2022 Dairy Pure Name and UPC Changes

Effective February 1, 2022, Dairy Pure milk products will be separated into three new brands: Gandy's Dairy, Price's, and Hygeia. Both current and new UPCs will be accepted by the WIC Program to allow vendors' current inventory to deplete.

When stocking the new milk products, please update your Least Expensive Brand (LEB) with the new name, UPC code, and effective date using the [LEB Change Request form](#).
