meet an exception. ([TWH A-341](#), SNAP Alien Status Eligibility Charts, Chart B, [TWH A-342](#), TANF and Medical Program Alien Status Eligibility Charts and [MEPDH D-8920](#), Entry On or After Aug. 22, 1996 – Qualified Alien No Waiting Period, [MEPD and TW Bulletin 21-22](#), Item 1. ### New Policy

The following Ukrainian populations who enter the U.S. as parolees between Feb. 24, 2022 and Sept. 30, 2023 are eligible to receive federal benefits without being subject to a five-year waiting period if they meet all other eligibility requirements:

- Ukrainian citizens and nationals;
- Non-Ukrainian immigrants who last habitually resided in Ukraine;
  - o Habitually resided means the person last resided in Ukraine and has an original Ukrainian government-issued document, such as a driver's license or ID.

- A parent, legal guardian or primary caregiver of an unaccompanied minor or unaccompanied minor described in the first and second bullet who is paroled into the U.S. after Sept. 30, 2023.

The earliest date of eligibility is May 21, 2022, or the person's date of humanitarian parole, whichever is later.

- If the person was paroled and entered the U.S. between Feb. 24, 2022 and May 21, 2022, their earliest date of eligibility is May 21, 2022.
- If the person enters the U.S. after May 21, 2022, their earliest date of eligibility is the date of their humanitarian parole.

Additionally, UHPs remain eligible for federal benefits only until the end of their parole term. However, the person may remain eligible if they obtain another qualifying immigration status.
