Temporary Shortage of Enfamil Reguline

Mead Johnson, the maker of Enfamil products, is expecting potential limited availability of Enfamil Reguline 12.4 oz powder (code 670). While some retailers may have adequate supply and have no disruption in redemption of this product, other retailers may experience being out of stock on this product until mid-July.

If WIC clients are having difficulty finding Enfamil Reguline, please direct them to contact their WIC clinic for options.

Should you have any questions regarding this Vendor News Flash or any challenges purchasing the supply of contract brand formula, please contact the Vendor Management Unit's Vendor Outreach Branch at WICVendorRelations@hhs.texas.gov or 1- 800-252-9629.
