New WIC Milk-Based Formula Contract

Texas WIC currently has a contract with Similac for all standard infant formulas through 9/30/2022. As of **October 1, 2022**, the contract for standard milk-based infant formula will be changing to Enfamil products. The soy formula contract will continue with Similac Soy Isomil.

The milk-based formulas offered under the new contract include:

| Formula Name | Type | Container Size | Formula Code |
|-----------------------------------|--------------------|-----------------------|---------------------|
| Enfamil Infant | Powder | 12.4oz | 663 |
| Enfamil Infant | Liquid Concentrate | 13oz | 664 |
| Enfamil Infant | Ready to use | 32oz | 665 |
| Enfamil A.R. | Powder | 12.9oz | 667 |
| Enfamil Gentlease | Powder | 12.4oz | 668 |
| Enfamil Neuropro Gentlease | Ready to use | 32oz | 669 |
| Enfamil Reguline | Powder | 12.4oz | 670 |

This contract change does not affect any toddler or child formulas, or any formulas designed for medical use.

We are working closely with the manufacturer of Enfamil to monitor any formula supply issues that may occur and impact our transition in October. Due to the continued nationwide formula shortage, alternative brands of formula continue to be available to WIC participants through 9/30/2022. For a complete listing of available formulas, including international formulas please check [here](#).

This institution is an equal opportunity provider.
